Lewis,2009-11-25 Focusing on work produced between 1880 and 1945 Literary Research and British Modernism Strategies and Sources provides scholars with the necessary methods and tools for studying the literature of this period This reference guide will facilitate research into the works of such major modernist writers as James Joyce T S Eliot Virginia Woolf E M Forster Joseph Conrad and Somerset Maugham as well as lesser known or forgotten authors of the era The book discusses research methodology and the best practices for the research process especially regarding the research challenges unique to works of British modernism This resource includes commentary on general literary reference materials library catalogs print and online bibliographies indexes and annual reviews scholarly journals contemporary reviews period journals and newspapers microform and digital collections manuscripts and archives and Web resources This book is an important and helpful guide for researchers of British Modernism and general interested readers alike      **Cross-Gendered Literary Voices** R. Kim,C. Westall,2012-05-21 This book investigates male writers use of female voices and female writers use of male voices in literature and theatre from the 1850s to the present examining where how and why such gendered crossings occur and what connections may be found between these crossings and specific psychological social historical and political contexts      **Studies in the Medieval Atlantic** B. Hudson,2012-06-04 This collection of essays offers fresh analysis of topics in the exciting area of Atlantic World studies Challenging standard assumptions the essays advance the argument that the Atlantic Ocean was a region that encompassed ethnic and political boundaries in which a sub community shaped by culture and commerce arose

**Morphosyntactic Variation in Medieval Celtic Languages** Elliott Lash,Fangzhe Qiu,David Stifter,2020-10-12 This book showcases the state of the art in the corpus based linguistics of medieval Celtic languages Its chapters detail theoretical advances in analysing variation change in the Celtic languages and computational tools necessary to process analyse the data Many contributions situate the Celtic material in the broader field of corpus based diachronic linguistics The application of computational methods to Celtic languages is in its infancy and this book is a first in medieval Celtic Studies which has mainly concentrated on philological endeavours such as editorial and literary work The Celtic languages represent a new frontier in the development of NLP tools because they pose special challenges like complicated inflectional morphology with non straightforward mappings between lemmata and attested forms irregular orthography and consonant mutations With so much data available in non electronic form and ongoing efforts to convert these data to computer readable format there is much room for the developing testing of new tools This books provides an overview of this process at a crucial time in the development of the field and aims to the data accessible to computational linguists with an interest in diachronic change

A Reference Guide for English Studies Michael J. Marcuse,1990-01-01 This text is an introduction to the full range of standard reference tools in all branches of English studies More than 10 000 titles are included The Reference Guide covers

all the areas traditionally defined as English studies and all the field of inquiry more recently associated with English studies British and Irish American and world literatures written in English are included Other fields covered are folklore film literary theory general and comparative literature language and linguistics rhetoric and composition bibliography and textual criticism and women s studies *History and Perspectives of Language Study* Olga Miłeska Tomi?, Milorad Radovanovi?, 2000-08-15 Each of the contributions in this volume expresses in some way the hope that it is possible to achieve an integrity of linguistics understood as a science of man in its psychological sociological pragmatic and cultural context The first section focuses on the history of language study the second section on the integrative description of facets of language and the last section on the need for the study of language in context New Theatre Quarterly 68: Volume 17, Part 4 Clive Barker, Simon Trussler, 2002-01-28 Provides an international forum where theatrical scholarship and practice can meet **Richard Kilvington's Quaestiones super libros Ethicorum** Monika Michałowska, 2016-10-05 Among the commentaries on Aristotle s Nicomachean Ethics produced in the Middle Ages that of Richard Kilvington is one of the most thought provoking Kilvington adopts a unique perspective of argumentation in which he applies concepts and terminology from the fields of logic and physics to ethical dilemmas This unprecedented approach allows him to formulate original solutions to various ethical problems He concentrates on the will moral weakness the relationship between the will and prudence the change of virtues and vices and the nature of ethical objects The presented commentary is a valuable record of the philosophical debates at Oxford in the 14th century A Companion to Twentieth-Century Poetry Neil Roberts, 2008-06-09 In the twentieth century more people spoke English and more people wrote poetry than in the whole of previous history and this Companion strives to make sense of this crowded poetical era The original contributions by leading international scholars and practising poets were written as the contributors adjusted to the idea that the possibilities of twentieth century poetry were exhausted and finite However the volume also looks forward to the poetry and readings that the new century will bring The Companion embraces the extraordinary development of poetry over the century in twenty English speaking countries a century which began with a bipolar transatlantic connection in modernism and ended with the decentred heterogeneity of post colonialism Representation of the canonical and the marginal is therefore balanced including the full integration of women poets and feminist approaches and the in depth treatment of post colonial poets from various national traditions Discussion of context intertextualities and formal approaches illustrates the increasing self consciousness and self reflexivity of the period whilst a Readings section offers new readings of key selected texts The volume as a whole offers critical and contextual coverage of the full range of English language poetry in the last century In Search of Ireland Brian Graham, 2002-11-01 In Search of Ireland argues that Ireland s political problems are created by conflicts and confusions of identity It brings together a number of distinguished contributors each of whom examines a particular aspect of Ireland s diverse cultural geography and history Issues covered include the changing definitions of Irishness the roles of

class and gender in constructing traditional alignments of identity the role of ethnicity in Irish society the invention and imagining of Irish place the political implications of a pluralistic Ireland The contributors demonstrate that many people both inside and outside of Ireland continue to define themselves and their conflicts through simple sectarian stereotypes The authors argue that politicians and others must reject these outdated either/or representations and accommodate instead the fluidity of Irish identity James Anderson University of Newcastle Upon Tyne S J Connolly Queens s University Belfast Neville Douglas Queen s University Belfast Brian Graham University of Ulster The Routledge Companion to Terrorism Studies Max Abrahms, 2024-11-05 Although the literature on terrorism is vast there are many holes in it This book helps to fill these lacunae with entries from top terrorism scholars and counterterrorism practitioners in the world Grouped thematically by terrorist actors conflict zones major attacks terrorist behaviors militant group dynamics terrorist consequences and counterterrorism approaches the entries cover a range of topics fundamental to understanding the contemporary terrorism threat and approaches to combating it Truly global in scope the book is an ideal reference for anyone interested in these topics from a variety of disciplinary perspectives Providing incisive analysis on timely topics related to terrorism and counterterrorism this volume will be essential reading for students scholars and practitioners in security studies

Philosophical Perspectives on Contemporary Ireland Clara Fischer, Áine Mahon, 2019-11-25 This is the first book to bring a philosophical lens to issues of socio political and cultural importance in twenty first century Ireland While the social political and economic landscape of contemporary Ireland has inspired extensive scholarly debate both within and well beyond the field of Irish Studies there is a distinct lack of philosophical voices in these discussions The aim of this volume is to enrich the fields of Philosophy and Irish Studies by encouraging a manifestly philosophical exploration of contemporary issues and concerns The essays in this volume collectively address diverse philosophical questions on contemporary Ireland by exploring a variety of themes including diaspora exile return women s bodies and autonomy historic injustices and national healing remembering and commemoration institutionalization and containment colonialism and Ireland as home conflict and violence Northern Ireland and the peace process nationalism patriotism and masculinities ethnicity immigration and identity and translation art and culture Philosophical Perspectives on Contemporary Ireland marks a significant contribution to contemporary theorizations of Ireland by incorporating both Irish and transatlantic perspectives It will appeal to a broad audience of scholars and advanced students working in philosophy Irish Studies feminist theory history legal studies and literary theory Beyond academia it will also engage those interested in contemporary Ireland from policy and civil society perspectives **The Reference Catalogue of Current Literature**, 1921 The Cambridge History of Ireland: Volume 4, 1880 to the Present Thomas Bartlett, 2018-02-28 This final volume in the Cambridge History of Ireland covers the period from the 1880s to the present Based on the most recent and innovative scholarship and research the many contributions from experts in their field offer detailed and fresh perspectives on key areas of Irish social economic religious

political demographic institutional and cultural history By situating the Irish story or stories as for much of these decades two Irelands are in play in a variety of contexts Irish and Anglo Irish but also European Atlantic and latterly global The result is an insightful interpretation on the emergence and development of Ireland during these often turbulent decades Copiously illustrated with special features on images of the Troubles and on Irish art and sculpture in the twentieth century this volume will undoubtedly be hailed as a landmark publication by the most recent generation of historians of Ireland **Augener & co's edition.
