Studies In Femininity

Kathy Davis, Mary Evans, Judith Lorber

Studies In Femininity:

Studies on Femininity Mariam Alizade, 2020-03-11 *Studies on Femininity* is the second volume in a unique series edited by the author for the Committee on Women and Psychoanalysis of the International Psychoanalytical Association Providing a forum for exploration and discussion of diverse issues relating to gender constructs sexuality and sexual identity the series brings together an internationally renowned group of contributors trained in the psychoanalytic tradition *Studies on Femininity* discusses gender roles femininity and motherhood The various stages in a woman's life adolescence adulthood and menopause are all examined In this volume the reader will find not only papers from different essentialist constructivist and culture based standpoints but will also note the existence of theoretical and clinical intersections where psychoanalysis borders on closely related disciplines

Queering Femininity Hannah McCann, 2017-12-04 *Queering Femininity* focuses on femininity as a style of gender presentation and asks how and whether it can be refigured as a creative and queer style of the body Drawing on a range of feminist texts and interviews with self identifying queer femmes from the LGBTQ community Hannah McCann argues that the tendency to evaluate femininity as only either oppressive or empowering limits our understanding of its possibilities She considers the dynamic aspects of feminine embodiment that cannot simply be understood in terms of gender normativity and negotiates a path between understanding both the attachments people hold to particular gender identities and styles and recognising the punitive realities of dominant gender norms and expectations Topics covered range from second wave feminist critiques of beauty culture to the importance of hair in queer femme presentation This book offers students and researchers of Gender Queer and Sexuality Studies a fresh new take on the often troubled relationship between feminism and femininity a critical but generous reading that highlights the potential for an affirmative orientation that is not confined by the demands of identity politics

A Companion to Gender Studies Philomena Essed, David Theo Goldberg, Audrey Kobayashi, 2009-03-16 *A Companion to Gender Studies* presents a unified and comprehensive vision of its field and its new directions It is designed to demonstrate in action the rich interplay between gender and other markers of social position and disadvantage such as race class ethnicity and nationality Presents a unified and comprehensive vision of gender studies and its new directions injecting a much needed infusion of new ideas into the field Organized thematically and written in a lucid and lively fashion each chapter gives insightful consideration to the differing views on its topic and also clarifies each contributor's own position Features original contributions from an international panel of leading experts in the field and is co edited by the well known and internationally respected David Theo Goldberg

Introducing Gender and Women's Studies Diane Richardson, Victoria Robinson, 2020-04-22 At a time where after decades of progress in gender and sexual rights people in many parts of the world are facing new forms of resistance and opposition to gender equality this timely publication confirms the continuing importance and relevance of gender and women's studies The fifth edition of this best selling textbook provides a comprehensive overview of key issues and debates

in gender and feminist theory With fully revised chapters written by specialists across a range of core topics including sexuality race bodies family masculinity methodologies and migration this clearly written but rigorous collection examines contemporary debates and provides helpful examples and questions to consider Furthermore it continues to reflect the shift from women s studies to gender studies incorporating coverage of masculinity throughout as well as discussing live debates such as around global activism transgender rights and the environment It continues to be an indispensable resource for students academics and anyone interested in this lively field New to this Edition A new chapter on gender and migration Expanded discussion of transgender rights as well as masculinity studies Brings seven new contributors to the collection with newly authored chapters on Gender and Environment Gender and Education Gender and Sexuality and Gender and Race Fully revised and updated with new material and new case examples Greater attention to intersectional approaches and international reach

Conceptualizing Women's Studies Mr. Rohit Manglik,2024-03-22 EduGorilla Publication is a trusted name in the education sector committed to empowering learners with high quality study materials and resources Specializing in competitive exams and academic support EduGorilla provides comprehensive and well structured content tailored to meet the needs of students across various streams and levels

The Femininity Puzzle Ulrike Brunotte,2022-09-01 In the Hobsbawmian long 19th century gender and processes of sexualization and feminization have been crucial in the construction of the Jewish Other Ulrike Brunotte explores how these processes came about by addressing imaginative aesthetic and epistemological questions She analyzes how literature psychoanalysis and the performing arts traverse and react to the ambivalence of racialized stereotypes The femininity puzzle presents itself in two ways first in the role of effeminization of the male Jew in antisemitic discourse and then in the transgressive forms of femininity connected to Jewish women especially the allosemantic orientalizing in the figure of the Beautiful Jewess

Femininity, Feminism and Recreational Pole Dancing Kerry Griffiths,2015-11-19 This book explores the phenomenon of pole dancing as an increasingly popular fitness and leisure activity for women It moves beyond previous debates surrounding the empowering or degrading nature of pole dancing classes and instead explores the complexities of these concepts and highlights that women participating in this practice cannot be seen as one dimensional Femininity Feminism and Recreational Pole Dancing explores the construction negotiation and presentation of a gendered and classed identity and self through participation in pole dancing the meaning of pole dancing as a fitness practice for women and the concepts of community and friendship as developed through classes Using empirical research the book uncovers the stories and experiences of the women who participate in these classes and examines what the mainstreaming of this type of sexualised dance means for the women who practice it Pole dancing is shown to be a practice in which female identities are negotiated performed and enacted and this book positions pole dancing as an activity which both reinforces but also presents some challenge to ideas of feminism and femininity for the women that participate Women s participation in pole dancing is described in a discourse of choice and

control yet this book argues that the decision to participate is somewhat constructed by the advertising of these classes as enabling women to create a particular desirable self which is perpetuated throughout our culture as the ideal. Exploring the ways in which women attempt to manage impressions and present themselves as respectable, the book examines how women wish to disidentify with both women who work as strippers and women who are feminist, seeing both identities as contradictory to the feminine image that they pursue. The book explores the capacity of these classes to offer women some feelings of agency but challenges the idea that participating in pole dancing can offer collective empowerment. The book ultimately argues that women's participation can be viewed both in terms of their active engagement and enjoyment of these classes and in terms of the structures and pressures which continue to shape their lives. This timely publication explores the complexity of the pole dancing phenomenon and highlights a range of questions surrounding this activity as a leisure form. It will be a valuable contribution to those interested in women's and gender studies, cultural studies, feminism, sociology, and leisure studies.

Puerto Rican Women's History: New Perspectives Felix Matos-Rodriguez, Linda Delgado, 2015-05-15 A survey of the topics in gender and history of Puerto Rican women. Organized chronologically and covering the 19th and 20th centuries, it deals with issues of slavery, emancipation, wage work, women and politics, women's suffrage, industrialization, migration, and Puerto Rican women in New York.

Handbook of Gender and Women's Studies Kathy Davis, Mary Evans, Judith Lorber, 2006-04-27 This breathtakingly broad interdisciplinary reader demonstrates how widely feminist thinking has spread, how deeply it has shaken settled assumptions in the disciplines, and how much new light it throws on contemporary controversies. Myra Marx Ferree, University of Wisconsin-Madison. A timely intervention and highly engaged, thoughtful, and scholarly analysis of the state of gender and women's studies in the West by three eminent feminist scholars. Highly cognisant of the central issues that have fractured, blocked, and enhanced western feminism. Bev Skeggs, Goldsmiths. The comprehensiveness and the interdisciplinary range of themes are impressive, and they make the Handbook into a wonderful tool for teachers and students of women's and gender studies. Nina Lykke, Linköping University. Gender and women's studies is one of the most challenging fields within the social sciences; the dynamics of gender relations and the social and cultural implications of gender constructions offer a lively forum of debate. The Handbook of Gender and Women's Studies presents a comprehensive and engaging review of the most recent developments within the field, including the study of masculinity, the feminist implications of postmodernism, the cultural turn, and globalization. The authors review current research and offer critical analyses of women's and gender studies in work, the welfare state, family, education, religion, violence, and war, and feminist global politics. Edited by three leading academics from Europe and the United States, and with 25 chapters written by scholars based throughout the world, the Handbook situates the most important debates in the field within a uniquely international and interdisciplinary context. The Handbook is a useful introduction to gender theory and an exciting starting point for fresh debates.

Studies in Economic Relations of Women Women's Educational and Industrial

Union (Boston, Mass.). Department of Research, 1910 **New Frontiers in Women's Studies** Mary Maynard, June Purvis, 1996 This text reveals the diversities which continue to shape women's beliefs and experiences It includes debates on women and nationalisms women and social policy sexuality black studies and ethnic studies women and education women and cultural production and women's studies and gender studies **Gender, Nation and State in Modern Japan** Andrea Germer, Vera Mackie, Ulrike Wöhr, 2014-07-25 Gender Nation and State in Modern Japan makes a unique contribution to the international literature on the formation of modern nation states in its focus on the gendering of the modern Japanese nation state from the late nineteenth century to the present References to gender relations are deeply embedded in the historical concepts of nation and nationalism and in the related symbols metaphors and arguments Moreover the development of the binary opposition between masculinity and femininity and the development of the modern nation state are processes which occurred simultaneously They were the product of a shift from a stratified hereditary class society to a functionally differentiated social body This volume includes the work of an international group of scholars from Japan the United States Australia and Germany which in many cases appears in English for the first time It provides an interdisciplinary perspective on the formation of the modern Japanese nation state including comparative perspectives from research on the formation of the modern nation state in Europe thus bringing research on Japan into a transnational dialogue This volume will be of interest in the fields of modern Japanese history gender studies political science and comparative studies of nationalism

New Modern Chinese Women and Gender Politics Chen Ya-chen, 2014-07-11 The past century witnessed dramatic changes in the lives of modern Chinese women and gender politics Whilst some revolutionary actions to rectify the feudalist patriarchy such as foot binding and polygyny were first seen in the late Qing period the termination of the Qing Dynasty and establishment of Republican China in 1911 1912 initiated truly nation wide constitutional reform alongside increasing gender egalitarianism This book traces the radical changes in gender politics in China and the way in which the lives roles and status of Chinese women have been transformed over the last one hundred years In doing so it highlights three distinctive areas of development for modern Chinese women and gender politics first women's equal rights freedom careers and images about their modernized femininity second Chinese women's overseas experiences and accomplishments and third advances in Chinese gender politics of non heterosexuality and same sex concerns This book takes a multi disciplinary approach drawing on film history literature and personal experience As such it will be of huge interest to students and scholars of Chinese culture and society women's studies gender studies and gender politics **The Evolution of American Women's Studies** A. Ginsberg, 2008-11-10 This book is comprised of reflections by diverse women's studies scholars focusing on the many ways in which the field has evolved from its first introduction in the University setting to the present day **Women on the Role of Public Higher Education** D. Gambs, R. Kim, 2015-04-09 This edited collection presents a compilation of personal essays on the role of public higher education in the lives of fourteen social scientists who are graduates of the Graduate Center the

doctoral granting institution at the City University of New York the nation's largest public urban university **Sport and Gender Identities** Cara Carmichael Aitchison, 2007-01-24 A collection of essays drawing together perspectives from a number of disciplines across philosophy sociology gender studies and more to explore ethical questions raised by issues of gender and sexuality in sport **Handbook of Research on Gender and Leadership** Susan R. Madsen, 2024-01-18

Although some progress has been made in recent decades in getting women into top positions in government business and education there are persisting challenges with efforts to improve opportunities for women in leadership This essential second edition of the Handbook of Research on Gender and Leadership comprises the latest research from the world's foremost scholars on women and leadership exposing problems and offering both theoretical and practical solutions on strengthening the impact of women worldwide *International Encyclopedia of Men and Masculinities* , **Personality Theories** Eric Shiraev, 2016-09-28 Personality Theories A Global View by leading scholar Eric Shiraev takes a dynamic integrated and cross cultural approach to the study of personality The text is organized around three general questions Where did personality theories come from How did the theorists study facts How do we apply personality theories now These questions provide a consistent focus on social context interdisciplinary science and applications Going beyond traditional research from the Western tradition the book also covers theories and studies rooted in the experiences of other countries and cultures

Gender Research in Africa Vivian Ojong, R. Sooryamoorthy, 2025-09-30 This book considers how methodologies theories and analytical frameworks from gender studies can be applied to African societies cultural social and historical contexts The book advocates for the importance of feminist research practices which highlight women and their lived experiences within a gendered world in Africa Gender studies has grown in prominence over recent decades rooted in an awareness that gender is no longer just an issue in the margins but core to the analysis of the interaction of power identity and social relations in the world This book considers how the field can evolve further in a postcolonial context integrating indigenous and local knowledge systems and practices Covering how gender is contested in African settings the book outlines how researchers can approach the ways in which social and racial categories class ethnicity and socioeconomic status intersect to produce gender based violence Overall this book shows how gender sensitive methodologies can help researchers to gain deeper insights into discrimination inequalities and gender based violence and thus contribute to better adapted social and legal reforms

The Top Books of the Year Studies In Femininity The year 2023 has witnessed a remarkable surge in literary brilliance, with numerous engrossing novels enthralling the hearts of readers worldwide. Lets delve into the realm of top-selling books, exploring the fascinating narratives that have enthralled audiences this year. The Must-Read : Colleen Hoover's "It Ends with Us" This poignant tale of love, loss, and resilience has gripped readers with its raw and emotional exploration of domestic abuse. Hoover skillfully weaves a story of hope and healing, reminding us that even in the darkest of times, the human spirit can prevail. Studies In Femininity : Taylor Jenkins Reids "The Seven Husbands of Evelyn Hugo" This captivating historical fiction novel unravels the life of Evelyn Hugo, a Hollywood icon who defies expectations and societal norms to pursue her dreams. Reids absorbing storytelling and compelling characters transport readers to a bygone era, immersing them in a world of glamour, ambition, and self-discovery. Discover the Magic : Delia Owens "Where the Crawdads Sing" This captivating coming-of-age story follows Kya Clark, a young woman who grows up alone in the marshes of North Carolina. Owens spins a tale of resilience, survival, and the transformative power of nature, captivating readers with its evocative prose and mesmerizing setting. These bestselling novels represent just a fraction of the literary treasures that have emerged in 2023. Whether you seek tales of romance, adventure, or personal growth, the world of literature offers an abundance of captivating stories waiting to be discovered. The novel begins with Richard Papen, a bright but troubled young man, arriving at Hampden College. Richard is immediately drawn to the group of students who call themselves the Classics Club. The club is led by Henry Winter, a brilliant and charismatic young man. Henry is obsessed with Greek mythology and philosophy, and he quickly draws Richard into his world. The other members of the Classics Club are equally as fascinating. Bunny Corcoran is a wealthy and spoiled young man who is always looking for a good time. Charles Tavis is a quiet and reserved young man who is deeply in love with Henry. Camilla Macaulay is a beautiful and intelligent young woman who is drawn to the power and danger of the Classics Club. The students are all deeply in love with Morrow, and they are willing to do anything to please him. Morrow is a complex and mysterious figure, and he seems to be manipulating the students for his own purposes. As the students become more involved with Morrow, they begin to commit increasingly dangerous acts. The Secret History is an exceptional and suspenseful novel that will keep you speculating until the very end. The novel is a warning tale about the dangers of obsession and the power of evil.
