*An Introduction to Survey Research, Volume II* Ernest L. Cowles, Edward Nelson, 2019-03-20. Survey research is a powerful tool to help understand how and why individuals behave the way they do. Properly conducted surveys can provide accurate insights into areas such as attitudes, opinions, motivations, and values which serve as the drivers of individual behavior. This two-volume book is intended to introduce fundamentals of good survey research to students and practitioners of the survey process as well as end users of survey information. This second volume focuses on carrying out a survey including how to formulate survey questions, steps that researchers must use when conducting the survey, and impacts of rapidly changing technology on survey design and execution. The authors conclude with an important but often neglected aspect of surveys: the presentation of results in different formats appropriate to different audiences.

**The American System of Criminal Justice** George F. Cole, Christopher E. Smith, 2004. This classic best seller commonly referred to as *The Eagle* encourages students to become better citizens, to determine what Justice means in our society, and what role individuals play. This text examines criminal justice as an interdisciplinary endeavor, sharing elements from criminology, sociology, law, history, psychology, and political science. It challenges students to balance the mechanics and system of criminal justice with the human side of the story. Cole and Smith present an exciting and relevant introduction to the field of criminal justice. The text combines solid research and intellectual rigor in an approachable manner with detailed attention to current and compelling events to help students appreciate the many aspects of the discipline and how they can participate in the system as citizens of the United States.

**Controversies in Criminal Justice Research** Richard Tewksbury, Elizabeth Ehrhardt Mustaine, 2014-09-25. This book of original essays presents students with challenging looks at some of the most basic and sometimes most difficult decisions faced by criminal justice researchers. Each chapter presents an overview of a foundational question or issue in the conduct of research and discussions of the options to resolve these controversies.
