

Stranger In Shakespeare

Christopher Ivic

Stranger In Shakespeare:

The Stranger in Shakespeare Leslie A. Fiedler, 1972 The treatment of the stranger woman Jew Black depicted in Shakespeare's plays and sonnets reflect almost without exception not only Shakespeare's own values but those of his audience as well

Receiving the Stranger in Shakespeare Joan Fitzpatrick, 2025-06-09 Hospitality to strangers has become an increasingly prevalent topic in recent years from political upheavals resulting in the displacement of millions of people to the emergence of our collective obligations towards strangers during the Covid 19 pandemic Yet the vexed question of when to welcome or reject strangers is nothing new In the context of an increasingly multicultural early modern London where disease including plague was often rampant Shakespeare repeatedly explores the subtle ethical complexities that attend seemingly straightforward acts of hospitality or their refusal Receiving the Stranger in Shakespeare provides critical analysis of the most important moments of hospitality or its denial in Shakespeare's plays situating them historically in order to fully explore Shakespeare's engagement with early modern views The book explores the plays definitions of the self self interest and otherness and their relevance to make sense of the world and an exploration of the social economic and political particularities that make such distinctions as troublesome as they are necessary This volume will unravel the various attempts successful and unsuccessful to balance these obligations and risks

Shakespeare's Strangers and English Law Paul Raffield, 2023-01-26 Through analysis of 5 plays by Shakespeare Paul Raffield examines what it meant to be a stranger to English law in the late Elizabethan and early Jacobean period The numbers of strangers increased dramatically in the late sixteenth century as refugees fled religious persecution in continental Europe and sought sanctuary in Protestant England In the context of this book strangers are not only persons ethnically or racially different from their English counterparts be they immigrants refugees or visitors The term also includes those who transgress or are simply excluded by their status from established legal norms by virtue of their faith sexuality or mode of employment Each chapter investigates a particular category of stranger Topics include the treatment of actors in late Elizabethan England and the punishment of counterfeits Measure for Measure the standing of refugees under English law and the reception of these people by the indigenous population The Comedy of Errors the establishment of Troynovant as an international trading centre on the banks of the Thames Troilus and Cressida the role of law and the state in determining the rights of citizens and aliens The Merchant of Venice and the disenfranchised estranged position of the citizen in a dysfunctional society and an acephalous realm King Lear This is the third sole authored book by Paul Raffield on the subject of Shakespeare and the Law The others are Shakespeare's Imaginary Constitution Late Elizabethan Politics and the Theatre of Law 2010 and The Art of Law in Shakespeare 2017 both published by Hart Bloomsbury

The Stranger in Shakespeare Leslie A. Fiedler, 1974

Shakespeare and Immigration Ruben Espinosa, 2016-04-01 Shakespeare and Immigration critically examines the vital role of immigrants and aliens in Shakespeare's drama and culture On the one hand the essays in this collection interrogate

how the massive influx of immigrants during the reign of Queen Elizabeth I influenced perceptions of English identity and gave rise to anxieties about homeland security in early modern England On the other they shed light on how our current concerns surrounding immigration shape our perception of the role of the alien in Shakespeare s work and expand the texts in new and relevant directions for a contemporary audience The essays consider the immigrant experience strangers and strangeness values of hospitality in relationship to the foreigner the idea of a host society religious refuge and refugees legal views of inclusion and exclusion structures of xenophobia and early modern homeland security In doing so this volume offers a variety of perspectives on the immigrant experience in Shakespearean drama and how the influential nature of the foreigner affects perceptions of community and identity and collection questions what is at stake in staging the anxieties and opportunities associated with foreigners Ultimately Shakespeare and Immigration offers the first sustained study of the significance of the immigrant and alien experience to our understanding of Shakespeare s work By presenting a compilation of views that address Shakespeare s attention to the role of the foreigner the volume constitutes a timely and relevant addition to studies of race ethics and identity in Shakespeare

Shakespeare's Strangers, Resistance, and State Power

Jung-Kook Paik,2007 *Shakespeare's Englishes* Margaret Tudeau-Clayton,2020 Claims that Shakespeare resists an emergent exclusionary post reformation ideology of true Englishness in his early plays **Shakespeare and National Identity** Christopher Ivic,2017-01-12 The Arden Shakespeare Dictionary on Shakespeare and National Identity makes a timely and valuable contribution to the discipline National identity in the early modern period is a central topic of scholarly investigation it is also a dominant topic in classroom instruction and discussion More than any other early modern playwright Shakespeare especially his history plays is at the heart of recent critical investigations into a host of relevant topics borders history identity land memory nation place and space This Dictionary works through Shakespeare s plays and the cultural moment in which they were produced to provide a rich and informative account of such topics An ideal reference work for upper level students and scholars and an essential resource for any literary library **Miller's New York as it Is, Or, Stranger's Guide-book to the Cities of New York, Brooklyn and Adjacent Places** ,1867 [A Dictionary Of The English Language](#) Samuel Johnson,1756
