The Stranger Within Jean Barr, 2008-01-01 Increasing numbers of people now receive a higher education Yet we still do not have that educated public about which the philosopher Alasdair MacIntyre wrote two decades ago The stranger within On the idea of an educated public reflects on this situation regarding the future shape of the university as a kind of public sphere in exile and a site of social and cultural interpenetration At its centre is a revaluation of the Scottish tradition of democratic intellectualism highlighted by George Davie in his book The democratic intellect 1961 Davie charts the gradual extinction in the Scottish universities of a type of higher education which encouraged breadth of study public engagement and through the compulsory study of philosophy a concern with theory and ideas The stranger within On the idea of an educated public seeks to reframe this Scottish tradition and its associated ideal of an educated public in light of recent debates concerning cultural difference the nation imperialism and globalisation It investigates how the radical social purpose inherent in the democratic intellect tradition might be re vitalised to become a feature of higher education and of a more broadly based popular education worldwide The book is underpinned by philosophical social and cultural studies and it draws specifically on radical adult education practices related to social movements and to liberating knowledge from below It should be a valuable resource for academics from different disciplines who wish to communicate across disciplines about key issues of the day to managers in higher education who wish to counteract the fragmentation of disciplines and to adult community and lifelong education workers and members of the wider public who seek strategies to counter current educational and lifelong learning orthodoxies *A Stranger Within* Paulette Riddlesprigger, 2013-07-30 Do you know me or am I a stranger within When the Lord asked me this question it changed my life forever I heard Christians say there was nothing like intimacy with the Lord I didnt understand what that meant I asked spiritually mature Christians to instruct me in the ways of Lord so that I might know Him They consistently said pray study the Word be obedient to the Word and live a sanctified life Thus began my pursuit of intimacy with the Lord I made mistakes during my pursuit I tried to know Christ through other Christians big mistake I decided to pray and study the Word daily obey His commands and live a holy life Out of that obedience came a longing to know Christ and to make Him known to others God has a place within us where we are to meet with Him daily through His Word and prayer Humanity has tried to fill that place with drugs alcohol porn women men etc failing to realize the Lord created that special place just for Himself The road to knowing the Lord is a journey that must be traveled alone This book can help you find keys and principles to assist you *Stranger Within* seeks to help those who want to look like Jesus who want to walk in the truth of Gods Word and who want minister in the power of Gods Spirit **A Stranger Within** Samuel Van Ness IV, 2020-06-09 *A Stranger Within* By Samuel Van Ness In *A Stranger Within* Samuel Van Ness tells the true story of his life from growing up to present day Often gritty and raw Van Ness doesn t hold anything back as he tells of his time in and out of prison dealing with addiction and everything in between *A Stranger Within* will serve as
