Studies In Scripture:

Studies in Scripture Robert L. Millet, 2004-03-01

Studies in Scripture Robert L. Millet, Kent P. Jackson, 1986

Scripture Workbook Gary Zeolla, 2000-10 This book contains twenty two individual Scripture Studies Each study focuses on one general area of study These studies enable individuals to do in depth topical studies of the Bible They are also invaluable to the Bible study teacher preparing lessons for Sunday School or a home Bible study They can be used for group studies as well The range of topics covered in the different studies is broad from what the Bible teaches about itself to what the Bible teaches about divorce and remarriage Included in each study are hundreds of Scripture references so there will be no lack of material from which to begin your studies So if you re an individual looking for an aid to improve for your own personal Bible studies or a Bible study teacher or home group leader looking for help in preparing lessons this book will be of great benefit The sources for the viewpoints promoted in these Scripture Studies are wide and varied The ideas are taken from commentaries study Bibles theology books books of various kinds and most importantly this writer s own personal study of the Scriptures The sources for the opposing views presented are publications of groups that promote the ideas and personal conversations this writer has had with members of such groups and adherents to the views Every effort has been made to ensure the accuracy of the Scripture references in these studies But with the thousands of references presented it is likely that a few typos have crept in If the reader comes across a reference that does not make sense in the context presented just go onto the next one There are always plenty of verses listed for each point It is my hope and prayer that God uses these Scripture Studies to help the reader to grow in the grace and knowledge of our Lord and Savior Jesus Christ To Him be the glory both now and forever Amen 2 Peter 3 18

Adult Bible Studies Summer 2021 Student Michelle J. Morris, 2021-04-20 The three units of Bible lessons in this quarter unify around the theme Respond The lessons move through various responses people of faith are called to make as they live out their faith in both good times and difficult ones Unit 1 Intended for Good The Genesis story of Joseph and his brothers is one of the great stories from the Bible with forgiveness and grace among its underlying themes As the story stretches over several chapters of Genesis the four weeks of this unit give us ample time to explore it and see how the meaning of its events changed as Joseph recognized God at work behind the scenes Scriptures Genesis 37 5 28 Genesis 39 1 21 Genesis 41 1 16 25 32 Genesis 45 1 15 Spiritual Practice Forgiveness Unit 2 The People Next Door Neighbor is an important theme in both the Old and New Testaments and so this four lesson unit delves into it from several perspectives The first lesson Lesson 5 in this quarter gathers various verses from Proverbs on that topic The second lesson using a passage from the book of Ruth invites us to think about what it means to be a neighbor to immigrants The third lesson looks in the book of Acts for how the early church leaders incorporated neighborliness into the church's structure And the fourth lesson takes us to Mark's Gospel for an example of four individuals who were true neighbors to a man in need Scriptures Proverbs 3 27 30 6 1 5 25 20 23 Ruth 2 4 16 Acts 6 1 7 Mark 2 1 12 Spiritual Practice Scripture Unit 3 The Five Stages of Job As suffering in some form comes to most of us at some point or points in life it is useful to consider how Job who suffered greatly responded to it and to learn from his experience The five lessons of this unit show us five diverse ways Job responded to his calamities worship resignation protest angry despair and acceptance While not suggesting that all of these are useful in every case the lessons help us recognize what may be going on in our spirits when suffering overtakes us Scriptures Job 1 8 20 Job 1 21 22 2 7 10 Job 19 1 6 13 19 Job 30 16 23 Job 40 1 5 41 1 10 42 1 6 Spiritual Practice Lament
