Summer Will Show:

Summer Will Show Sylvia Townsend Warner, 2011-06-08 In revolutionary Paris a disaffected Victorian wife becomes enraptured by her husband's mistress a brilliantly entertaining historical fiction novel that was far ahead of its time Guardian One of the great under read British novelists of the 20th century my favorite of her novels Sarah Waters author of Fingersmith Sophia Willoughby a young Englishwoman from an aristocratic family and a person of strong opinions and even stronger will has packed her cheating husband off to Paris He can have his tawdry mistress She intends to devote herself to the serious business of raising her two children in proper Tory fashion Then tragedy strikes the children die and Sophia in despair finds her way to Paris arriving just in time for the revolution of 1848 Before long she has formed the unlikely of close relations with Minna her husband's sometime mistress whose dramatic recitations based on her hair raising childhood in czarist Russia electrify audiences in drawing rooms and on the street alike Minna magnanimous and unscrupulous fickle ardent and interfering leads Sophia on a wild adventure through bohemian and revolutionary Paris in a story that reaches an unforgettable conclusion amidst the bullets bloodshed and hope of the barricades Sylvia Townsend Warner was one of the most original and inventive of twentieth century English novelists At once an adventure story a love story and a novel of ideas Summer Will Show is a brilliant reimagining of the possibilities of historical fiction **Summer Will Show ;\cSylvia**

Townsend Warner Sylvia Townsend Warner, 1936 **Feeling Backward** Heather Love, 2009-03-31 Love weighs the costs of the contemporary move to the mainstream in lesbian and gay culture While widening tolerance for same sex marriage and gay themed media brings clear benefits assimilation entails losses hard to identify or mourn since many aspects of historical gay culture are so closely associated with the pain and shame of the closet **The Apparitional Lesbian** Terry Castle, 1993

In essays on literary images of lesbianism from Defoe and Diderot to Virginia Woolf and Djuna Barnes on the homosexual reputation of Marie Antoinette on the lesbian writings of Anne Lister Sylvia Townsend Warner and Janet Flanner and on Henry James's The Bostonians Castle shows how a lesbian presence can be identified in the literature history and culture of the past three centuries *Modern British Women Writers* Vicki K. Janik, Del Ivan Janik, 2002-11-30 The 20th century witnessed several major cultural movements including modernism anti modernism and postmodernism These and other means of understanding and perceiving the world shaped the literature of that era and with the rise of feminism resulted in a particularly rich body of literature by women writers This reference includes alphabetically arranged entries on 58 British women writers of the 20th century Some of these writers were born in England while others such as Katherine Mansfield and Doris Lessing came from countries of the former Empire or Commonwealth The volume also includes entries for women of color such as Kamala Markandaya and Buchi Emecheta Each entry is written by an expert contributor and includes an overview of the writer's background an analysis of her works an assessment of her achievements and lists of primary and secondary sources The volume closes with a selected general bibliography *At Home and Abroad in the Empire* Robin

Hackett, Freda Hauser, Gay Wachman, 2009 This book builds upon critical reevaluations of modernism and British literature of the 1930s with a simultaneous focus on discourses of race gender and empire The essays direct attention to the complications and ambivalence accumulating around the meanings of Englishness They reject analyses of texts as chronicles of personal psychological development in favor of analyses that assume texts are shaped by their authors public intellectual involvement In addition they offer detailed specific explorations of ways in which British women in the 1930s narrativize empire and war Thus they will resonate with significance for readers in the early twenty first century for whom empire and war as well as terror and security are part of the discourse of everyday life Robin Hackett is an Associate Professor of English at the University of New Hampshire Freda S Hauser is an independent scholar Gay Wachman is retired from the State University of New York Old Westbury

B-Side Books John Plotz, 2021-06-01 There are the acknowledged classics of world literature the canonical works assigned in schools topping every must read list and then there are the B Sides These are the books that slipped through the cracks went unread missed their rightful appointment with posterity They were ahead of their times or behind their times or on a whole different schedule than the rest of the universe What do you do when a book that you love has been neglected or dismissed by everyone else In B Side Books leading writers critics and scholars show why their favorite forgotten books deserve a new audience From dusty westerns and far out science fiction to obscure Czech novelists and romance novel precursors the contributors advocate for the unsung virtues of overlooked books They write about unheralded novels poetry collections memoirs and more with understanding respect passion and love In these thoughtful often personal essays contributors including Stephanie Burt Caleb Crain Merve Emre Ursula K Le Guin Carlo Rotella and Namwali Serpell read books by writers such as Helen DeWitt Shirley Jackson Stanislaw Lem Dambudzo Marechera Paule Marshall and Charles Portis
