The Age Of Jackson

R Sanford

The Age Of Jackson:

The Age of Jackson Robert Vincent Remini,1972 **The age of Jackson** Arthur Meier Schlesinger (Jr.),1945 Presents ideologies controversies and personalities of the early 1800 s instructive to the American as democracy of today *The Age of Jackson* Arthur M. Schlesinger,1945 **The Revolutionary Age of Andrew Jackson** Robert Vincent Remini,1976

The Age of Jackson Arthur M. Schlesinger (jr.),1950 The Age of Jackson Arthur Meier Schlesinger,1945 The Age of Jackson and the Art of American Power, 1815-1848 William R. Nester,2013 As William Nester asserts in *The Age of Jackson* it takes quite a leader to personify an age A political titan for thirty three years 1815 1848 Andrew Jackson possessed character beliefs and acts that dominated American politics Although Jackson returned to his Tennessee plantation in March 1837 after serving eight years as president he continued to overshadow American politics Two of his proteges Martin the Magician van Buren and James Young Hickory Polk followed him to the White House and pursued his agenda Jackson provoked firestorms of political passions throughout his era Far more people loved than hated him but the fervor was just as pitched either way Although the passions have subsided the debate lingers Historians are split over Jackson s legacy Some extol him as among America s greatest presidents citing his championing of the common man holding the country together during the nullification crisis and eliminating the national debt Others excoriate him as a mean spirited despot who shredded the Constitution and damaged the nation s development by destroying the Second Bank of the United States defying the Supreme Court and grossly worsening political corruption through his spoils system Still others condemn his forcibly expelling more than forty thousand Native Americans from their homes and along the Trail of Tears which led far west of the Mississippi River with thousands perishing along the way In his clear eyed assessment of one of the most divisive leaders in American history Nester provides new insight into the age old debate about the very nature of power itself *The Age of Jackson* Tim McNeese,2020-07-01 Andrew Jackson was one of the most controversial presidents in American History Raised in the backwoods of Appalachia he grew up amidst the violence of the Revolutionary War and carried violence with him throughout his life Though his penchant for dueling left him with a bullet lodged in his chest Jackson s combative nature served him well in his military career He quickly rose to prominence as a celebrated Indian fighter and hero of the War of 1812 and his victories against the Spanish and the Seminole in Florida led to the further expansion of the United States As president Jackson squabbled with the South over tariffs and fought to dismantle the Second Bank of the United States But his longest lasting legacy was his policy of Indian Removal Jackson signed the Indian Removal Act of 1830 which resulted in the forcible relocation of multiple tribes to territories further west a move that would become known as the Trail of Tears In *The Age of Jackson* follow Andrew Jackson s progress from fighting on the frontier to governing in the White House The Coming of Democracy Mark R. Cheatham,2018-08 In *The Coming of Democracy* Mark R Cheatham examines the evolution of presidential campaigning from 1824 to 1840 Addressing the roots of early republic cultural politics from campaign

biographies to songs political cartoons and public correspondence between candidates and voters Cheatham asks the reader to consider why such informal political expressions increased so dramatically during the Jacksonian period What sounded and looked like mere entertainment he argues held important political meaning The extraordinary voter participation rate over 80 percent in the 1840 presidential election indicated that both substantive issues and cultural politics drew Americans into the presidential selection process Publisher s description *Democracy in the Age of Jackson* Edwin Charles Rozwenc, Frederick E. Bauer, 1965
