day last winter in a moment which I must confess to have been idle I took up Dr Alexander Whyte s Appreciation of Behmen
as following William Law he calls him There I found the following passage While we have nothing that can properly be called
a biography of Jacob Behmen we have ample amends made to us in those priceless morsels of autobiography that lie
scattered so plentifully up and down all his books And nothing could be more charming than just those incidental and
unstudied utterances of Behmen about himself About the Publisher Forgotten Books publishes hundreds of thousands of rare
