What is it about Freemasonry that would cause Churches to forbid or openly discourage seventy million Americans from membership Why have eight popes condemned the Lodge This book which was first published in 1958 and the first full length treatment of this subject by an American Catholic in 50 years was written by William J Whelan to explain why the Church has warned her sons against affiliating with the Masonic lodge since 1738 **Bulletin of the Brooklyn Public Library** Brooklyn Public Library,1908 **Quarterly Bulletin of the Brooklyn Public Library** ,1908 **Brooklyn Public Library News Bulletin** Brooklyn Public Library,1908 The Origin, History & Purport of Freemasonry (Annotated Edition) John Fellows,2013-10-17 The intention of this work is to endeavor to unravel the intricate web in which the mystery of freemasonry is involved by tracing the order back to its source and by showing its intimate connection and similitude to institutions more ancient put it beyond a doubt that it sprang from and is a continuation of the rites and ceremonies observed in those establishments That the writer as a freemason is extremely liberal may be judged from his own reprobation of the oaths imposed upon members He considers a total abandonment of the oaths at the present day requisite He says that the mysteries from which the institution was derived created and that the custom of the times when it was established sanctioned the most horrible oaths The argument used that these oaths are no longer necessary is we think effectual against the existence of Masonry itself **The Secret Tradition In Freemasonry, Volume 1** Arthur Edward Waite,2013 This is volume one of one of the most interesting and profound historical works about Freemasonry It is a very rare book and published as ebook exclusively As a bonus this edition includes a very detailed essay about Freemasonry and its origins written by Hermann Gruber Contents Prolegomena Preface Introduction Book I Fundamental Relations Of The Craft And The High Grades I The Horizon Of The Craft Grades And The Tradition Therein Ii The Mystery Of Building In Israel Iii The Experiment Of The High Grades And The Claims Implied Therein Iv The Chief Rites And Their Systems Book Ii Development Of The High Grade In Respect Of The Ancient Alliance I Of Grades Antecedent To The Symbolic Time Of The Third Degree Ii Of Grades Subsequent To The Symbolic Time Of The Craft Degrees Iii The Second House Of Doctrine And The Grades Belonging Thereto Book Iii Of The New Alliance In Freemasonry I Of Christian Symbolism In Connection With Temple Building Ii The Grades Of St Andrew Iii The Grade Of Rose Croix And Its Variations Book Iv The Masonic Orders Of Chivalry I The Putative Rite Of Ramsay Ii The Theory Of The Strict Observance Iii Grades Of Chivalry Incorporated By The Chapter Of Clermont Iv The Council Of Emperors Of The East And West And Of The Grades Of Chivalry In This System V The Masonic Order Of The Temple Vi The Charter Of Larmenius Vii The Knights Beneficent Of The Holy City Of Jerusalem Viii Additional Grades Of Chivalry In The Ancient And Accepted Scottish Rite Ix Lesser And Independent Grades X The Royal Order Of

 Malone,2023-08-17 Of the supporters of the modern nation of Israel Christian Zionism seems to have contributed little more
 than moral support Perhaps some financial support However there were supporters of the national effort unknown to the
 general public who wielded significant power often flying under the cover of Christian Zionism Who were they What was
 their interest In order to identify them we view modern history through the lens of Biblical prophecy Mystery Babylon a
 global false religious system of the end times seems to be a form of Gnosticism In this book we begin to develop the idea that
 the nation was founded with religious designs and not particularly Jewish designs although there is a correspondence
 between the Gnosticism of Freemasonry and Judaic Gnosticism The Plot Against the Church Maurice Pinay,2016-06-03
 This book The Plot Against the Church was published prior to the beginning of the Second Vatican Council as a warning of
 what the dark powers had in store for the Church The high ranking clerics writing as Maurice Pinay stated that the ultimate
 purpose of the Council was to remove the crime of Deicide from the Jews and assign it instead to the Romans It is a scholarly
 work worthy of consideration of all who would understand Christian history and Christian defense against forces seeking to
 destroy the Church and Faith While written in 1962 Rabbi Louis Israel Newman wrote much the same from the Jewish side in
 his 1925 work Jewish Influence in Christian Reform Movements which is quoted extensively in The Plot
