

A vintage photograph of a cricket field. In the background, there is a large, thatched-roof building, possibly a clubhouse, surrounded by lush green trees. Several people are visible on the field, some standing and some in motion, suggesting a game or practice session. The overall scene is peaceful and evokes a sense of traditional English cricket.

SUMMER DAYS

WRITERS ON CRICKET

Summer Days Writers On Cricket:

Summer Days Michael Meyer, 1983 *The Cambridge Companion to Cricket* Anthony Bateman, Jeffrey Hill, 2011-03-17
Perfect for fans and scholars alike this Companion explores cricket's origins global reach iconic personalities and enduring popularity

The Development of West Indies Cricket, Vol. 2 Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century

One Long and Beautiful Summer Duncan Hamilton, 2020-07-02 A MULTIPLE AWARD WINNING SPORTS WRITER Hamilton's book is a marvel I'm not sure he could write a dull sentence if he tried Spectator One of Duncan Hamilton's favourite writers on cricket Edmund Blunden wrote how he felt going to watch a game You arrive early earlier even than you meant and you feel a little guilty at the thought of the day you propose to give up to sheer luxury Following Neville Cardus's assertion that there can be no summer in this land without cricket Hamilton plotted the games he would see in 2019 and write down reflectively on some of the cricket that blessed his own sight It would be captured in the context of the coming season in case subsequent summers and the imminent arrival of The Hundred made that impossible He would write in the belief that after this season the game might never be quite the same again He visits Welbeck Colliery Cricket Club to see Nottinghamshire play Hampshire at the tiny ground of Sookholme gifted to the club by a local philanthropist who takes money on the gate his village team at Menston in Yorkshire the county ground at Hove watches Ben Stokes's heroics at Headingley marvels at Jofra Archer's gift of speed in a Second XI fixture for Sussex against Gloucestershire in front of 74 people and three well behaved dogs and realises when he reaches the last afternoon of the final county match of the season at Taunton How blessed I am to have been born here How I never want to live anywhere else How much I love cricket

One Long and Beautiful Summer forms a companion volume to Hamilton's 2009 classic *A Last English Summer* It is sports writing at its most accomplished and evocative confirming his reputation as the finest contemporary chronicler of the game

The Development of West Indies Cricket, Vol. 1 Hilary Beckles, 1998 This volume covers the third rising of West Indies cricket As the sport becomes ever more commercialized large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean He also describes the emergence of what he argues is a debilitating sub nationalism in the West Indies the effect this has had on the game the prospect for integrating West Indian nationhood in the twenty first century

Thomas Keneally's Career and the Literary Machine Paul Sharrad, 2019-08-30 Booker Prize winner and Living National Treasure Thomas Keneally still divides critical opinion he is both a morally challenging stylist and a

commercial hack a wise commentator on society and a garrulous leprechaun Such judgements are located in the cultural politics of Australia but also linked to ideas about what a literary career should look like Thomas Keneally's Career and the Literary Machine charts Keneally's production and reception across his three major markets noting clashes between national interests and international reach continuity of themes and variety of topics settings and genres the writer's interests and the publishers push to create a brand celebrity fame and literary reputation and the tussle around fiction history allegory and the middlebrow Keneally is seen as playing a long game across several events rather than honing one specialist skill a strategy that has sustained for more than 50 years his ambition to earn a living from writing

The Life of Kingsley Amis Zachary Leader, 2011-05-30 Kingsley Amis was not only the finest comic novelist of his generation but also a dominant figure in post World War II British writing as a novelist poet critic and polemicist Zachary Leader's definitive authorized biography conjures in vivid detail the life of one of the most controversial figures of twentieth century literature renowned for his blistering intelligence savage wit and belligerent fierceness of opinion In The Life of Kingsley Amis Leader the acclaimed editor of The Letters of Kingsley Amis draws not only on published and unpublished works and correspondence but also on interviews with a wide range of Amis's friends relatives fellow writers students and colleagues many of whom have never spoken publicly before The result is a compulsively readable account of Amis's childhood school days and life as a student at Oxford teacher critic political and cultural commentator professional author husband father and lover Neither evading nor sensationalizing the more salacious aspects of Amis's life Leader explores the writer's phobias self doubts and ambitions the controversies in which he was embroiled and the role that drink played in a life bedeviled by erotic entanglements domestic turbulence and personal disaster Here is the biography that its subject deserves Like Amis himself it is incisive and unsentimental deeply appreciative of aesthetic achievement and a great source of amusing anecdotes Dazzling for its thoroughness psychological acuity and elegant style The Life of Kingsley Amis is exemplary literary biography at its very best

A Harold Pinter Chronology W. Baker, 2015-12-04 The most detailed chronological account of Harold Pinter to appear this new volume in the Author Chronologies series traces the daily activities of the Nobel Prize winning author It is based upon published and unpublished materials and discussion with his close friends and is a basic reference tool for all Pinter students and scholars

Simon Gray Unbound Peter Wolfe, 2014-01-10 The work of English playwright Simon Gray 1936-2008 has always resisted ideological and stylistic labels His artistic independence has also had an unwelcome side effect It cost him the critical attention garnered by his peers This book the first monograph on Gray examines his oeuvre from the early plays which hack away at the formalism and humanism of traditional English satire to the later ones in which he explores English professionals and their problems connecting with each other If Gray remains the least known major English dramatist of his day he's also one of the boldest and best

The Little Wonder Robert Winder, 2013-04-11 John Wisden at his peak known as The Little Wonder was a key member of the England cricket team who in 1859 sailed across the Atlantic

on the world's first overseas cricket tour. In 1864, after his retirement, Wisden published the first edition of the book that would make his name immortal. He printed full and accurate scores along with indispensable facts about the Derby, the St. Leger, the university rowing matches and other interesting information, including potted histories of the Wars of the Roses. The 1864 edition is now valued at anything up to 25,000, and Wisden Cricketers' Almanack has been published continuously ever since, not for nothing is it known as the cricketer's bible. The Almanack has, despite some close shaves, never missed a year. In 1937 it was just 48 hours from liquidation, and in the Second World War a German bomber set fire to the company's headquarters, destroying its records. And yet, somehow, the yellow, since 1938, book has retained its antique, rugged character. It is a labour of love, a collection of records for cricket obsessives but also a hearty, eccentric. It loves to count the number of wides in a season but also delights in relating tales from far-flung pavilions. Through the telling of Wisden's story, we also glimpse the history of English and world cricket. The book is a window onto the game's most charismatic characters, its high points, lows and political storms. In *The Little Wonder*, Robert Winder traces the central role the game has played in national life for so long. The book's 150th anniversary in 2013 is the ideal time to tell the extraordinary story of Wisden's and cricket's journey from Victorian times to the modern world. New every year, it feels as though it has been with us for ever.

The Shorter Wisden 2015 Lawrence Booth, 2015-04-09. The Shorter Wisden is a compelling distillation of what's best in its bigger brother. Available from all major eBook retailers, Wisden's digital version includes the influential Notes by the Editor, all the front of book articles, reviews, obituaries and all England's Tests from the 2014 season.

Windy Arbours Aidan Higgins, 2005. In addition to his novels and stories, Aidan Higgins, one of Ireland's most respected contemporary writers, has written a large body of criticism. *Windy Arbours* includes pieces written between 1970-1990 and is the first collection of his reviews to be published. Incredibly well read, Higgins covers writers from around the world, from relatively well-known authors such as William Faulkner, Djuna Barnes and Jorge Luis Borges to more obscure writers such as Ralph Cusack and Dorothy Nelson. Serving as an informative guidebook about contemporary fiction, Higgins's criticism is always insightful and oftentimes entertainingly acerbic.

The Development of West Indies Cricket: The age of globalization Hilary Beckles, 1998. This volume covers the third rising of West Indies cricket. As the sport becomes ever more commercialized, large amounts of money have established sponsorship support systems to give cricketers around the world every possible advantage. Beckles assesses what impact the globalization of cricket has had on the cricketers of the Caribbean. He also describes the emergence of what he argues is a debilitating sub-nationalism in the West Indies, the effect this has had on the game, the prospect for integrating West Indian nationhood in the twenty-first century.

Sport and the British Richard Holt, 1990. This is a lively and deeply researched history of British sport since 1800, the first of its kind. It goes beyond a few great names and moments to explain how sport has changed and what it has meant to ordinary people. *Sport and the British* shows how the way we play reflects not only our lives as citizens of a predominantly urban and industrialised world but what

is especially distinctive about British sport Modern media coverage of sport gambling violence and attitudes towards it nationalism and the role of sport in sustaining male identity are all examined in this account which combines entertaining anecdote with more serious historical understanding Writing Englishness: An Introductory Sourcebook Judy Giles,Tim Middleton,2003-09-02 What did it mean in the first half of this century to say I am English A Practical Sourcebook on National Identity is a unique collection of extracts from writing of the era all of which in some way raise this question Drawn from a wide range of sources including letters diaries journalism fiction poems parliamentary speeches and government reports the volume is divided into five sections The Ideas and Ideals of Englishness Versions of Rural England War and National Identity Culture and Englishness Domestic and Urban Englands The editors provide an introduction to each section and conclude with suggested study activities and further reading It also contains a chronology and bibliography completing the framework for study A Practical Sourcebook on National Identity is a fascinating collection which will not only be essential and accessible reading for students but will also appeal to anyone who has ever asked what it means to become part of a national identity **Routledge Handbook of Sport, Gender and Sexuality** Jennifer Hargreaves,Eric Anderson,2014-03-05 The Routledge Handbook of Sport Gender and Sexuality brings together important new work from 68 leading international scholars that collectively demonstrates the intrinsic interconnectedness of sport gender and sexuality It introduces what is in essence a sophisticated sub area of sport sociology covering the field comprehensively as well as signalling ideas for future research and analysis Wide ranging across different historical periods different sports and different local and global contexts the book incorporates personal ideological and political narratives varied conceptual methodological and theoretical approaches and examples of complexities and nuanced ways of understanding the gendered and sexualized dynamics of sport It examines structural and cultural forms of gender segregation homophobia heteronormativity and transphobia as well as the ideological struggles and changes that have led to nuanced ways of thinking about the sport gender and sexuality nexus This is a landmark work of reference that will be a key resource for students and researchers working in sport studies gender studies sexuality studies or sociology *Recollections of Writers* Charles Cowden Clarke,Mary Cowden Clarke,1878 *Victory in Australia* Richard Whitehead,2025-07-03 AVAILABLE TO PRE ORDER NOW Such incredibly gripping sports writing It was like being there Truly Every ball Giles Coren Elegant and evocative the definitive word on England s most astonishing Ashes tour ever Matthew Engel THE DEFINITIVE ACCOUNT OF AN EPIC ASHES BATTLE The Ashes series of 1954 55 marked a watershed moment in the history of English cricket Under the leadership of Len Hutton the national team s first professional captain one of the greatest group of players ever to represent England won an Ashes series in Australia for the first time in more than 20 years It is a feat that has been repeated only four times in more than 70 years since But Hutton s men had to overcome the additional obstacle of losing heavily in the first Test only one England team has managed to win an overseas Ashes series after such a monumental setback The names

of the cricketers who locked horns in 1954 55 resonate down the decades Hutton's team included Denis Compton Frank Tyson Brian Statham Trevor Bailey Godfrey Evans Peter May and Colin Cowdrey Among their Australian opponents were Ray Lindwall Keith Miller Neil Harvey and Richie Benaud In the 1950s these players were not just elite sportsmen they were household names An Ashes series for the ages is brought thrillingly to life in this momentous slice of sporting and social history

Scent Dinesh Allirajah, 2016-07-15 Before his untimely death at the age of 47 Dinesh Allirajah was one of the most versatile and accomplished writers working in the North of England Whether as a performance poet literary critic wry social commentator or masterfully understated short story writer his work was always international in scope but local and personal in touch Witty irreverent and intricately observed his writing was informed by everything from raregroove jazz to experimental theatre crime noir to stand up comedy Yet it always felt and continues to feel bespoke to us as readers The short stories in particular allow us to eavesdrop on the most intimate unattended moments in their characters' lives Here we get to know outsiders migrant workers beleaguered mothers old and unwanted regulars in a pub that's facing a refurb people being slowly ushered into the background or kept at a distance Yet it is on these peripheries far from where everyone else is looking that Dinesh finds his stories here that identities are reconstructed and renegotiated here that we learn the most about ourselves Spanning over twenty years work this definitive hardback volume presents a through line of Dinesh's compassion activism and literary perspicacity a clarion call to find essential beauty in art music sport life and to pass it on

The Remembered Gate Richard Evans, Jeanie Thompson, 2003-09-09 In *The Remembered Gate* nationally prominent fiction writers essayists and poets recall how their formative years in Alabama shaped them as people and as writers The essays range in tone from the pained and sorrowful to the wistful and playful in class from the privileged to the poverty stricken in geography from the rural to the urban and in time from the first years of the 20th century to the height of the Civil Rights era and beyond
