Sugar A Hawaiian Novel:

Story of Sugar in Hawaii Hawaiian Sugar Planters' Association, 1926 *Sugar Islands* William H. Dorrance, 2000 **The Hawaii Novels** Alan Brennert, 2015-12-15 Alan Brennert's novels set in Hawaii are spellbinding. A master of historical fiction, San Francisco Chronicle, Brennert's storytelling is brimming with warmth, humor, compassion, and vividly realized characters. Molokai Rachel Kalama, a spirited seven-year-old Hawaiian girl, dreams of visiting far-off land like her father, a merchant seaman. Then one day a rose-colored mark appears on her skin, and those dreams are stolen from her. Taken from her home and family, Rachel is sent to Kalaupapa, the quarantined leprosy settlement on the island of Molokai. Here her life is supposed to end, but instead she discovers it is just beginning. Honolulu Traveling to Hawaii as a picture bride in 1914, Regret finds not the affluent young husband and chance at education she'd been promised, but a poor, embittered laborer who takes his frustrations out on his new wife. As she makes her own way in this strange land with the help of three fellow picture brides, she prospers along with her adopted city. But paradise has its dark side, whether it's the struggle for survival in Honolulu's tenements or a crime that will become the most infamous in the island's history. *Explorer's Guide Kauai: A Great Destination* Michele Bigley, 2008-12-01 Explorer's Great Destinations puts the guide back into guidebook. Utilizing this complete guide will feel like you are getting a tour around the island from an old friend. Author Michele Bigley urges travelers to understand the impact of their footprint on this sacred and beautiful land. As with all Explorer's Great Destinations, the author provides unbiased critical opinions and candid reviews about lodging, food, attractions, culture, and recreation. With up-to-date maps and photos throughout, this is an invaluable guide for your next trip. **Hollywood Movie Novels**, 1919 *Books in Series, 1876-1949: Series*, 1982 *Facts about Sugar*, 1917 *Biennial Report*, 1882 **And the View from the Shore** Stephen H. Sumida, 2013-05-01 This groundbreaking study of a little-explored branch of American literature both chronicles and reinterprets the variety of patterns found within Hawaii's pastoral and heroic literary traditions and is unprecedented in its scope and theme. As a literary history, it covers two centuries of Hawaii's culture since the arrival of Captain James Cook in 1778. Its approach is multicultural, representing the spectrum of native Hawaiian, colonial, tourist, and polyethnic local literatures. Explicit historical, social, political, and linguistic context of Hawaii, as well as literary theory, inform Stephen Sumida's analyses and explications of texts which in turn reinterpret the nonfictional contexts themselves. These texts include poems, song lyrics, novels, and short fiction, drama, and oral traditions that epitomize cultural milieus and sensibilities. Hawaii's rich literary tradition begins with ancient Polynesian chant and encompasses the compelling novels of O. A. Bushnell, Shelley Ota, Kazuo Miyamoto, Milton Marayama, and John Dominis. Holt's stories of Patsy Saiki and Darrell Lum, the dramas of Aldyth Morris, the poetry of Cathy Song, Erick Chock, Jody Manabe, Wing Tek Lum, and others of the contemporary Bamboo Ridge group, Hawaiian songs and poetry, or mele, and works written by visitors from outside the islands, such as the journals of Captain Cook and the prose fiction of Herman Melville, James Fenimore Cooper.

Mark Twain and James Michener Sumida discusses the renewed enthusiasm for native Hawaiian culture and the controversies over Hawaii's vernacular pidgins and creoles His achievement in developing a functional and accessible critical and intellectual framework for analyzing this diverse material is remarkable and his engaging and perceptive analysis of these works invites the reader to explore further in the literature itself and to reconsider the present and future direction of Hawaii's writers

Barack Obama, The Aloha Zen President Michael Haas,2011-01-19 With a foreword written by former presidential candidate Michael Dukakis this book portrays President Barack Obama as a true child of Hawai i and explains why he believes that America can achieve even more greatness by learning from the multicultural customs of the 50th state Obama s aspiration to transform the United States using Hawai i as his model has been a conspicuous theme in his books and speeches over the years In them he extols Hawai i s multicultural ethos describing how a normative problem solving mindset predicated on mutual respect and harmonious interchange is inculcated in the culture politics and society of the Islands Indeed this Aloha Spirit is imbued in Barack Obama is part of what made him irresistibly charismatic as a candidate and explains why voters in 2010 were baffled at his demeanor after he became the 44th President of the United States This unique book examines Obama s decisions as an adult and as president and exposes how they are directly linked to the culture of Hawai i and Obama s multicultural life as a child The author and contributors also describe the ways in which native Hawaiians were dispossessed of their sovereignty and their land how they steadfastly sought justice and how their quest served as a model for Obama s mobilization of support for his candidacy Book News ,1900 **The Book Club Cookbook, Revised Edition** Judy Gelman,Vicki Levy Krupp,2012-03-01 Part cookbook part celebration of the written word The Book Club Cookbook illustrates how books and ideas can bring people together Publishers Weekly We are what we eat they say We can eat what we read too The Book Club Cookbook by Judy Gelman and Vicki Levy Krupp Tarcher Penguin 21 95 first published in 2004 and now newly updated and revised offers up dozens of new recipes inspired by book clubs favorite books their characters and authors USA Today It s pretty much a no brainer why we love something like The Book Club Cookbook it combines two of our all time favorite things food and books Even better the recipes in the book let us get a fuller experience of our favorite novels by thinking up recipes either inspired by the story or literally contributed by the author as essential to the book Flavorwire The Book Club Cookbook excels at offering book groups new title ideas and a culinary way to spice up their discussions Library Journal Whether it s Roman Punch for The Age of Innocence or Sabzi Challow spinach and rice with Lamb for The Kite Runner or Swedish Meatballs and Glogg for The Girl with the Dragon Tattoo nothing spices up a
