

# Hasmonean Dynasty (142-63 BCE)

## Backlash against Hellenization

1. Separation and sense of superiority intensified
2. Strict observance of Mosaic Law enforced
3. Mutual dislike grows among neighbors and non-Jews
4. Precedence for martyrdom
5. Proliferation of apocalyptic literature

This was not a great time; tensions inside and outside

## **The Hasmonean Hoax:**

The Hasmonean Hoax Rudy Ydur, 1977      **Book of Daniel** Henry O. Thompson, 2020-10-28 Book of Daniel An Annotated Bibliography This volume is one of a series of bibliographies on the books of the Bible This is the first volume of the series of bibliographies described in the series introduction in this case on the Book of Daniel in the Old Testament OT or the Hebrew Scriptures fTanakh Scholars for these bibliographies have been drawn from across the Judeo Christian perspective as well as across doctrinal perspectives These bibliographies should be of value to students and faculty to laity and professional to religious and academic groups for undergraduate and graduate study They should serve a significant role as reference works in libraries for the public the university and religious groups as well as individuals      *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1979      Illuminating the Narrow Gate Karl R. Luther, 2022-01-17 The apocalyptic end times have finally arrived What is coming to an end though is not what you have been led to believe Do you desire the truth about God our foremost religions the purpose of life and the future of our planet Are you ready to challenge the religious powers that be to learn what most would rather not know If so this revolutionary book will help you transcend the darkness on your eternal journey home to a God of pure unconditional love a God who has no cause or need to ever judge or condemn anybody Illuminating the Narrow Gate reveals the flaws of the mainstream Western religions as it guides and empowers its readers to embrace an enlightened spirituality Brimming with astonishing insights and revelations it will shock the world by debunking the fire and brimstone theology of mainstream Christianity It primarily accomplishes this by unraveling the apocalyptic prophecies of Daniel the gospels and Revelation in their entirety In fact they contain hidden spiritual messages that contradict what has been confidently preached for all these centuries Like a challenging riddle that cannot be solved the answer is obvious in hindsight Only the blinding power of a paradigm can explain how we missed it for so long The revelations will strike with devastating force because the book first arrives at the same conclusion through more traditional means It convincingly describes how Jesus had come to uproot Judaism but the version of Christianity that developed in his wake failed to make the paradigm shift Erroneous tenets that should have been discarded were instead institutionalized in both theology and authority The book also blazes a third independent trail to the same destination by showing how this ancient religious tree bore its poisonous fruit in both the Holocaust and the abomination of slavery that fathered the Civil War Furthermore the book illuminates the nature of evil and its well cloaked ways which is essential for unraveling the prophecies This wisdom yields a new and astonishing interpretation of the Book of Job that delivers a quantum leap in insight over the prevailing understanding As the first devout Christian to read this interpretation commented It rocked my apple cart to the core In addition it presents an array of scientific evidence for the spiritual realm s existence that complements its amazing demonstration that long range prophecy is truly possible It thus shows the atheistic religion of scientism is also doomed Meanwhile the book proves Jesus was the Anointed One Messiah with a telescoping trio of

prophecies from Daniel that foretold the onset of his ministry to the reign of the Roman Empire to its first ten emperors in the 1st century CE and to 27 34 CE Most Christians will thus either fearfully denounce the book as a satanic assault upon their religion or courageously embrace it as the inevitable completion of the Reformation The great spiritual awakening will soon be kicking into high gear which is exactly what the apocalyptic prophecies long ago foretold and the spiritual realm has long been awaiting As Jesus and a group of angels informed an atheist during his near death experience in 1985 The world is at the beginning of a major transformation It will be a spiritual revolution that will affect every person in the world Can you handle the truth Are you ready to awaken If so this world changing book is at your service You only have to purchase Vol I to get the book s core insights and revelations A PDF document of the Endnotes Bibliography Index et al published in Vol II can be downloaded for free from the book s website to make Vol I a self standing book **Publishers Directory** ,1991

**Josephus and Modern Scholarship (1937-1980)** Louis H. Feldman,2015-11-27 No detailed description available for Josephus and Modern Scholarship 1937 1980 **Secret Scrolls** Robert M. Price,2010-12-27 Secret Scrolls is the very first examination of some forty novels in which someone discovers a new gospel Sometimes it turns out to be a hoax will it be debunked before it can work its mischief If it proves genuine will it be brought to light Or will corrupt church officials manage to prevent it The book evaluates what each author has to say about historical Jesus scholarship or New Testament research in general Sometimes the authors have done their homework other times they haven t bothered and they wind up dishing up crazy rewrites of history and outlandish theories These novels deal with abiding issues of faith even without some new discovery As soon as one engages in biblical apologetics one has stepped onto the marshy ground of probabilistic arguments an entirely different epistemology that automatically replaces simple faith And so one comes to hold one s religious convictions more tentatively having become genuinely vulnerable to new evidence One may not remain a believer for long On the other hand one invites fanaticism if one s faith is dangerously predicated on the assurance that no new discovery will send one back to the drawing board Secret Scrolls assesses what each author imagines it would take to derail and debunk Christianity How mighty a blow must be dealt before the religion would fall Dan Brown s notion that a married Jesus would debunk the Nicene Creed is laughable As Wilbert Francis Howard once argued in his brief and fascinating history of New Testament research there is a genuine romance of New Testament scholarship and many of us are delighted to have the adventure continue in the speculative imaginations of capable novelists These books can both entertain and educate and so will Secret Scrolls **Dictionary of Contemporary Mythology** William Harwood,2017-03-10 Hold it Sit Stay That s better No I am not suggesting that you go to the New York Times and tell them I have a book written by the devil Only he s not really the devil He s an extra terrestrial And he s not evil He s God s good brother It s God who is evil Do you think I came to you to have you put in a funny farm You re to publish my manuscript under your own name as science fiction Isn t science fiction the only format under which any sane moral philosophy could be published for the past fifty years You

,1985      **Jerusalem's Temple Mount** Mike M. Joseph,2011 The author purports to show that the place originally believed  
to be the site of the Holy Temple Mount in Jerusalem is not the site at all He raises other questions and concerns about  
theology and beliefs among the three major religions that play out in this debate Judaism Christianity and Islam      *Sacred*  
*Texts and Disparate Interpretations: Qumran Manuscripts Seventy Years Later* ,2020-07-13 The essays in Sacred Texts and

generally consider these themes from a historical perspective trying to find new solutions to old questions and entering in  
constructive dialogue with the opinions of other scholars Paleographic investigations textual criticism as well as literary and
