## **Sun And Moon Over Assisi A Personal Encounter With Francis And Clare:**

*The Sun & Moon Over Assisi* Gerard Thomas Straub, National Education Association of the United States, 2008-04 The Sun and Moon Over Assisi reveals how the lives of the two medieval saints from Assisi Francis and Clare helped to transform the life of a thoroughly modern cynic from Los Angeles California      *Chasing Francis* Ian Morgan Cron, 2013-05-07 What happens when the pastor of a mega church loses his faith Discover one man's life changing journey to resolve his crisis of faith in Italy by retracing the footsteps of Francis of Assisi a saint whose simple way of loving Jesus changed the history of the world Pastor Chase Falson lost his faith in God the Bible evangelical Christianity and his super sized megachurch When he fell apart the church elders told him to go away as far away as possible Broken Chase crossed the Atlantic to Italy to visit his uncle a Franciscan priest There he was introduced to the revolutionary teachings of Saint Francis of Assisi and found an old but new way of following Jesus that heals and inspires Chase Falson's spiritual discontent mirrors the feelings of a growing number of Christians who walk out of church asking Is this all there is This book is perfect for believers who are Weary of celebrity pastors and empty calorie teaching Disappointed by worship services where the emphasis is more on Lights Camera Action than on Father Son and Holy Spirit Tired of the deepest questions of life remaining unaddressed and unanswered Remain hopeful and seek to strengthen their faith Hidden in the past lies the future of the church Explore the life of a saint who 800 years ago breathed new life into disillusioned Christians and a Church on the brink of collapse Chasing Francis is a hopeful and moving story with profound implications for those who yearn for a more vital relationship with God and the world

**Augustine and His World - Francis of Assisi and His World** Andrew Knowles, Rev. Dr Luke Penkett, Mark Galli, 2019-03-23 Have you ever wanted accessible introductions to key figures and periods of Christian history Augustine and His World Augustine is one of the giants of the Christian church From his birth in North Africa and his days as a relatively permissive young man through his midlife conversion to Christianity and career as bishop of Hippo his story has intrigued and inspired every generation for over 1 600 years As a thinker teacher writer and debater Augustine's greatness lay in his ability to relate the philosophies of Ancient Greece and Rome to the precepts of the Christian faith Augustine also saved the church itself from disintegrating into rival factions by forging sound doctrine in the fires of controversy This immersive account of Augustine's life helps readers understand the world he came from and the enormous contribution he made to the church both of his day and of the future Francis of Assisi and His World Francis of Assisi is one of the world's most popular religious figures and also one of the most misrepresented In this lively and engaging account of Francis's story from his hedonistic youth to his emergence as a Christian leader of great charisma and intensity Mark Galli attempts to strip away the modern gloss in order to discover the real man and the world in which he lived The saint revealed here is not the romantic free spirit of popular imagination but a contentious figure who combined a deep mysticism with radical commitment and above all sought to glorify God the creator      *Conversations with St. Francis* Rev. James C. Howell, 2008-05-01 If you were

able to talk to St Francis of Assisi what would you ask him Perhaps says James Howell the first question I d want to ask Francis would be something like this How did you do it Were you real How much of your story really happened And I m asking because I am wondering how I might do it could I somehow grab a share of the life you had The marvel in Francis s story is that all he did seems entirely doable but then at the same time ridiculously impossible As I survey the bare facts of his life it all seems so manageably simple and yet unquestionably what happened was nothing short of miraculous In this spiritually apt look at the life message and meaning of St Francis Howell invites all of us to pose our most difficult spiritual questions to the saint and to listen for the questions he asks of us in response **Francis: The Journey and the Dream** Murray Bodo,2022-08-16 In 1972 a young Franciscan friar named Murray Bodo wrote a unique book about the life of St Francis of Assisi Francis The Journey and the Dream offered readers a unique combination of lyrical prose and brief absorbing vignettes that inspired hundreds of thousands of people all over the world to contemplate the life of the famous saint and see him in a new way Fifty years and over 200 000 copies later this book still captivates people everywhere and Fr Bodo is still writing about St Francis and the Franciscan way of life His poetic style continues to draw readers in and he himself continues to gaze in wonder at the saint who worked nearly his entire life to rebuild the church This special anniversary edition includes a new preface in which Fr Bodo reflects on a half century spent immersed in the Franciscan way

**The Living Nativity** Larry James Peacock,2018-09-01 Who came up with the idea of using nativity scenes to celebrate Christmas Many might be surprised to learn that Francis of Assisi the well known thirteenth century saint is credited with creating the first nativity scene The Living Nativity introduces readers to Saint Francis and his joyous reenactment of the birth of Jesus complete with a manger and animals The Living Nativity explores how nativity sets Advent wreaths candles carols Christmas cards and other traditions help prepare our hearts for the God who bends low to enter our world and our lives Prayer poems for each day of the season lead readers to deepen their spiritual journey and the book provides a guided pattern for individuals and small groups to share reflections and experience activities that open their hearts to the Christ child The Living Nativity provides a prayer meditation and reflection questions for each day of Advent The Leader s Guide includes suggestions for worship discussion questions focused on the readings and guidance for a mini retreat on a theme of the week

**Reluctant Saint** Donald Spoto,2003-09-30 Acclaimed biographer Donald Spoto strips away the legends from the life of Francis of Assisi to reveal the true story of a man who has too often been obscured by pious iconography Drawing on unprecedented access to unexplored archives plus Francis s own letters Spoto places Francis within the context of the multifaceted ecclesiastical political and social forces of medieval Italy casting new light on Francis and showing how his emphasis on charity as the heart of the Gospel s message helped him pioneer a new social movement This nuanced portrait reveals the multifaceted character of a man who can genuinely be said to have changed the course of history The Holy Way Paula Huston,2009-02-05 For many of us living simply is simply impossible We just have too much to do But one of the

main reasons we think simple living is impossible is that we are unsure of how to get a simpler life started Drawing on the powerful histories of the saints and her own personal experience author Paula Huston shows us how living simply begins with a commitment to spiritual simplicity in our lives Each chapter in *The Holy Way* introduces a different spiritual practice including solitude purity and generosity and explores it through historical perspectives and Huston s compelling personal reflections From Saint Anthony s chosen life of solitude to Saint Catherine of Siena s strength of conviction Huston tells stories of courageous faith that exemplify the blessed and transformative power of being alone with God and living simply

*The Making of an Ordinary Saint* Nathan Foster,2014-09-30 Nathan Foster was just a child when his father s classic *Celebration of Discipline* brought the spiritual disciplines into the popular evangelical consciousness More than thirty years later Nathan made his own journey into the spiritual disciplines As he sought day by day to develop habits that would enable him to live more like Jesus he encountered problems both universal and unique In this engaging narrative he draws insights from saints of old to uncover fresh ways of living for the contemporary postmodern Christian Through his successes struggles and failures Foster invites readers on a journey of freedom pain frustration and ultimately joy as he learns to rise above selfish desires laugh at his own failures and fall in love with God Those who have read *Celebration of Discipline* will find in Nathan s book creative new ways to practice the disciplines that have been so formative in their lives Those who are new to the spiritual disciplines will find that developing a vital interactive conversational relationship with God is within their grasp As a result the holy habits of love joy peace patience kindness goodness faithfulness gentleness and self control are truly possible for all Includes chapter openings and a foreword from Richard J Foster **The Life We Claim** Rev. James C.

Howell,2011-07-01 Using the Apostles Creed as the primary text this book explores what we believe as Christians and how those beliefs are relevant today The author s goal is to help pastors educate and transform members of their congregations He examines the Creed phrase by phrase in brief sections suitable for congregational study or for emailing to the congregation For each phrase in the Creed a deeper reflection provides material for preaching a 13 sermon series or for further congregational study A detailed appendix includes recommendations of hymns and songs related to each phrase in the Creed the suggestions are keyed to several hymnals and songbooks **Thoughts of a Blind Beggar** Gerard Thomas

Straub,2015-02-25 **Everyday Divine** Mary DeTurris Poust,2014-05-14 Many people today are looking for opportunities to bring the spiritual into their everyday lives in non traditional ways Their days are so busy they can t imagine how they can fit in time to kneel or sit in prayer on a regular basis As a result they fly from one activity to the next at breakneck speed always looking forward to some nonexistent time in the future when things will slow down long enough to allow them to breathe center themselves and pray *Everyday Divine* A Catholic Guide to Active Spirituality helps busy readers explore different ways to achieve a place of stillness and peace while remaining very much in the world In fact the day to day activities of life become the pathway to prayer even the prayer itself Drawing on Catholic tradition from the Desert Fathers and Mothers to

ancient monastics to modern day saints and sages Everyday Divine looks at how we can adapt these ancient practices for modern times quoting holy men and women on various methods and offering practical instructions and suggestions to help people put them into practice Readers learn how to find spiritual peace while immersed in everyday activities such as Housework and chores Workouts and exercise Cooking eating and fasting Listening to music Traveling and making pilgrimages Living among the noise of daily life The book also includes personal stories from the author and others and will weave in practices from specific spiritualities such as Franciscan Benedictine and Trappist to show how these practices fit into the bigger Catholic picture      **The Catholic Faith Handbook for Youth** Brian Singer-Towns,2008 This reference is an understandable and down to earth guide to all things Catholic The resource is appropriate for brushing up on specific Catholic terms and concepts or learning them for the first time Catholic      **The Essential Guide to Catholic Prayer and the Mass** Mary DeTurris Poust,2011-03-01 The Vatican approved guide to opening up new connections to God Today more and more Catholics are looking to explore their spirituality in new ways by trying meditation or contemplation seeking to adapt monastic traditions to modern life or seeking a deeper connection to Jesus through the Eucharist giving rise to the growing popularity of Adoration The Essential Guide to Catholic Prayer and the Mass offers Catholics a way to explore prayer styles they may have never before considered and non Catholics or fringe Catholics a look into a world that can sometimes seem mysterious or intimidating Through Mass scripture ancient rituals the examples of the saints the lives of holy men and women in the world today and more Catholics of every mindset can find a style of prayer to suit them One of the first books with a detailed explanation and instructions on how to follow the new translation of Mass as prepared by the Catholic Church Includes an imprimatur a seal of approval from Paul G Bootkoski Bishop of Metuchen Perfect for cradle convert and revert Catholics as well as people from other faiths students and teachers      Man Seeks God Eric Weiner,2011-09-01 Bestselling author of Geography of Bliss returns with this funny illuminating chronicle of a globe spanning spiritual quest to find a faith that fits When a health scare puts him in the hospital Eric Weiner an agnostic by default finds himself tangling with an unexpected question posed to him by a well meaning nurse Have you found your God yet The thought of it nags him and prods him and ultimately launches him on a far flung journey to do just that Weiner a longtime spiritual voyeur and inveterate traveler realizes that while he has been privy to a wide range of religious practices he s never seriously considered these concepts in his own life Face to face with his own mortality and spurred on by the question of what spiritual principles to impart to his young daughter he decides to correct this omission undertaking a worldwide exploration of religions and hoping to come if he can to a personal understanding of the divine The journey that results is rich in insight humor and heart Willing to do anything to better understand faith and to find the god or gods that speak to him he travels to Nepal where he meditates with Tibetan lamas and a guy named Wayne He sojourns to Turkey where he whirls not so well as it turns out with Sufi dervishes He heads to China where he attempts to unblock his chi to Israel where he studies Kabbalah sans Madonna

and to Las Vegas where he has a close encounter with Raelians followers of the world's largest UFO based religion. At each stop along the way Weiner tackles our most pressing spiritual questions: Where do we come from? What happens when we die? How should we live our lives? Where do all the missing socks go? With his trademark wit and warmth he leaves no stone unturned. At a time when more Americans than ever are choosing a new faith and when spiritual questions loom large in the modern age, *Man Seeks God* presents a perspective on religion that is sure to delight, inspire and entertain. **How Much Is Enough?** Arthur Simon, 2003-02-01 In a world filled with both prosperity and poverty, how can Christians handle their finances in a way that honors God? In *How Much Is Enough*, Arthur Simon takes an uncompromising look at America's wealth, reflecting what dominates the hearts and motivations of its people. He diagnoses Western civilization as sick with affluenza or runaway materialism and shows readers how to reject the disease and set new priorities. Churches, social ministry groups, and thoughtful readers will be enlightened by Simon's grasp of Western affluence against the backdrop of a world where 800 million people are chronically starving. Readers will gain a clearer understanding of how money becomes an object of worship when passion for material things is stronger than compassion for the poor. Simon's life-changing book also reveals how affluenza takes control of people's lives and goals. Without discounting prosperity as a blessing, *How Much Is Enough* proposes new pathways to living as disciples of Jesus. It suggests a myriad of solutions for taming materialism and sheds light on the profound reality that possessions may capture our hearts but they are unable to nourish our souls. *The Living Church*, 2001 **Tras los pasos de Francisco** Ian Morgan Cron, 2023-12-05 ¿Qué sucede cuando el pastor de una mega Iglesia pierde la fe? El pastor Chase Falson ha perdido su fe en Dios. En la Biblia, el cristianismo evangélico y en su mega Iglesia de gran tamaño. Cuando se derrumba interiormente, los ancianos de la Iglesia le dicen que se vaya lo más lejos posible en un viaje a Italia, que le cambiará la vida, donde, con un curioso grupo de frailes franciscanos, lucha por resolver su crisis de fe siguiendo los pasos de Francisco. Así es un santo cuya forma sencilla de amar a Jesús cambió la historia del mundo. Chase Falson siguió a Jesús, el que sana e inspira. La historia de este peregrino refleja los sentimientos de un número creciente de cristianos que están cansados de los pastores famosos más enfocados en la imagen personal que en la adoración a Cristo, mientras que las preguntas más profundas de la vida siguen sin abordarse de manera significativa. **The Catholic Library World** John M. O'Loughlin, Francis Emmett Fitzgerald, 2000 *Fragments of Real Presence* Teresa Berger, 2005 Two-time Catholic Press Award winner. What do the feasts of the liturgical year look like when seen from the perspective of women? How do traditions become enriched when we remember the women who have handed them down? From Clare and Clairiol to *The Making of Love*. An ABC. *Fragments of Real Presence* from the Yale professor silenced by the Vatican offers us a rich landscape of insights throughout the liturgical calendar. Each fragment is a different kind of meditation: a hymn, a theological reflection, a historical discussion, a poem giving us new ways to see with the eyes of women past and present. From their experience, our own spiritual experience of the traditions and the possibilities for the future will be enhanced and deepened.
