Secrets of a Highlander's Heart Julie Johnstone, 2024-04-25 Will the truth of the past destroy the hope of their future How far will he go for vengeance Brus Stone remembers nothing of his life before he was rescued at the age of five summers and brought to live as part of the Northern Watch Having been told his mother abandoned him he's about as willing to give his trust to a woman as he is to hand his sword to his enemy during battle So when he's tasked with accompanying a group of highlanders through the treacherous lands he helps patrol and he encounters a bonny lass who proves to be as brave as any warrior he's ever met he's surprised by his pull to the lass and more than wary because of it He steels himself against lowering his guard but her open nature bemuses him and her caring heart entices him Each time he touches her he finds himself further drawn to the warmth she exudes and the possibility that believing in her will not result in betrayal But a shocking revelation about his past obliterates everything he holds true and leaves him with a choice give unwavering faith to the daughter of the enemy he didn't know he had or raise his guard once more and secure the ultimate revenge How much will she lose for love Grace MacDonald is starting to wonder whether she'll ever meet a man who sees her as an equal and not simply a potential wife to do as he bids To complicate matters her father wishes her to wed her childhood friend and fortify an important alliance between their clans Though she wants to please her beloved father her friend does not stir her heart or her desire so she's reluctant to accept his offer of marriage When the party she's travelling with is attacked and a Scottish warrior rescues her she's immediately drawn to the powerfully

compelling man Not only does he display a gentle caring side but he also listens to what she says and seems to value her opinions His every look touch and kiss ignite her in the way she s been waiting for all her life But Brus will not completely let her in He has erected a barrier between them and the harder she tries to breach it the more withdrawn he becomes She s determined to prove to him that he can count on her so they can grasp the glorious love she s sure awaits them Yet when a devastating secret comes to light she must decide whether her loyalty remains with the father she s always trusted or whether it belongs with the man she s certain is her destiny

Hoax Victor Stater,2022-01-01 The extraordinary story of the Popish Plot and how it shaped the political and religious future of Britain Stater tells a complex and convoluted story with absolute clarity As a work of historical scholarship *Hoax* is terrific Robert G Ingram *National Review* Stater s accounts have the compulsively fascinating quality of a true crime podcast Jeffrey Collins *Wall Street Journal* In 1678 a handful of perjurers claimed that the Catholics of England planned to assassinate the king Men like the Reverend Doctor Titus Oates and Captain William Bedloe parlayed their fantastical tales of Irish ruffians medical poisoners and silver bullets into public adulation and government pensions Their political allies used the fabricated plot as a tool to undermine the ministry of Thomas Lord Danby and replace him themselves The result was the trial and execution of over a dozen innocent Catholics and the imprisonment of many more some of whom died in custody Victor Stater examines the Popish Plot in full arguing that it had a profound and lasting significance on British politics He shows how Charles II emerged from the crisis with credit moderating the tempers of the time and how as the catalyst for the later attempt to deny James II his throne through parliamentary action it led to the birth of two party politics in England
