The Canadian National Record for Swine ,1908 CM ,1994 **Movin on Up** Robert Gordon,Tom Burgoyne,2005
Movin On Up takes a fun ride through the then and now of a great city and its ball club The city and its team have cooked up a partnership as strong and as strange as scrapple and toast over the past 121 years Since 1883 the Phillies have been on the move at times slowly many times glacially and sometimes quickly Movin On Up layers the present on the past by revisiting the places the Fightin Phils once called their new home But Movin On Up is really about people past and present not only players but others who help and helped Philly move on up to the fabulous sports town we know today The journey rolls along humorous and poignant episodes old and new that have splashed Philly and its fan with the signature color that both fascinates and infuriates outsiders As this new millennium dashes toward the midpoint of its first decade Philly s Phillies have a new park a new team and a new attitude Well maybe the attitude isn t all that new as you ll read and ne **New York Magazine** ,1979-09-03 New York magazine was born in 1968 after a run as an insert of the New York Herald Tribune and quickly made a place for itself as the trusted resource for readers across the country With award winning writing and photography covering everything from politics and food to theater and fashion the magazine s consistent mission has been to reflect back to its audience the energy and excitement of the city itself while celebrating New York as both a place and an idea *The Beautiful Summer* Cesare Pavese,Raven Book (Traduttore),2025-02-28 The Beautiful Summer is a trilogy of short novels published in Turin in 1949 The Beautiful Summer was written in 1940 under the title La tenda The Devil in the Hills dates from 1948 and Among Women Only from 1949 The protagonist of the first novel is the very young Ginia who works in a fashion atelier and lives with her brother Severino She meets the more experienced Amelia who leads her through a kind of initiation ritual encouraging her to leave behind adolescent prejudices and modesty Amelia occasionally works as a model for painters and introduces Ginia to Rodriguez and Guido the latter serving in the military two artists with very different personalities Personal relationships intertwine Ginia falls in love with Guido while Amelia s ambiguous relationship with Rodriguez is complicated by her love for Ginia and her consequent jealousy toward Guido Eventually Ginia decides to pose nude for Guido but overwhelmed by shame distances herself from all three Later she reunites with Amelia who has in the meantime recovered from syphilis contracted with another woman and it seems that both have completed their journey toward maturity and a sense of responsibility The Devil in the Hills follows three university students Pieretto Oreste and the unnamed narrator who spend their nights wandering through the hills of Turin drinking and engaging in deep conversations

During one of these nocturnal excursions they meet Poli a wealthy young man who seems interested in their discussions though his privileged background prevents him from truly appreciating their spontaneity Poli drags along his barely tolerated lover Rosalba who betrayed and humiliated ends up shooting him wounding him and later takes her own life The three friends then decide to spend the summer in the countryside at Oreste s family home However during their stay they encounter Poli again this time accompanied by his beautiful wife Gabriella Oreste falls in love with Gabriella and she seems to reciprocate his feelings but when Poli weakened by tuberculosis has to return to Milan she ultimately chooses to stay with him The contrast between the simplicity and naturalness of rural life and the corruption boredom and decadence embodied by Poli and the enigmatic Gabriella seems to push the three friends toward a more mature awareness Among Women Only serves as an indictment of the wealthy bourgeoisie in the aftermath of the war Clelia a woman from Turin who has built a successful career in the fashion industry in Rome returns to her hometown to open a new boutique on Via Po This endeavor draws her into a world of corruption and vice represented through three women Rosetta Momina and Mariella each embodying different aspects of this decadent society and the clash of contrasting psychologies In this struggle cynicism and boredom prevail leading Rosetta to two suicide attempts the second of which is successful while Momina remains cynical and Mariella reacts with foolish indifference Clelia is powerless in the face of this tragedy and her despair makes her attempt to reconnect with the lost innocence of her childhood seem impossible This nostalgic longing forms the novel s central theme with the only positive moment emerging from her fleeting relationship with the working class Becuccio The other male characters are deliberately insignificant serving only to emphasize the pettiness and decay of the world of villas and high society gatherings The novel Among Women Only was later adapted into Michelangelo Antonioni s 1955 film *Le amiche* The Girlfriends

Send Them Summer Hansford Martin,1946 **Summer at World's End** Monica Dickens,2011-09-28 Tom Carrie Em and Michael are still living on their own at World s End In between wondering where the next meal will come from and trying to avoid interfering grown ups they are never short of fun and excitement Carrie cannot stand to see an animal suffer and when she plunges into another rescue operation more perilous than any she has attempted before putting her and faithful dog Charlie into terrible danger things quickly spiral out of control Desperately the children struggle to save Charlie from a dreadful fate but it is a race against time Summer at World s End is the second adventure in The World s End Series

Summer of Fire and Blood Lyndal Roper,2025-02-11 In this extraordinary and brilliant book Helen Castor author of *She Wolves* a prize winning historian offers the definitive account of the sixteenth century uprising that revolutionized Europe The German Peasants War was the greatest popular uprising in Western Europe before the French Revolution In 1524 and 1525 it swept across Germany with astonishing speed as well over a hundred thousand people massed in armed bands to demand a new and more egalitarian order The peasants took control of vast areas of southern and middle Germany torching and plundering the monasteries convents and castles that stood in their way But they proved no match for the forces of the

lords who put down the revolt by slaying somewhere between seventy and a hundred thousand peasants in just over two months In *Summer of Fire and Blood* the first history of the German Peasants War in a generation historian Lyndal Roper exposes the far reaching ramifications of this rebellion Though the war s victors portrayed the uprising as naive and inchoate Roper reveals a mass movement that sought to make good on the radical potential of the Protestant Reformation By recovering what the people themselves felt and believed *Summer of Fire and Blood* reconstructs the thrilling tragic story of the peasants fight to change the world
