Joseph Pang,2006-01-21 On the surface this book describes the journey of 9 year old Joanne who battles leukemia What makes it unique are the mysterious dreams and the miraculous voice message RSee Daddy That s the new kiteS after Joanne s passing These wake up calls resulted in a dynamic faith transformation of her father Joseph from a lukewarm wanderer to a firm believer of salvation and redemption [Kite Identity: 1: Soft Targets](#) Harry Edge,2010-04-01 New Yorker Luke Kite has been estranged from his multi millionaire father Jack for years The result of a one night stand he has never been acknowledged as heir to his father s globally successful business Kite Industries unlike his English half sister Megan the apple of her daddy s eye But when his father is mysteriously killed on Luke s 17th birthday Luke and Megan are brought together as they uncover the dark secrets and corruption at the heart of their father s multi billion business empire Jack s death was not an accident nor was the hit and run incident that Megan herself narrowly escaped the day he died The threats don t end there as Megan again becomes a target for killer when she s staying at Jack s London flat Again she escapes death and another girl is killed in her place but now Megan is on the run Using her best friend s identity she travels to New York to Poland and Tokyo in order to escape whoever wants her dead Luke too is wary of all those around him even his mother and his reliable Uncle Mike his dad s brother Who can he trust and how can he protect his half sister In a tense game of cat and mouse Luke needs all his resources to narrow down his enemies and those of Megan what he discovers destroys what little faith he has in his so called family and in his own identity as no one is quite who they seem As the action draws to a nail biting conclusion Luke and Megan discover a bond that that will carry them through the danger and subterfuge they have ahead of them and the Kite Identity is born **The Playground** ,1928 **As a Kite Falls** Richard Tyler,2024-06-27 We have become fixated on ascent in our lives achieving more being quicker and rising up But what if we are missing the richest life lessons by repressing the difficulties we experience Both ascent and descent are vital in life Yet whilst we are educated on how best to ascend it is rare we are supported as we descend Instead we are encouraged to hide those times from ourselves and others Richard s descent was epic From playing lead roles on West End stages to receiving a diagnosis of three months to live with a rare cancer In this heartfelt and moving story Richard offers a glimpse into his year of monumental descent He invites us to accompany him as he navigates loss grief and heartache in a tale of the beauty and

the ugliness of the human condition How when illness struck unexpected love and compassion became the secret healer Something Richard was determined to share by setting up a charity for others with blood cancer As a Kite Falls offers food for thought and medicine for the soul Richard s humility humour and grace shine through on every page He uses the flow of the seasons and the deceptively simple art of haiku to bring us closer to the importance of space and pause in our lives Richard s training in psychotherapy adds a deeper layer of understanding of what it means to be human while acknowledging that none of us can truly make sense of the load others carry In a world drowning in noise As a Kite Falls gifts us a place of quietening down to listen to our own whispers
