Studies In Strindberg:

Studies in Strindberg Michael Robinson, 2013-05-15 In this volume Strindberg's accomplishments as a dramatist are set against his achievements in other fields as an autobiographer painter letter writer and theatre director There are studies of individual plays in which Strindberg's theatre is related both to naturalism and the theatre of the absurd and of the role played by his life long interest in historical drama as a means of mirroring his own experience Other essays consider the problems posed by Strindberg's preoccupation with converting his own life into literature and the relationship between his later plays and the musical Expressionism of Schoenberg and Berg as well as the importance he placed on letter writing as a model for writing of all kinds these letters are also used to explore his ideas about acting and theatre generally A recurring concern is with the extraordinary period of mental and emotional turmoil known as the Inferno Crisis in which Strindberg refashioned himself as a writer not least through his ground breaking work as a painter The collection is prefaced by an account of the difficulties Strindberg's works have encountered in their reception in England and concludes with a penance for Strindberg in the form of a wide ranging study of the nineteenth century actress that re-examines the concern with character and theatricality of the earlier essays in a new context *Studies in Strindberg*, 2013 In this volume Strindberg's accomplishments as a dramatist are set against his achievements in other fields as an autobiographer painter letter writer and theatre director There are studies of individual plays in which Strindberg's theatre is related both to naturalism and the theatre of the absurd and of the role played by his life long interest in historical drama Other essays range from studies of the problems posed by Strindberg's preoccupation with converting his own life into literature to a consideration of the importance he placed on letter writing as a model for writing of all kinds His letters are also used to explore his ideas about the theatre A recurring concern is with the period of turmoil known as the Inferno Crisis in which Strindberg refashioned himself as a writer Robinson examines the importance of Strindberg's painting for his renewal as a writer and situates the achievement of his later works in relation to Symbolism and to Musical Expressionism DOI 10.5334/bac **An**

International Annotated Bibliography of Strindberg Studies 1870-2005: General studies Michael Robinson, 2008 This copiously annotated bibliography documents and examines the whole range of commentary on Strindberg's works and activity in many fields besides the plays for which he is internationally best known These include his prose fiction and poetry his work as an historian and natural historian and his relationship to the other arts most notably his painting It is concerned with both lasting works of literary and dramatic criticism as well as reviews of his books and plays in the theatre and some more ephemeral material all of this in several languages Organised generically and by subject and individual work the bibliography enables the reader to trace the changing impact of Strindberg and his works in various countries and during different periods It is thus very much a study in reception as well as a bibliographical record of published material It traces the developing image of Strindberg and his writing both during his lifetime and in subsequent years and with frequent cross

reference offers a comprehensive overview of a literary and existential project that has rarely been matched for its multifaceted diversity The bibliography is published in three parts Volume 2 The Plays 978 0 947623 82 1 and Volume 3 Prose Poetry Miscellaneous 978 0 947623 83 8 are also now available Michael Robinson is Emeritus Professor of Drama and Scandinavian Studies at the University of East Anglia Norwich
