Suddenly Alone:

Beautiful Piece Joseph G. Peterson, 2009-10-01 During a deadly Chicago heat wave that's claiming hundreds of lives Robert who's stuck in his apartment alone fears he's going to be the next victim In the apartment above him lives a shell shocked Vietnam veteran who talks obsessively about the corpses of his war experience while alternately listening to Die Meistersinger and Madama Butterfly One day Robert ventures forth into the searing heat to gas up his car Immediately he encounters enigmatic Lucy who is trying to escape her brutal fiancé Matthew Gliss On a whim Lucy invites Robert to her apartment where she shows him her mysterious tattoo and tells him of her dangerous life with Matthew Gliss She warns Robert that if Matthew ever catches them together he should run not walk because Matthew won't think twice of killing him So begins the risky short lived relationship that leads to a chilling climax Each of Robert's increasingly hallucinatory recollections of what happened during the heat wave leads him to profoundly question his own culpability

Old and Alone Jeremy Tunstall, 2024-05-10 What is it like to be an isolated old widow living alone on the bare old age pension In the 1960s the question had become a standard refrain Originally published in 1966 this was the first full length study by a sociologist of isolation in old age Although the majority of old people were in no sense a problem group at the time a substantial minority of the elderly were alone in one or more ways About 1.3 million people aged sixty five and over in Britain lived alone a large number admitted to feeling lonely at least sometime About a million were actually socially isolated in terms of low level and frequency of social contact Mr Tunstall also uses a fourth category of aloneness namely anomie as developed by Durkheim Merton and Srole This report uses careful and statistical analysis of the four types of aloneness and of specially affected groups such as the single the recently widowed and the housebound But it also includes details of interviews with ten highly individual old people from suburban Harrow booming Northampton industrial revolution Oldham and rural South Norfolk The book contains a discussion of the problem of personality in isolation and a commentary on the inadequacies of social theory about old age Finally the concluding chapter suggests a wide variety of policy measures which might help to alleviate social isolation in old age

Alzheimer's & Dementia: Through the Looking Glass Betty Weiss, 2012-08-14 Alzheimers discusses issues like driving hallucinations delusions bathing respite feeding tubes hospice guilt sexuality genetics aging warning signs placement or home care diagnosis hospice finding help emotions and more Sixty six columns and more from the highly regarded All About Alzheimers feature written by the author and published monthly in Today's Senior Magazine are assembled here to help the family and caregiver through the demanding trials of living with someone who has Alzheimers Few things are as frustrating and maddening as Alzheimers and caring for someone with the disease is uniquely different from other medical conditions In time the patient is unable to help in his own care even to follow such simple instructions as stand up or sit down creating a difficult situation for everyone Perhaps you think when someone forgets you just remind them no one forgets their own children how to eat dress and use the bathroom But they do In this book you will learn the

difference between your forgetting a word and remembering it later and the Alzheimers patient who forgets but cannot remember later because the memory is not just momentarily forgotten it no longer exists If it does not exist it cannot be recalled Youll learn things you need to know that will seem counterintuitive and require changes in your normal responses They are not always easy to use but they can make life with this disease a bit easier for both the afflicted individuals and those who care for and love them You will come to understand the basics of the illness why such bizarre things happen and how to react to unexpected and on going problems without making things worse *Duino Elegies* Rainer Maria Rilke, 2023 A new translation of Rilke s great work with close readings of each of the ten elegies elucidating how their poetic attributes constitute their meaning Rilke continues to be the most read and discussed German poet of the modern period The Duino Elegies together with the Sonnets to Orpheus remain his greatest achievement The themes of the ten elegies and the conceptual world unique to Rilke from which they emerge can best be understood through their poetic form their imagery and neologistic formations their angular syntax their abrupt changes of tone and linguistic register their use of multiple personae and speaking voices and the often ironic self presentation of the author Commentators however have often treated these features as mere formal devices that we can somehow see through to get to what really matters that is to what Rilke has to say about the human condition or the meaning of life to his philosophy or worldview On the contrary they are constitutive of meaning in the elegies and understanding them is crucial to our experience of reading Rilke s work The purpose of this book is to make such features visible and to explain them to the reader as clearly as possible This is the first full length book in English devoted to the elegies in over thirty years It offers an entirely new translation of each elegy paired with the original German text and a close reading of each *A Passion for Truth* Abraham Joshua Heschel, 2025-09-23 In *A Passion For Truth* Heschel delves into the exploration of hope and despair in Hasidism Heschel drew on his own experiences from his study of the Kotzker and the Baal Shem Tov to create this classic work *Flames of Freedom* George, 2016-08-01 Many people in Boston are eager to celebrate freedom when the Declaration of Independence is read from a balcony in 1776 including young Jonathan But some remain loyal to King George Jonathan s willingness to fight for what he believes is tested Includes historical background information Paired to the nonfiction title *Liberty Bell* ***The Scarab and the Cross*** Andy Garza, 2016-02-26 A young vagabond field hand from parts unknown Onofrio could be any man who found himself in chains in Judea But many wise men have testified that there is a divine destiny for every person and Onofrio s life was about to intersect with a Nazarene carpenter ***Aging*** , 1983 *Until the End of Time* Stan Rogers, 2010-08-20 I like to examine the dark side of life through my writing Whether it is through my novels or my poetry I find I prefer the walk along the dark side of the road over the heart lifting sunnier side This Anthology is a walk along that road although it does include lighter moments and the occasional funny aside Apart from the poetry in this Anthology you will also find views of life and in particular my antipathy towards organised religion alongside a couple of very short children s stories So please read my

Anthology It will make you smile I hope as well as make you cry I have also written and published one novel so far entitled LOVE SEX AND TIME TRAVEL I always point out that it is not a science fiction novel as such There are no time machines aliens or spaceships in it but it is rather a bitter sweet love story again examining the darker side of love and life **A HUMAN VENTURE** V.
