Racism Albert J. Wheeler,2005 Of all mankind's vices, racism is one of the most pervasive and stubborn. Success in overcoming racism has been achieved from time to time, but victories have been limited thus far because mankind has focused on personal economic gain or power grabs, ignoring generosity of the soul. 3500 Days of Summer Greg Hannah,2011-05-01 3500 Days of Summer is an enticingly addictive read. In the same vein as *The Devil Wears Prada* or *The Nanny Diaries*, 3500 Days of Summer is a blistering, kiss-and-tell about the international resort industry. You'll be amazed at the dysfunctional lives of these people. A former nine-to-five investment banker, Hannah is literally thrown to the sharks for his first resort assignment in the Caribbean as a glorified bookkeeper for the resort's scuba team. Though Hannah is vastly

over educated for this job he seems to take perverse pleasure in the non stop abuse he suffers at the hands of sophisticated European travellers and staff In an enviroment where the average work schedule is sixteen hours seven days a week Hannah endures midnight rehearsals tyrannical resort managers and the amorous attentions of a never ending supply of beautiful women relentlessly throwing themselves at him 3500 Days does for resorts what Animal House did for higher education
