Strange Heaven:

Heaven's Gate George D. Chryssides, 2011 The Heaven s Gate suicides were part of a series of major violent incidents involving New Religions in the 1990s Despite the major attention that Heaven s Gate attracted there have been few scholarly studies This anthology on Heaven s Gate includes a combination of articles previously published in academic journals some new writings from experts in the field and some original Heavens Gate documents All the material is expertly brought together under the editorship of George Chryssides *Setting in the East* David Craig Creelman, 2003 The Maritime region is thus torn between its memory of an earlier more prosperous and traditional social order and its present experience as a less fortunate modern industrial society These tensions are embedded in the Maritime character and have affected not only the lives of its people but the imaginations and texts of its writers BOOK JACKET *Deity's Planet* Bikash Kunwar, 2016-02-05 Kisan s team encounters another living planet Due to war on Earth it destroys their way back to home Many years later with education provided by Kisan s group aliens manage to find Earth but without animal and human life except on the top part of the Himalaya and investigate the reason **Heaven's Outcasts** AQEEL AHMED, 2024-03-01 The Nephilim were kicked out of heaven and now wander the earth looking for forgiveness and a new purpose among both angels and people Summary Heaven s Outcasts is a moving story about the Nephilim who were sent out of heaven for breaking the rules of the realm Imagine being locked out of your house and not knowing what to do This is how the Nephilim felt when they first came to Earth Heaven was not at all like the world which had mountains rivers and lots of animals The Nephilim were scared and wondered if they would ever be happy or fit in again After that something amazing happened As they explored this new world they met many different kinds of animals and people Their first meeting was with Bella a friendly bird who showed them around Earth and introduced them to her friends People who were Nephilim started to use their special abilities for good For example they helped farms with their crops saved animals in danger and cheered up kids who were sad So they did great things and felt like they had a purpose in their new life on Earth But not everything was easy Before there was a mistake that made the Nephilim feel alone in a group However the villagers realized they were wrong and were happy to see the Nephilim because of a little girl named Lily who saw the Nephilim s good traits Even though kindness and patience can change people s thoughts this showed the Nephilim that people can be afraid of things they don t understand Then when an angel from heaven visited their trip took a turn they didn t expect The angel told them that their good deeds on Earth made God happy They were told they had a new job to protect Earth with kindness and hope It was exciting and clear to the Nephilim what they had to do Even though they had a lot of problems they were never alone They had each other and their new friends to help them get through anything Protecting the town from a strong storm was a big problem they had to deal with The Nephilim worked together to protect each other and used their skills People in the area thanked them for being brave and kind which cemented their place in the community They were no longer outsiders they

were now dear friends In the end the Nephilim decided to stay on Earth instead of going back to heaven They were determined to reach their goal because they loved their new home so much They lived with people and other animals and shared kindness love and hope We can learn a lot from Heaven s Outcasts about how to understand accept and value second chances It shows that everyone can make a change and find their place in the world no matter where they come from We can learn to be brave kind and selfless from the story of the Nephilim Moving making new friends and realizing that everyone deserves a second chance to do things right are all parts of this story Chapter 1 The Fall Heaven was a place of unmatched beauty and peace perched high above clouds that sparkled with golden light in the enchanted world of the deep blue sky There were many angels living in this heavenly world and they were all nice and helpful There was also a strange race of animals called the Nephilim Heavenly beings loved the Nephilim for their amazing skills kind hearts beautiful wings and eyes But their journey suddenly went in a different direction starting a new era in Heaven s past full of strange events Nephilim who were always interested in new things and seeking excitement had to make a tough choice one day They broke Heaven s most important rule without meaning to at a time that would change their fate forever This law was made by the highest authority to keep the peace and order in this celestial place This rule was broken because people didn t follow it and it also upset the delicate balance that kept Heaven and its people in perfect peace What they did had terrible results right away Because the Nephilim were so bad they were sent out of Heaven as a punishment Even though this choice was bad for everyone it had to be made to follow the rules that guide the celestial worlds Even though the angels used to admire the Nephilim they now found themselves falling from the sky going through the clouds and landing on Earth They were filled with fear and uncertainty Once the Nephilim arrived on Earth they found a world that was very different from the paradise they had experienced in heaven They were in a place with lush woods huge oceans that seemed to whisper secrets from deep within and mountains that reached for the sky The Nephilim on the other hand felt lost in this amazing beauty as if they had lost their way While they were traveling around the world they felt very alone and couldn t figure out why they were there To fall from Heaven wasn t just to hit the ground it was a journey into the unknown full of obstacles and lessons to be learned It was the start of a trip that would test their bravery make them question their beliefs and change them completely by the end When the Nephilim came into contact with people and nature they started a trip to learn more about them It was their hope to find a new mission that would give their time on Earth for purpose and for forgiveness Even though they were scared and didn t trust each other their fall from Heaven was the beginning of an amazing journey It was an invitation to find the strong bonds of friendship to look inside themselves and to learn what it really means to forgive There were challenges in this new part of their lives but there was also hope It was like a lighthouse pointing them toward a time when they would be able to find their place in the world again this time as valued guardians of a brand new home instead of misfits
