Sally Nicholas was rich, twenty-one, pretty and enjoyed, to boot, she was everything a man did not like. But, however, accompanied by Ginger Brown, and her brother Edmund, were waiting round the corner, and for some time Sally's barometer pointed to extremely inclement weather.

The Adventures Of Sally:

The Adventures of Sally P. G. Wodehouse, 2022 **The Adventures of Sally (Volume 1 of 2) (EasyRead Super Large 20pt Edition)** Pelham Grenville Wodehouse, In a story set on both sides of the Atlantic life was always simple for Sally Nicholas until she inherits a fortune Being unaccustomed to owning a great deal of money Sally hasn't got the hang of it yet which is why she agrees to her brother's wild theatrical venture Amazon.com *The Adventures of Sally (EasyRead Super Large 18pt Edition)*, 1925 **The Adventures of Sally** Pelham Grenville Wodehouse, 2008-11-07 Books for All Kinds of Readers ReadHowYouWant offers the widest selection of on demand accessible format editions on the market today Our 7 different sizes of EasyRead are optimized by increasing the font size and spacing between the words and the letters We partner with leading publishers around the globe Our goal is to have accessible editions simultaneously released with publishers new books so that all readers can have access to the books they want to read **The Adventures of Sally** P. G. Wodehouse, 2008-01-01 Wodehouse has written a very interesting book with the Adventures of Sally In this case the interest is created by Sally herself as her story unfolds even though she is surrounded by most every mundane stock character available during that time period Yet still Sally shines as an entirely human beacon of life light and hope in a world that seems doomed to be run with comedic austerity Quite a unique perspective You can almost feel the Great Depression looming ominously beyond the horizon as the Sallys tale begins with dreamy plans for financial gains and burdens of familial financial loss Almost immediately Sally is whisked away to a less widely known vacation spot in Roveville France where she meets love interests Mr Two and Mr Three already engaged to Mr One Sallys sparked interest in Mr Two lets call him Ginger begins the basic premise for the plot The rest of the book involves rejection from Mr One in favor of Miss Two and offering scorn to Mr Three in response to his offers of love predictably because he was immediately and always disliked This is all sandwiched between the financial adventures of Sallys brother Fillmore as he competes for financial independence by taking up multiple ludicrous failing schemes Now while unpredictable the plot offers little in intrigue directly itself but it does offer us something that few plots do a feeling of reality The repeated financial failures of friends and family members do happen and seeing it portrayed here does a lot for the emotional involvement in the story A nagging depression is the offshoot of this approach always knowing that things are not going well cannot go well and will not go well does that to you During these traumatic events we see Sally as she is portrayed as a real flesh and blood human being Still trapped in the mannerisms of the day the etiquette that covers up much of her true feelings but also alone and dismal One scene stands out to me more than anything Sally receiving that Dear Jane letter from Mr One knowing what it must contain sitting on the floor in the bathroom and burning it But not just burning it but throwing a lit match at it and letting it burn on top of it and repeating that process until it was nothing more than a dirty spot on the floor Very memorable While the basic plot as Ive outlined it seems simple it is actually more complicated There are reasons why each of the three love interests are considered and of

interest at least for a short time and this is an example of the plots creativity Also spicing up the plot is the basic itinerary which includes London NYC Chicago Detroit and the already mentioned Renville France and these diverse locations add much to the flavor Combine that with including three main characters of British descent and you have a recipe for intrigue Other story elements of interest include theatrical productions boxers and dance instructors think Tina Turners Private Dancer and you get the picture better These so fit the persona of urban America at the time and if you like any of these bits of Americana this book would be considered a must read As with most of the classics there are bits of historical flavor which make them real gems Overall a very good book from a very good author who has a very unique style of writing you are sure to find refreshing Highly Recommended
