## **Studies In First Corinthians:**

1 Corinthians N.T. Wright, 2011-08-30 With a scholar's mind and a pastor's heart Tom Wright walks you through 1 Corinthians in this guide designed especially with everyday readers in mind Perfect for group use or daily personal reflection this study uses the popular inductive method combined with Wright's thoughtful insights to bring contemporary application of Scripture to life

**Dynamic Studies in First Corinthians** Fred A. Scheeren, 2025-02-18 The apostle Paul was on an 18 month tour of part of the ancient Greek Empire He went to Philippi Thessalonica Berea Athens and finally to Corinth Along the way he was met by fanatical Jews and finally ended up in Corinth At the time he seemed to have met with limited success but as the letters to the believers in the fellowships he founded show us the results of his efforts bore much fruit in the grand scheme of things Indeed his efforts and writings resulted in several books of the New Testament In this volume we examine in detail part of what he recorded and we know as First Corinthians Herein we find lessons for much of life today extracted from the very Word of God Gordon Haresign internationally known author professor speaker and Chairman of the Board of Directors of Scripture Union speaking about the Dynamic Bible Studies series produced by Scheeren has said These are among the finest if not the finest inductive Bible studies available today I strongly endorse them This sentiment was echoed by Dr Dilo Paul a materials scientist who said I love these studies as they guide me through finding the answers to questions that arise during Bible study from the Bible itself Dr Richard Freeman Vice President of Chosen People Ministries said I have found Fred Scheeren's Bible study material to be quite thorough as well as extremely insightful I have used it as a resource myself in preparing Bible studies for group study and for my own personal study of the Bible I recommend it highly to others Steve White Ph D author and International Director of 21C International said Fred hits a great blend of commentary historical context and practical application The study questions are clear thought provoking and relevant I could easily recommend this for either individual or group study Robert T Mason former executive at an international firm and in his second career as a pastor said Fred has done it again He has a great way of opening up and explaining the Word of God

*Life-study of First Corinthians* Witness Lee, 2023-09-26 In the book of 1 Corinthians Paul addresses 11 difficult problems in two categories In the Life study of 1 Corinthians Witness Lee helps us see that Christ is the unique factor to solve the first six problems and that the church is the unique factor to solve the final five problems Christ as God's center and the One given to us as our unique portion is the unique factor for solving all the problems in the realm of human life The church is the element for settling all the problems in the realm of the divine administration By living Christ the believers are not only saved from all the problems in human life but are also brought into a right relationship with the Body of Christ under the headship of Christ to carry out God's administration

**First Corinthians - Women's Bible Study Participant Book** Melissa Spoelstra, 2016-08-02 Relationships are messy We're all different and imperfect and we can struggle to get along especially with those who disagree with us Often we find ourselves divided even as Christians How can we work out our differences and

disagreements with humility and grace always showing the love of Christ while still remaining true to what we believe The Apostle Paul wrote to the Christians living in Corinth about this very thing The cultural backdrop of Corinth was even more overtly sinful than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul s first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We ll discover that the answer is living and sharing the radical love of Jesus Christ and we ll unpack what this means and how we can live it out day by day The Participant Book includes five days of lessons for each week combining study of Scripture with personal reflection application and prayer Other components for the Bible study available separately include a Leader Guide DVD with six 25 30 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components

**Studies in First Corinthians** Millard J. Berquist,1960 , First Corinthians PHEME PERKINS,2012-04 The Paideia series offers critically acclaimed commentaries from today s top scholars Perkins exposes theological meaning in First Corinthians by tracing its use of rhetorical strategies

First Corinthians Bruce N. Fisk, 2000-04-01 In First Corinthians Paul writes to a troubled church at Corinth urging its members to live a life distinct from the ways of others governed by the law of love and affirming of the tenets of the faith His direct responses to their shortcomings provide us a window into daily church life in the first century But this letter also paints a vivid picture of what any church can become by the grace of God

Interpretation Bible Studies IBS offers solid biblical content in a creative study format Forged in the tradition of the celebrated Interpretation commentary series IBS makes the same depth of biblical insight available in a dynamic flexible and user friendly resource Designed for adults and older youth Interpretation Bible Studies can be used in small groups in church school classes in large group presentations or in personal study

First Corinthians Raymond F. Collins, 2006 One of the most exciting of Paul s letters First Corinthians offers a vantage point from which modern readers can reflect on the diversity in Christian Churches today In First Corinthians Raymond Collins explores that vantage point as well as the challenge Paul posed to the people of his time and continues to pose in ours to allow the gospel message to engage them in their daily lives Paul introduces us to a flesh and blood community whose humanness was all too apparent Sex death and money were among the issues they had to face Social conflicts and tension within their Christian community were part of their daily lives Paul uses all of his diplomacy rhetorical skill and authority to exhort the Corinthian community to be as one in Christ In examining Paul s message and method Collins approaches First Corinthians as a Hellenistic letter written to people dealing with real issues in the Hellenistic world He cites existing Hellenistic letters to show that Paul was truly a letter writer of his own times Collins makes frequent references to the writings of the philosophic moralists to help clarify the way in which Paul spoke to his beloved Corinthians He also comments on some aspects of the social circumstances that shaped the Christians of Corinth

Raymond Collins PhD is a priest of the Diocese of Providence and is the dean of the School of Religious Studies at The Catholic University of America He is the author of John and His Witness and Divorce in the New Testament published by Liturgical Press

**The First Letter of Paul to the Corinthians** William Flewelling, 2017-10-24 The Bible studies I chose to do came about in answer to the request from my first congregation out of seminary I consistently sought to present a

serious somewhat scholarly approach to the interest among my parishioners I would take a book in the Bible to study assume it was written or edited to be read from the beginning and make sense to the reader in that format I attempted to discover for myself and my group what the book sought to convey In this volume the study of 1 Corinthians 198283 followed that pattern exactly

**1 Corinthians (Baker Exegetical Commentary on the New Testament)** David E. Garland,2003-11-01 Paul s first letter to the Corinthians is one of the most important epistles in the New Testament David Garland s thoughtful new commentary draws on extensive research and engages the best of contemporary scholarship while providing a readable study that will be accessible to thoughtful readers as well as students pastors and scholars After considering the context of the letter and the social and cultural setting of Corinth Garland turns to his exegetical work An introduction to each major unit of thought is followed by the author s own translation of the Greek text In the course of his verse by verse commentary he incorporates references to other ancient writings that help explain particular aspects of Paul s meaning or provide information on the social and cultural context He also refers to the work of other commentators and provides extensive notes for further reading and research

*1 Corinthians* Jay S. Thomas,2015-07-15 The Knowing the Bible series is a resource designed to help Bible readers better understand and apply God s Word These 12 week studies lead participants through books of the Bible and are made up of four basic components 1 Reflection questions help readers engage the text at a deeper level 2 Gospel Glimpses highlight the gospel of grace throughout each book 3 Whole Bible Connections show how any given passage connects to the Bible s overarching story of redemption culminating in Christ and 4 Theological Soundings identify how historic orthodox doctrines are taught or reinforced throughout Scripture With contributions from an array of influential pastors and church leaders these gospel centered studies will help Christians see and cherish the message of God s grace on each and every page of the Bible Paul s first letter to the Corinthian church contains one of the most quoted chapters in all of the Bible 1 Corinthians 13 In this accessible study pastor and author Jay Thomas helps readers see that this epistle is about more than love and marriage At the heart of 1 Corinthians is the reality that the good news of Jesus Christ saves changes and unites God s people

*1 Corinthians (Teach the Text Commentary Series)* Preben Vang,2014-04-15 The Teach the Text Commentary Series utilizes the best of biblical scholarship to provide the information a pastor needs to communicate the text effectively The carefully selected preaching units and focused commentary allow pastors to quickly grasp the big idea and key themes of each passage of Scripture Each unit of the commentary includes the big idea and key themes of the passage and sections dedicated to understanding teaching and illustrating the text In his commentary on 1 Corinthians Preben Vang shows how Paul s experience with the church in Corinth is so remarkably applicable to the church in a postmodern Western context expertly translating the issues of Paul s day into our contemporary situation

**First Corinthians - Women's Bible Study Leader Guide** Melissa Spoelstra,2016-08-02 Relationships are messy We re all different and imperfect and we can struggle to get along especially with those who disagree with us Often we find ourselves divided even as Christians How

can we work out our differences and disagreements with humility and grace always showing the love of Christ while still remaining true to what we believe The Apostle Paul wrote to the Christians living in Corinth about this very thing The cultural backdrop of Corinth was even more overtly sinful than our culture today yet Paul boldly encouraged the Corinthian Christians not to ridicule one another or outsiders but to work together to show the love of Christ In this six week study we will explore Paul s first letter to the Corinthians to learn how we as Christians are to deal with differences and divisions whether in the workplace neighborhood school home social media community or church We ll discover that the answer is living and sharing the radical love of Jesus Christ and we ll unpack what this means and how we can live it out day by day The Leader Guide to be used along with the study s workbook and DVD contains six session plan outlines complete with discussion points and questions activities prayers and more plus leader helps for facilitating a group Other components for the Bible study available separately include a Participant Workbook DVD with six 25 30 minute sessions and boxed Leader Kit an all inclusive box containing one copy of each of the Bible study s components

**1 Corinthians: A Social Identity Commentary** J. Brian Tucker, 2024-10-17 Paul s first letter to the Corinthians deals with key aspects of the formation of the Christian community at Corinth Paul uses his correspondence with the Corinthians to address issues of morality of community structure of ritual and of religious behaviour The letter is a key document for understanding the development of Christianity and for understanding Christianity in its earliest context In this Social Identity Commentary J Brian Tucker provides a comprehensive coverage of the issues and concerns related to 1 Corinthians from the perspective of social identity Tucker outlines his interpretation of the theoretical issues concerned and then applies this to provide a clear overview of historical and critical issues related to the study of 1 Corinthians This provides a clear engagement with the text that will serve as a useful resource for scholars students clergy and people interested in the formation and purpose of the letter

**Let's Study 1 Corinthians** David Jackman, 2004 A practical guide to a key New Testament book in which the Apostle Paul teaches how the gospel must shape the believer s life style and relationships both in the church and the community A welcome help to those facing unrelenting pressure from a godless environment and sin s continuing deceitfulness Corinth was a confident modern and self assured city proud of its image and thoroughly pagan It was a miracle of God s grace that the seed of the gospel had taken strong root in such potentially hostile soil But the young and tender plant was in grave danger of being choked by the suffocating pressures of a godless environment and the deceitfulness of sin still at work in the hearts of believers In the Apostle Paul s first letter to the Corinthians he teaches his readers how the gospel in which they have believed must now shape their life style within the church and the community What does it mean to be spiritual in a truly Christian sense Where do God s power and wisdom lie and how are they to be experienced What is the relationship of knowledge to behaviour of truth to love and of love to life

The World of 1 Corinthians Matthew R Malcolm, 2012-07-01 In The World of 1 Corinthians Matthew Malcolm aims to broaden our understanding of Paul s letter to the church in Corinth by

allowing us to see it in its wider context of Greek and Roman culture and literature The book follows the text of 1 Corinthians in a fresh translation with annotated citations and pictures throughout the text The book will be used to complement conventional commentaries Essential to the task of interpreting an ancient text is recognition of that text s historical origins This book aims to help those who are separated from Paul and his Corinthian audience by 2 000 years toward an increased appreciation of their world
