Suitable Amount Of Crime:

A Suitable Amount of Crime Nils Christie, 2004-07-31 Crime and punishment are social and cultural manifestations they are closely bound up with people's perceptions of morality norms and values In this book Nils Christie argues that crime is a fluid and shallow concept acts that could be construed as criminal are unlimited and crime is therefore in endless supply It should not be forgotten that there are alternatives both in the definition of crime and in responses to it *A Suitable Amount of Crime* looks at the great variations between countries over what are considered unwanted acts how many are constructed as criminal and how many are punished It explains the differences between eastern and western Europe between the USA and the rest of the world The author laments the size of prison populations in countries with large penal sectors and asks whether the international community has a moral obligation to shame states that are punitive in the extreme The book is written in an engaging and easily accessible style that will appeal to anyone interested in understanding contemporary problems of crime and punishment

A Suitable Amount of Crime Nils Christie, 2004 *A Suitable Amount of Crime* looks at the great variations between countries over what are considered unwanted acts how many are constructed as criminal and how many are punished

Creating Criminals Vivien Stern, 2013-07-18 Market society is producing more crime around the world More acts are being defined as crimes Ever increasing numbers of people are classified as criminals and more are being locked up in prison With globalization the crime and punishment problem is no longer insulated from pressures beyond national borders The rich may retreat behind their expensive security into gated communities but the poor are more and more at the mercy of criminals and corrupt policing Yet Vivien Stern argues the trends towards more criminalization and more imprisonment are not making for more effective crime control or safer communities This important book demonstrates that the prospects for the future are serious unless NGOs and reformers join in a new movement for reform that gives more control of justice policy back to communities and neighbourhoods Class, Race, Gender, and Crime Paul Leighton, Gregg Barak, Allison Cotton, Carrie L. Buist, K. Sebastian León, 2024-10-14 Inequality and injustice have long been part of the structure of our society including law crime and the criminal justice system Class Race Gender and Crime sixth edition explores the continuing impact of class race gender sexuality and their intersections and how the justice system can recreate those oppressions Broken into three parts the book opens with an overview of the criminal justice industrial complex and introspection about the biases in criminology Part II Inequality and Privilege contains chapters to provide a foundation for understanding class race gender and sexuality and intersectionality Part III The Administration of Law and Criminal Justice covers criminal law policing prosecution and courts and punishment with headings in each chapter for class race gender and sexuality and intersectionality to provide systematic coverage The text also highlights how immigration crimmigration child

welfare healthcare and other systems are intertwined with criminal justice in the lives of different minority populations Real world examples of how class race and gender and sexuality unfold in sentencing and punishment bring theory to life while chapter opening vignettes illustrate key issues and discussion questions encourage critical thinking New to This Edition New and expanded coverage of immigration enforcement highlights its connection to criminal justice and its importance for understanding social control in our society Chapter 1 Chapter 4 Chapter 8 Chapter 9 Entirely revised Chapter 5 Understanding Gender Sexuality and Male Heterosexual Privilege offers modern and comprehensive understandings of gender and sexuality including queer theory and queer criminology that carries through later chapters Expanded Chapter 8 Law Enforcement and expanded Chapter 9 Prosecution Plea Bargains and Deportation offer new explorations such as policing of abortions and miscarriage and immigration courts respectively New conclusion discusses prison abolition so readers can understand the debate and think for themselves about how deep the need for reform goes

Racial Criminalization of Migrants in the 21st Century Salvatore Palidda, 2016-05-23 Over the last two decades in the West there has been a significant increase in the arrest imprisonment and detention of migrants The racial criminalization and victimization of migrants and Roma people has led judicial authorities local governments the police mass media and the general population to perceive migrants and gypsies as responsible for a wide range of offences Taking into consideration the political and cultural conditions that affect and interconnect societies of emigration and immigration

the contributors examine and compare a range of cases in Europe and the United States The contributions demonstrate how the persecution of the current enemy is the total political fact of the 21st century in that it ensures consensus and business or what might be termed the crime deal of today This provocative book has international appeal and will be a valuable resource for academics researchers and policymakers with an interest in migration and social and ethnic control Whose Criminal Justice? Katherine Doolin, 2011 The overarching theme of this book is the balance between the role of a central government in creating and shaping the regulatory framework of criminal justice and the potential for communities at a local level to become more involved in responding to crime and anti social behavior in their midst These twin dynamics are explored in the two main sections of the book Through a series of UK case studies in Part I The Regulatory State the book examines how the central state has sought to address the risks and problems associated with crime and anti social behavior in modern times The case studies consider the new context for law and order which arose during the period and ask how and why new sanctions were put in place to regulate particular kinds of behavior They also highlight some of the unintended consequences notably the criminalization of more people In Part II Empowered Communities as Stakeholders in Criminal Justice the book explores the potential for local communities *Marxism and Criminological Theory* Mark Cowling, 2008-11-03 This volume looks at Marxist thought in criminology the work of Willem Bonger Georg Rusche and Otto Kirchheimer and assesses the role of Marxist analysis in areas such as Critical Criminology and Left Realism Arguing that Marxism is relevant in the post Soviet era it offers a toolkit of Marxist theories and how to use them
