A Practical Guide to Assessing English Language Learners Christine Anne Coombe, Keith S. Folse, Nancy J. Hubley, 2007 For many teachers of English language learners the field of assessment is foreign territory Assessment has its own culture traditions and terminology This training guide is intended to help classroom teachers become more comfortable creating and using assessments A Practical Guide to Assessing English Language Learners provides helpful insights into the practice and terminology of assessment The text focuses on providing the cornerstones of good assessments usefulness validity reliability practicality washback authenticity transparency and security and techniques for testing It devotes a chapter to the assessment of each of the four main skill areas reading writing listening and speaking and also covers placement testing such as using TOEFL and MELAB diagnostic testing evaluation and instructional decision making with regard to testing Tips to improve students test taking strategies are offered and each chapter ends with a helpful list of Ten Things to Remember as well as informative case studies featuring two teachers and their assessment decisions Incorporating its own principles A Practical Guide to Assessing English Language Learners opens with a short quiz for the reader called Are You Testwise that quickly determines how each teacher will benefit from this indispensable guide *Dyslexia and Learning Style* Tilly Mortimore, 2008-04-30 The first section of this research based but practical book has been updated to examine the most recent research in two key areas dyslexia and the dyslexic experience and the major cognitive and learning styles In the light of increased controversy around the use of learning style theory in the educational arena suggestions are made as to ways in which these theories can be utilized to inform teaching and learning and maximize success for vulnerable learners The second section provides a range of ways in which to enable learners to understand and utilize their individual styles along with techniques to help students to absorb process and create responses to information across the curriculum practical strategies to help teachers to adapt material to suit differing ways of learning and activities to help students to become more flexible and successful in their approach *Using Student-centered Methods with Teacher-centered Students* Marilyn Lewis, Hayo Reinders, 2008 This book has a clear message for classroom teachers student learning improves when teachers introduce their students to strategies for learning as well as teaching them specific language skills In practice

however many of the students themselves are more teacher centered finding it easier and preferable to depend on their teachers rather than to take on greater responsibility for their own learning especially if their educational and cultural backgrounds have not prepared them for this new role Using Student Centered Methods with Teacher Centered Students is packed with suggestions for bringing about a successful match between teachers preferred ways of teaching and learners preferred ways of learning while gradually encouraging increased learner autonomy The original edition of this book has been widely used by English language teachers worldwide This new edition offers many fresh ideas particularly in the area of technology in language learning and teaching

From Uncertainty to Confidence and Trust Jessica Dheskali, Marina Ivanova, Josef Schmied, 2022-06-27 This publication originated from the idea that uncertainty should not be taken as fear of the unknown that should be avoided but as a natural starting point for scientific and journalistic writing Risk awareness is seen as a necessary prerequisite for gaining confidence and evoking trust Moving from uncertainty to confidence and trust is also an integral part of international academic collaboration as the discussions of the partners from Germany Chemnitz Macedonia Skopje Ohrid Bitola Albania Vlora Serbia Ni Vr ac Croatia Split and Bosnia and Herzegovina Banja Luka have shown throughout this and previous years The project funded by DAAD aimed to bridge the diverse cultural academic and media contexts in Southeast Europe and to show that uncertainty can and should be taken as an opportunity This was achieved through discussions and research projects in the course of an online workshop and summer school and this publication
