Compassion and the Characterization of the Markan Jesus Jonathan Bryant, 2024-07-15 Why does the Gospel of Mark make specific and repeated reference to the compassion of

Jesus in the miracle stories This volume discusses the function that compassion has in the Markan characterization of Jesus particularly in how the terminology employed depicts Jesus as entering the suffering of others In doing so it underscores how this portrayal is exceptional among the stories of miracle workers in ancient Greco Roman and Jewish literature In Mark this compassion toward the suffering other is a central feature of the kingdom of God an attribute the Markan audience is challenged to emulate

Dictionary of Jesus and the Gospels (2nd edn) J B GREEN, J BROWN, N PERRIN, 2020-05-21 The Dictionary of Jesus and the Gospels is unique among reference books on the Bible the first volume of its kind since James Hastings published his Dictionary of Christ and the Gospels in 1909 In the more than eight decades since Hastings our understanding of Jesus the Evangelists and their world has grown remarkably New interpretive methods illumined the text

the ever changing profile of modern culture has put new questions to the Gospels and our understanding of the Judaism of Jesus's day has advanced in ways that could not have been predicted in Hastings's day. But for many readers of the Gospels the new outlook on the Gospels remains hidden within technical journals and academic monographs. The Dictionary of Jesus and the Gospels bridges the gap between scholars and those pastors, teachers, students and lay people desiring in depth treatment of select topics in an accessible and summary format. The topics range from cross sectional themes such as faith, law, Sabbath to methods of interpretation such as form criticism, redaction criticism, sociological approaches from key events such as the birth, temptation and death of Jesus to each of the four Gospels as a whole. Some articles such as the Dead Sea Scrolls, rabbinic traditions and revolutionary movements at the time of Jesus provide significant background information to the Gospels. Others reflect recent and less familiar issues in Jesus and Gospel studies such as divine man, ancient rhetoric and the chreiai. Contemporary concerns of general interest are discussed in articles covering such topics as healing the demonic and the historical reliability of the Gospels. And for those entrusted with communicating the message of the Gospels there is an extensive article on preaching from the Gospels. The Dictionary of Jesus and the Gospels presents the fruit of evangelical New Testament scholarship at the end of the twentieth century committed to the authority of Scripture, utilising the best of critical methods and maintaining dialog with contemporary scholarship and challenges facing the church.

Matthew 1-13, Volume 33A Donald A. Hagner, 2018-04-24 The Word Biblical Commentary delivers the best in biblical scholarship from the leading scholars of our day who share a commitment to Scripture as divine revelation. This series emphasizes a thorough analysis of textual, linguistic, structural and theological evidence. The result is judicious and balanced insight into the meanings of the text in the framework of biblical theology. These widely acclaimed commentaries serve as exceptional resources for the professional theologian and instructor, the seminary or university student, the working minister and everyone concerned with building theological understanding from a solid base of biblical scholarship.

Overview of Commentary Organization Introduction covers issues pertaining to the whole book including context, date, authorship, composition, interpretive issues, purpose and theology. Each section of the commentary includes Pericope Bibliography, a helpful resource containing the most important works that pertain to each particular pericope. Translation: the author's own translation of the biblical text reflecting the end result of exegesis and attending to Hebrew and Greek idiomatic usage of words, phrases and tenses yet in reasonably good English. Notes: the author's notes to the translation that address any textual variants, grammatical forms, syntactical constructions, basic meanings of words and problems of translation. Form/Structure: Setting a discussion of redaction, genre, sources and tradition as they concern the origin of the pericope, its canonical form and its relation to the biblical and extra-biblical contexts in order to illuminate the structure and character of the pericope. Rhetorical or compositional features important to understanding the passage are also introduced here. Comment: verse by verse interpretation of the text and dialogue with other interpreters, engaging with current opinion and scholarly research.

Explanation brings together all the results of the discussion in previous sections to expose the meaning and intention of the text at several levels 1 within the context of the book itself 2 its meaning in the OT or NT 3 its place in the entire canon 4 theological relevance to broader OT or NT issues General Bibliography occurring at the end of each volume this extensive bibliography contains all sources used anywhere in the commentary Qualitative Research & Evaluation Methods Michael Quinn Patton, 2023-02-07 Drawing on more than 40 years of experience conducting applied social science research and program evaluation author Michael Quinn Patton has crafted the most comprehensive and systematic book on qualitative research and evaluation methods inquiry frameworks and analysis options available today Now offering more balance between applied research and evaluation this Fourth Edition illuminates all aspects of qualitative inquiry through new examples stories and cartoons more than a hundred new summarizing and synthesizing exhibits and a wide range of new highlight sections sidebars that elaborate on important and emergent issues For the first time full case studies are included to illustrate extended research and evaluation examples In addition each chapter features an extended rumination written in a voice and style more emphatic and engaging than traditional textbook style about a core issue of persistent debate and controversy **Handbook of Research Methods for Studying Identity In and Around Organizations** Ingo

Winkler, Stefanie Reissner, Rosalía Cascón-Pereira, 2023-07-01 This practical yet cutting edge Handbook includes both established and innovative methods for studying identity in management organisations and cognate fields Incorporating a breadth of narrative visual ethnographic and embodied methods as well as ways for analysing naturally occurring data this Handbook offers exciting new interdisciplinary perspectives on the study of identity in and around organisations

Handbook of the Arts in Qualitative Research, 2022 **An Introduction to the New Testament** DAVID A DESILVA, 2020-05-21 Professor deSilva's outstanding textbook sets a new standard for the genre The usual topics of New Testament introduction are integrated with instruction in interpretative strategies and application to ministry formation The attractive layout includes numerous maps photographs and text boxes
