Gockel,2020-10-20 To protect the human race 6T9 evolved with the flip of a switch and a few lines of code But he s made himself a killer as well as a protector The programming that may save humanity has driven him from Volka the woman he loves In the heart of the Dark s first strike against the Republic 6T9 must discover what he has become who he wants to be and who he wants to be with Slowly and almost unnoticed Volka has been evolving too Heartbroken by 6T9 s departure she is torn between love and duty Accepting the latter she takes a mission that will lead her to the edge of the universe There she will be tested and her evolution will pass a point where there will be no turning back An android who has become more than a sex bot a mutant who has developed startling abilities 6T9 and Volka have become more than human The changes they ve endured may save the galaxy but have driven them further apart Will they find a way forward together or will the bond between them be another casualty of the Dark Keywords science fiction sci fi space opera first contact alien invasion artificial intelligence AI space colonization galactic republic space marines speculative fiction romance slow burn fade to black humor aliens robots fun First Contact Space Fleet Metaphysical Visionary Adventure Mutants Mystery Invasion Contact Fleet Extraterrestrial Action genetic engineering mutants **Wolf Pack** William McCollum,John "Jack" Mayhew,2021-12-08 The 281st AHC gun platoon named the Wolf Pack was the 3d platoon where a select and well known platoon of professional helicopter pilots and crew flying the C model Huey UH 1C known as the Charlie Model from 1965 through 1971 in Vietnam These men were like the knights of old going day after day in twos or threes to hold the battlefield against all comers and to do battle in defense of the Fifth Special Forces and its long range reconnaissance unit Detachment B 52 Project Delta Pilots and aircrews felt like they were invincible 6 Feet Tall bulletproof and kin to the gun slingers of the old west Unfortunately some made the ultimate sacrifice others were wounded and to this day some still have to deal with that time Indeed the legacy of the 281st Wolf Pack is a story of a remarkable unyielding spirit and uncompromisingly fierce defiance in the face of death with a determined enemy This book is a work of respect and honor covering the life and times of the U S Army s first special operations helicopter company the Wolf Pack As an element of the 281st Assault Helicopter Company the Wolf Pack provided armed helicopter support for the special forces units in Vietnam with emphasis on aerial weapons support for Project Delta and the MACV Recondo School which was recognized as the deadliest school in the armed forces This book contains the real time stores of the men who flew and maintained the helicopters that operated under the banner Hell From Above For the most part these young men were fresh out of school and had been expeditiously trained to fly and maintain their helicopters Few had previous combat experience In performing one of the most dangerous missions of the war these young men proudly known as the Wolf Pack developed aerial gunnery and support skills that identified them as one of the top helicopter gun units of the war This book
