Finding Jesus in His Prayers Dr. H. Stephen Shoemaker, 2011-07-01 In this brief but substantive examination of the prayers Jesus prayed Stephen Shoemaker offers helpful applications of Jesus prayers as both a way to better understand Jesus and as a way to use his prayers as a model for our own prayer lives The book addresses our twin hungers for spirituality and for a deeper grasp of who Jesus was The author takes seriously the way Jesus prayed and how his prayers open a window to our own experience of God Included are discussions of the Lord's Prayer Matt 6 9 13 the Prayer of Thanksgiving amid Life's Reversals Matt 11 25 26 the Gethsemane Prayer Mark 14 36 the Prayers from the Cross Luke 23 34 Matt 27 46 Luke 23 46 and prayers from John's Gospel 11 41 42 12 27 17 11 The author stays close to the text of the prayers sometimes including his own translations but explores their meaning in our lives He uses Abba rather than the English translation Father in order to bring the reader closer to Jesus as he spoke the words of each prayer A study guide is included to assist leaders in using the book with small groups Jesus prayers are a challenge and a scandal to the ways our culture wants to pray His spirituality found in his prayers is a profound guide to the soul and a remedy to a culture in search of a soul H Stephen Shoemaker

SCM Studyguide: Church Leadership Jon Coutts, 2019-04-30 It is increasingly being acknowledged that current generation of church leaders are inundated with well intentioned but nonetheless economically defined leadership measures and strategies which threaten to corrupt the basic thrust of ministry and pervert the common life known as church Reflecting theologically on the nature of leadership at the same time as considering the reality of its practicalities this Study Guide seeks to call it back to theological essentials locate it in the unique context of the Church and then re address modern pressures and needs from within a decidedly Christian framework Resisting the urge to

instruct with a more polemical voice the SCM Studyguide to Church Leadership will encourage ordinands and trainee church leaders to reassess modern pressures and priorities and to re orient creatively around the callings giftings and approaches that are suitable to Christ and particular to the Church

The Interior Castle: Study Edition St Teresa of Avila, 2020-11-27 The Interior Castle is considered St Teresa of Avila s masterpiece She wrote this last work in just a few months in 1577 five years before her death At this point in her life she had been granted the highest mystical graces this book is the fruit of her lived experience and a deep felt praise of God for it More than a book The Interior Castle is a powerful image of the mystery of the human person It is in a very real sense Teresa s soul Using the image of a castle Teresa describes the soul s progressive inner journey through seven dwelling places until finally reaching the center where now transformed it is united with God Reading the works of Teresa herself is indispensable This second revised study edition has been completely redesigned as a springboard to reading and understanding Teresa s text The book presents a chapter of The Interior Castle itself followed by a review of the development of her thought and the principal ideas in each chapter Interpretive notes after each chapter cover doctrine history and sociology Expanded questions for reflection and or discussion conclude each chapter A glossary of terms offers definitions as well as their specific and sometimes unique meaning in Teresa s writings Comprehensive indexes of key themes and figures castle imagery and biblical references make this volume an indispensable reference resource Then because Teresa always wanted her writings to be in harmony with Scripture the study edition offers a biblical index that lists by page number scriptural texts or allusions to them found in Teresa s writings With its combination of Teresa s text and modern commentary and notes The Interior Castle Study Edition demonstrates how contemporary church teachings are reflected in Teresa s basic concepts and principles of the spiritual life and how modern readers can apply these perennially rich teachings to our lives today
