Summer Liturgy A Verse Play

Library of Congress. Copyright Office

Summer Liturgy A Verse Play:

Summer Liturgy Jeremy Ingalls, 1985 A verse drama containing a play within a play in which an American teenager visiting Cornwall confronts a legend about the appearance there of the Christ Child and finds it relates to her own anger and rebellion

Catalog of Copyright Entries Library of Congress. Copyright Office, 1977

Worlds of Common Prayer Chene Heady, 2019-06-24 Worlds of Common Prayer explores book length poems based on the Anglican liturgical calendar written between 1827 and 1935 John Keble created a new type of English poetry when he wrote his poetic companion to the Book of Common Prayer The Christian Year 1827 which went on to become the single bestselling book of poetry in the English century Drawing off of recent scholarship on both secularization studies and nineteenth century conceptions of time Worlds of Common Prayer exposes the surprisingly radical potential of liturgical poetry The detective novelist and poet Dorothy L Sayers wrote of her desire to find a brick that could smash the order of clock time and discovered one in the liturgy For major authors as dissimilar as Christina Rossetti and T S Eliot the Anglican liturgical calendar served as a means of dismantling industrial capitalism s time clock and thereby of destabilizing the secular world order as a whole

The Play about the Antichrist (Ludus de Antichristo) Kyle A. Thomas, Carol Symes, 2023-07-24 The Play about the Antichrist Ludus de Antichristo was composed around 1160 at the imperial Bavarian abbey of Tegernsee at a critical point in the power struggle between the papacy and Emperor Frederick Barbarossa This new translation and commentary reveals this drama to be strikingly representative of the role that theatrical performance played in shaping contemporary politics diplomacy and public opinion It also shows how drama functioned as an integral component of the educational curricula of elite monastic institutions like Tegernsee where political administrators and diplomats were trained and how performance served as a common connective lingua franca among monasteries in twelfth century Bavaria In this new translation Carol Symes provides the first full and faithful rendering of the play s dynamic language maintaining the meter rhyme scheme and stage directions of the Latin original and restoring the liturgical elements embedded in the text Kyle A Thomas whose fully staged production tested the theatricality of this translation provides a new historical and dramaturgical analysis of the play s rich interpretive and performative possibilities

Paperbound Books in Print , 1992

Reading Texts for Performance and Performances as Texts Pamela M. King, 2020-11-22 This volume brings together nineteen important articles by Pamela M King one of the foremost British scholars working on Early English Drama Unique to this collection are five articles on the living traditions of performances in Spain discussing their origins and the modes of production that are used Several articles use modern literary theory on aspects of early drama whilst others consider drama in the context of late medieval poetry The volume also includes a rich collection of articles on English scriptural plays from surviving manuscripts
