Studies In Jewish History Andlore:

The Literature of the Jewish People in the Period of the Second Temple and the Talmud, Volume 3 The Literature of the Sages Shmuel Safrai, 2014-12-15 The literary creation of the ancient Jewish teachers or Sages also called rabbinic literature consists of the teachings of thousands of Sages many of them anonymous For a long period their teachings existed orally which implied a great deal of flexibility in arrangement and form Only gradually as parts of the amorphous oral tradition became fixed was the literature written down a process that began in the third century CE and continued into the Middle Ages Thus the documents of the rabbinic literature are the result of a remarkably long and complex process of creation and editing This volume gives a careful and succinct analysis both of the content and specific nature of the various documents and of their textual and literary forms paying special attention to the continuing discovery and publication of new textual material The contributors are all engaged in academic teaching and research in Israel Incorporating ground breaking developments in research their essays give a comprehensive presentation published here for the first time *Jewish Folklore and Ethnology Newsletter*, 1985 Jewish Cultural Studies Simon J. Bronner, 2021-05-04 Defines the distinctive field of Jewish cultural studies and its basis in folkloristic psychological and ethnological approaches Jewish Cultural Studies charts the contours and boundaries of Jewish cultural studies and the issues of Jewish culture that make it so intriguing and necessary not only for Jews but also for students of identity ethnicity and diversity generally In addition to framing the distinguishing features of Jewish culture and the ways it has been studied and often misrepresented and maligned Simon J Bronner presents several case studies using ethnography folkloristic interpretation and rhetorical analysis Bronner building on many years of global cultural exploration locates patterns processes frames and themes of events and actions identified as Jewish to discern what makes them appear Jewish and why Jewish Cultural Studies is divided into three parts Part 1 deals with the conceptualization of how Jews in complex heterogeneous societies identify themselves as a cultural group to non Jews and vice versa such as how the Jewish home is socially and materially constructed Part 2 delves into ritualization as a strategic Jewish practice for perpetuating peoplehood and the values that it suggests for example the rising popularity of naming ceremonies for newborn girls simhat bat or zaved habat in the twenty first century Part 3 explores narration including the global transformation of Jewish joking in online settings and the role of Jews in American political culture Bronner reflects that a reason to separate Jewish cultural studies from the fields of Jewish studies and cultural studies is the distinctiveness of Jewish culture among other ethnic experiences As a diasporic group with religious ties and varying local customs Jews present difficulties of categorization He encourages a multiperspectival approach that considers the Jewish double consciousness as being aware of both insider and outsider perspectives participation in ancient tradition and recent modernization and the great variety and stigmatization of Jewish experience and cultural expression Students and scholars in Jewish studies cultural studies ethnic religious studies folklore sociology psychology and ethnology are the

intended audience for this book **Jews and Christians in the First and Second Centuries: Mapping the Second Century**, 2024-09-16 The second century is a crucial period for the formation of both Judaism and Christianity but remains in important ways terra incognita This volume brings together specialists in Jewish studies and Christian studies two closely related disciplines that nonetheless continue to operate in relative isolation Taking into consideration the full panoply of Jewish and Christian identities the volume proposes fresh ways to map the interrelated histories of Jews and Christians Contributions by leading scholars offer new insights into this period informed by a rich variety of perspectives including theoretical literary thematic and material approaches *Aqiva's contribution to the Law of Zera'im* Charles Primus, 2023-08-21 **Elias Bickerman as a Historian of the Jews** Albert I. Baumgarten, 2010 Albert Baumgarten presents the biography of one of the most distinguished historians of the Jews in antiquity that demonstrates the important connections between his scholarship life and times The events of the twentieth century provide the context for the analysis of Bickerman's scholarly production Back cover **The Dead Sea Scrolls in Scholarly Perspective: A History of Research** Devorah Dimant, Ingo Kottsieper, 2012-01-20 This book contains an exhaustive survey of past and present Qumran research outlining its particular development in various circumstances and national contexts For the first time perspectives and information not recorded in any other publication are highlighted Ben Hecht's Theatre of Jewish Protest Garrett Eisler, 2025 Ben Hecht is most remembered as a famous Hollywood screenwriter and Broadway playwright but only recently has his extensive Jewish activism during the Holocaust and its aftermath received scholarly attention Unlike other more expansive Hecht biographies this book focuses in depth on his Jewish political theatre drawing on extensive archival research of four dramas *We Will Never Die* 1943 *A Jewish Fairy Tale* 1944 *A Flag Is Born* 1946 and *The Terrorist* 1947 Garrett Eisler's readings of these little known and out of print texts reclaim them as pivotal to the history of Jewish American drama being among the first works of U S theatre to address the Holocaust The full texts of all four works are republished here for the first time along with production details and full performance histories Hecht introduced a new heroic Jewish identity to the American stage one that challenged popular stereotypes of villainy or weakness This powerful and still controversial body of work stands as a striking testament to the power of theatre to rise to the moment The book also features a supporting cast of famous collaborators on these projects including Paul Muni Edward G Robinson John Garfield Moss Hart Kurt Weill and a young Marlon Brando In their use of the stage to aggressively engage with history as it was happening the story of Hecht and his colleagues is a compelling case of artists who made a difference **Publications of the American Jewish Historical Society**, 1913 *The Jewish Community of Acre in Mandatory Palestine* Anat Kidron, Shuli Linder Yarkony, 2024-05-20 For a brief moment in the history of Acre there was a Hebrew community that linked old and new settlements It had a national Zionist orientation and consisted of Jews of local and Mizrahic origin This community is no longer visible in the cityscape and its history has disappeared from the collective Zionist memory but it played a role in building the Jewish national

community in Palestine The unusual history of Acre shows how it succeeded in attracting new nationalist settlers The book seeks to illuminate the complexity and diversity of the Zionist enterprise in relation to the Arab and mixed towns of Mandatory Palestine by raising questions about the relationship between the history of a place and national history By describing the failure of the Hebrew settlement in the Mandate territory of Acre the book views the Zionist project as a fascinating intersection between the dreams of those who created the leading narratives and between local interests and the unique geographical conditions of the region *Publications of the American Jewish Historical Society* American Jewish Historical Society,1914 *Handbook of Medieval Studies* Albrecht Classen,2010-11-29 This interdisciplinary handbook provides extensive information about research in medieval studies and its most important results over the last decades The handbook is a reference work which enables the readers to quickly and purposely gain insight into the important research discussions and to inform themselves about the current status of research in the field The handbook consists of four parts The first large section offers articles on all of the main disciplines and discussions of the field The second section presents articles on the key concepts of modern medieval studies and the debates therein The third section is a lexicon of the most important text genres of the Middle Ages The fourth section provides an international bio bibliographical lexicon of the most prominent medievalists in all disciplines A comprehensive bibliography rounds off the compendium The result is a reference work which exhaustively documents the current status of research in medieval studies and brings the disciplines and experts of the field together *Historical Dictionary of the Jews* Alan Unterman,2010-11-15 The Historical Dictionary of the Jews presents the history of the Jewish people and their religious culture in a way that makes clear how and why this small ancient people have survived nearly four millennia and managed to play such an important role in the world well out of proportion to their population The Jews trace their origins far back in history to the early tribes of Judah and Moses Over the centuries they spread across much of the Western world as well as into parts of Africa and Asia until they were crushed by the Holocaust and were forced to find refuge in the United States and the new state of Israel Because of that horrific event of the estimated 15 million Jews living today approximately six million reside in Israel with almost the same number living in the United States making these two countries the main center of Jewish life today This ready reference tells the history of the Jewish people through a detailed chronology an introductory essay an extensive bibliography and over 200 cross referenced dictionary entries on significant persons places events institutions and aspects of culture society economy and politics This book is an excellent access point for students researchers and anyone wanting to know more about the Jewish people

Jews and Judaism in the Rabbinic Era Isaiah Gafni,2019-01-04 This collection of essays by Isaiah M Gafni reflects over forty years of research on central issues of Jewish history in one of its formative eras Questions relating to representations of the past beginning with Josephus but primarily in rabbinic and post rabbinic literature represent an axial theme in this volume Throughout the collection the author addresses the tension between realities on the ground and the historiography

that shaped the image of that reality for all subsequent generations Two specific clusters of studies analyze the emergence and development of the Babylonian rabbinic community as well as the complex relationship between the Judaeen centre and the Jewish diaspora in Late Antiquity A final selection of essays examines the impact of modern ideologies and revised methods of research on the image of Jewish life and rabbinic leadership in late antique Judaism

A Companion to the Devil and Demons, c.1100-1750 Kathryn A. Edwards, 2025-08-28 For medieval and early modern Europeans the Devil and his demonic minions were seen as increasingly active They tempted monks tortured the unwary and conspired against humanity They were responsible for waves of heresy plague famine and religious division and they formed unholy alliances foreshadowing the approaching Apocalypse and End Times Bringing together eighteen internationally recognized specialists *A Companion to the Devil and Demons* explores the latest research on premodern European beliefs about the Devil and demons With chapters ranging from scholastic and necromantic perceptions of demons to the place of demons within witch trials connections between demons and non human beings and media that spread ideas about demons it argues for the centrality and durability of demon knowledge in European culture Contributors to this volume Philip C Almond Robin B Barnes Dean Phillip Bell Michelle D Brock Fabi n Alejandro Campagne David J Collins SJ Ismael del Olmo Kathryn A Edwards Lizanne Henderson David Johannes Olszynski Richard Raiswell Juanita Feros Ruys James Sharpe Julien V ron se Rita Voltmer Hans de Waardt Gary K Waite and Charles Zika

The Columbia History of Jews and Judaism in America Marc Lee Raphael, 2009-10-22 This collection focuses on a variety of important themes in the American Jewish and Judaic experience It opens with essays on early Jewish settlers 1654 1820 the expansion of Jewish life in America 1820 1901 the great wave of eastern European Jewish immigrants 1880 1924 the character of American Judaism between the two world wars American Jewish life from the end of World War II to the Six Day War and the growth of Jews influence and affluence The second half of the volume includes essays on Orthodox Jews the history of Jewish education in America the rise of Jewish social clubs at the turn of the century the history of southern and western Jewry Jewish responses to Nazism and the Holocaust feminism s confrontation with Judaism and the eternal question of what defines American Jewish culture Original and elegantly crafted *The Columbia History of Jews and Judaism in America* not only introduces the student to a thrilling history but also provides the scholar with new perspectives and insights

Jewish Studies on Premodern Periods Carl S. Ehrlich, Sara R. Horowitz, 2023-05-22 This volume examines new developments in the fields of premodern Jewish studies over the last thirty years The essays in this volume written by leading experts are grouped into four overarching temporal areas the First Temple Second Temple Rabbinic and Medieval periods These time periods are analyzed through four thematic methodological lenses the social scientific history and society the textual texts and literature the material art architecture and archaeology and the philosophical religion and thought Some essays offer a comprehensive look at the state of the field while others look at specific examples illustrative of their temporal and thematic areas of inquiry The volume presents a snapshot of the state of

the field encompassing new perspectives directions and methodologies as well as the questions that will animate the field as it develops further It will be of interest to scholars and students in the field as well as to educated readers looking to understand the changing face of Jewish studies as a discipline advancing human knowledge

Matthew and the Didache H.W.M. van den Sandt,2021-10-11 The Didache or Doctrine of the Twelve Apostles is an important source for our knowledge of early Christianity The Didache demonstrates that we should understand nascent Christianity and early Judaism as sharing to a large extent the same traditions The volume throws fresh light on the Jewishness of the Two Ways teaching in Didache 16 It presents a cautious reconstruction of the Jewish prototype of the Two Ways and traces the Jewish life situation in which the instruction could emerge and flourish This attempt is important as it provides us with a Jewish source and its transmission underlying Christian and Jewish writings For example it is shown how acquaintance with these traditional materials benefits our perception of the antithetical section in Matthew 5 17 48 In the field of liturgical studies a significant contribution is made to the discussion of Didache 7 10 It improves our understanding of the Jewish provenance and historical development of Baptism and the Eucharist The book also presents an intriguing look into the redactional stages behind the materials about church discipline The ministry of itinerant apostles and prophets moving from town to town and their settling down in the community is considered in the perspective of the larger environment of Jewish religious and cultural history This volume will prove indispensable for all those engaged in the study of early Judaism the New Testament Patristics the origins of Christian liturgy and early Church history in general

Jewish Martyrs in the Pagan and Christian Worlds Shmuel Shepkaru,2006 This book presents a linear history of Jewish martyrdom

from the Hellenistic period to the high Middle Ages Following the chronology of sources the study challenges the general consensus that martyrdom was an original Hellenistic Jewish idea Instead Jews like Philo and Josephus internalized the idealized Roman concept of voluntary death and presented it as an old Jewish practice The centrality of self sacrifice in Christianity further stimulated the development of rabbinic martyrology and the talmudic guidelines for passive martyrdom However when forced to choose between death and conversion in medieval Christendom Ashkenazic Jews went beyond these guidelines sacrificing themselves and loved ones Through death not only did they attempt to prove their religiosity but also to disprove the religious legitimacy of their Christian persecutors While martyrs and martyrologies intended to show how Judaism differed from Christianity they in fact reveal a common mindset
