Cody,2005-12-01 He was riding as fast as his pony could go through a ravine one day when there sprang out in front of him in the narrow track a man with his rifle at his shoulder Young Cody knew enough to know that the man had what was called the drop on him There was nothing to do but pull up and await events It was a white man a desperado of the plains He told the boy that he meant him no harm but that he wanted the money in the bag from The Pony Express RiderHe looms as large in the American imagination as do Daniel Boone and Davy Crockett Buffalo Bill Cody rode for the Pony Express served as a scout for Union Army during the Civil War and was a champion of the rights of women and Indians Yet his greatest legacy may be his own invention of that legacy A tireless and wily self promoter Cody already a superstar in 1904 published this autobiography the cheerful story of his own life complete with suspiciously tall tales of battles with Indians exploits with the army and the Pony Express and more Whether they re wholly true or somewhat exaggerated they re totally entertaining American frontiersman and showman WILLIAM FREDERICK CODY 1846 1917 toured Europe and North American with his Wild West Show in the 1880s 1890s and early 1900s helping to establish the legend of the American West and as a result may have been the first globally recognized American celebrity The Adventures of Buffalo Bill Buffalo Bill,2019-11-27 In The Adventures of Buffalo Bill the legendary William F Cody known as Buffalo Bill masterfully intertwines tales of his exhilarating life as a frontiersman scout and showman The book is marked by a lively narrative style that reflects the adventurous spirit of the American West during the late 19th century Richly descriptive it transports readers to a time of great change where the struggles between settlers and Native Americans the thrill of the Wild West and the spectacle of Buffalo Bill s own performances converge providing not just entertainment but a nuanced reflection on American identity and frontier mythology Cody born in 1846 was more than just a folk hero he was a cultural icon who shaped perceptions of the American frontier His experiences from serving as a Civil War scout to establishing the famous Buffalo Bill s Wild West show provided him with a unique perspective that he sought to convey in his writings These experiences are infused in the book allowing readers to glimpse the authentic life of a man who embodied the very essence of the American spirit I highly recommend The Adventures of Buffalo Bill to anyone
