Stranger In Your Bed:

A Stranger In My Bed Debbie Sprague, 2020-12-31 Combat related PTSD and its effects on families that support wounded warriors is a growing concern throughout the world. This is a topic that few truly understand and even fewer know how to help and support the veterans and families who are suffering. *A Stranger in My Bed* addresses these hidden topics and strives to provide empathy, compassion, education, and increased societal support for spouses and families who are facing the devastating effects of living with their veterans' PTSD. Tools and support are provided for those caring for our veterans to give them strength, hope, and wellness for their future. The unique five-part format uses story, education, and a self-help program to promote knowledge, compassion, and caregiver wellness. The story provides an intimate inside view of what PTSD looks like in a real-life family. The comprehensive, easy-to-read educational sections provide a wide range of topics on PTSD, including the effects on both the veteran and their families. The self-help program provides tools and skills to promote wellness and healing for caregivers and offers resources for ongoing support beyond the book. *A Stranger's Touch* Anne Herries, 2012-12-01

When Morwenna Morgan defies her brother's orders and rescues a shipwreck victim from a Cornish beach, she doesn't expect an instant attraction to the injured stranger. This is the kind of man Morwenna can imagine falling for, not the unpleasant suitor her brother's forcing on her. Except the stranger is Lord Rupert Melford, a government agent sent to entrap the Morgan family. He has to believe that Morwenna is part of a smuggling plot, but her sweet nature and devotion to nursing him speak only of her innocence. *A Stranger's Game* Joan Johnston, 2009-07-28

From New York Times bestselling author Johnston comes an explosive tale of passion, murder, and a woman who counts no cost too high to see a killer brought to justice. **Stranger's of Fate** Sarah Hoad, 2011 *Stranger's of Fate* is the third novel in the chilling *Scripted Destiny* series. Varela lives in New York with her family working for one of the wealthiest families in the city. The day before her seventeenth birthday, she awakens to the news that the ones closest to her have been killed in a boating accident. With a new master coming into her life, everything is thrown into turmoil. Varela starts to see images from the past, creatures presently living in her home, and beyond all that, she is faced with a demon slowly casting his darkness around her. She is left with no choice but to run, and in doing so, she is faced with her *Strangers of Fate*, revealing an enchanting prophecy that could end it all.

Stranger's Return Phil Stong, 2015-07-03 Separated from her husband in New York and between jobs, Louise Storr finds herself at the steps of her grandfather's Iowa farm. Grandpa Storr, full of years and wisdom, is a patriarch who has been the master of the Storr lands for generations. Witty and grand, he rules his homestead with a serene indifference to the petulant brood of relatives who fill the household. Grandpa Storr immediately detects in Louise the ancient Storr qualities of candor, independence, and wit, which have been so sadly lacking in the rest of the Storhaven brood. While some members of the family and community look on with growing ill will, Grandpa and Louise become very fond of one another. The young woman's marital difficulties are the subject of much gossip, and when she takes to riding in the country with a married neighbor and

accompanying him to dances the family's ill will turns to malevolence The author has created an enormously life like gallery of Iowans including a greedy and wasp tongued niece by marriage her lazy farm lawyer husband a vague and foolish step daughter and a reliable farmhand fond of corn whiskey Stong's sensitivity towards his characters and his obvious love of the farmland that sustains them make *Stranger's Return* a classic well worth rediscovery *Stranger's Return* was also made into a popular movie by MGM starring Lionel Barrymore and Miriam Hopkins
