The Layman's Manual on Christian Apologetics Brian G. Chilton, 2019-11-14 Modern Christians have been bombarded by objections launched against the Christian faith from popular secular authors bloggers and stars from the entertainment industry The church is quickly beginning to acknowledge the need for apologetics due to the number of youth and adults alike leaving the faith But how does one respond to these objections For the laity of the church this is especially difficult as many are left without the proper training to know how to answer these objections In The Layman s Manual on Christian Apologetics the essentials of apologetics are taken from the ivory towers of academia and are made available to those who have not obtained seminary training or for those thinking about attending seminary In this book three major areas of apologetics are covered The first unit engages the nature of truth and what can be known The second unit deals with the existence of God and issues involving God s existence The last unit tackles historical objections to the resurrection of Jesus and early Christianity The Layman s Manual on Christian Apologetics delivers heavy apologetic issues with the laity in mind and blends in personal illustrations to make the material applicable

Fire & Flood Study Guide Lynnette Field, Dawn Morris, 2022-11-15 Two young women encounter God in pivotal historical moments one in the beginning at the time of the Great Flood and another at the end during the Great Tribulation and draw closer to Him as they watch prophecy unfold Fire Flood by Dawn Morris is a fictional historical and futuristic story that challenges readers to discuss and research the many biblical topics it addresses from interpreting biblical eschatology and prophecy and seeking peace in troubled times to finding salvation from sin and moving beyond the betrayal of false teachers to investing in community outreach and trusting God s sovereignty and purpose

Dawn Morris and Lynnette Field compiled Fire Flood Study Guide Digging for Truth in an Age of Deception to facilitate discussion within prayer groups and Bible studies for today's seekers or believers A perfect companion to Morris novel this guide shows readers how to sort fact from fiction how to find hope in God's promises and how to apply biblical principles to everyday life **Commonweal**, 1927 *DRS: An Intellectual Approach To Bible Study II* Dr. Shi-Brone (Jake) Jacobs, 2016-12-14 Dr Jacobs book provides a series of methods by which to objectively approach difficult Biblical topics Additionally it offers readers a perspective view held by many non Christians so that appropriate apologetic stances can be developed *TPT The Book of Genesis - Part 1* Brian Simmons, 2021-11-02 The book of Genesis shares the origin of all things including the cosmic order of the universe and the covenant relationship between God and his people It showcases God's redemptive heart toward the world a theme that can be traced throughout the rest of the Hebrew Scriptures This 12 lesson study guide on the first eleven chapters of Genesis provides a unique and welcoming opportunity to immerse yourself in God's precious Word as expressed in The Passion Translation Begin your journey with a thorough introduction that details the authorship of Genesis date of composition first recipients setting purpose central message and key themes Each lesson then walks you through a portion from the book and includes features such as notable verses historical and cultural background information definitions of words and language cross references to other books of the Bible maps and character portraits of figures from the Bible and church history Enrich your biblical understanding of the book of Genesis experience God's love for you and share his heart with others *Forging Unshakeable Faith* Lincoln Tom, 2003-04-21 How can you say God is faithful I asked Mindy For in one week she lost her mother boyfriend job and roommate Then among several other crises counseling revealed her stepfather had molested her as a young child Mindy's cumulative Holmes Rahe score for stress easily exceeded 100 Yet with peaceful hope in her voice she answered Because He is Everyone though perhaps less dramatically faces tragedies And Mindy through hers taught me that how one perseveres through them depends a great deal on one's perspective what one believes Mindy knew she wasn't alone because she understood that no matter what happened God was with her She knew it within her very core of being her faith was unshakeable Mindy didn't give a particular reason for her faith Apparently over time God had proven Himself in the small things Great faith doesn't necessarily come from one awe inspiring event but through a multitude of little lessons learned along the way However even though many find inspiration in the lives of others most also require objective evidence Indeed this type of evidence continues to grow with numerous discoveries regarding the Dead Sea Scrolls history astronomy and archeology among others Thus this book examines how this information can help forge the kind of faith Mindy has the unshakeable kind **The Lazy Approach to Evangelism** Eric Hernandez, 2023-07-17 Unfortunately the biblical command of apologetics in evangelism is often neglected and misunderstood within our churches today Some think it's optional others assume it's merely arguing with nonbelievers while others outright deny its pragmatic not to mention biblical application As a result the church has become a largely

irrelevant ignorable institution within the public sphere of ideas But this need not be the case Rather than learn new gospel presentations we must learn how to have gospel conversations Evangelism doesn't have to be intimidating or difficult but in a growing culture of doubt it must be effective That is the aim of this book To equip you with the tools necessary for initiating and navigating fruitful conversations with nonbelievers in a secular society This is the role of apologetics in evangelism This is an act of worship as disciples of Jesus This is spiritual warfare This is *The Lazy Approach to Evangelism* *Reader's Guide to Literature in English* Mark Hawkins-Dady, 2012-12-06 *Reader's Guide Literature in English* provides expert guidance to and critical analysis of the vast number of books available within the subject of English literature from Anglo Saxon times to the current American British and Commonwealth scene It is designed to help students teachers and librarians choose the most appropriate books for research and study *The Biblical World* John Barton, 2019-04-25 *The Biblical World* is a comprehensive guide to the contents historical settings and social context of the Bible It presents the fruits of years of specialist study in an accessible form and is essential reading for anyone who reads the Bible and would like to know more about how and why it came to be Written by an international collection of experts the volumes include a full overview of the full range of biblical material before going on to more detailed discussions of myth and prophecy to poetry and proverbs Explorations of the historical background are complemented by the findings of archaeology and the book explores language law administration social life and the arts as well Major figures of the Bible including Abraham Jesus and Paul are studied in detail as are the main religious concepts it contains such as salvation and purity Also including an examination of how the Bible is viewed today this monumental work will be an invaluable resource for students academics and clergy and for all to whom the Bible is important as a religious or cultural document **The Readers' Guide and Students' Review** Hampstead Public Libraries (London, England), 1908
