

Mit einer grandiosen Western-Romane basierte George Roy Hill (Der Golem) einer großen Kino-Revolution der 1970er und 1980er (z.B. mit dem Song „Johnny Blue“ oder „The Ballad of the Coward“) entstand.

Die beiden Schwestern Butch Cassidy (Paul Newman) und Sundance Kid (Robert Redford) werden mit einer Bande eines Sheriff auf die Grenze-Peak-Farm von der Sheriff-Peak-Bank vertrieben, um die Bank zu plündern. Der Sheriff ist ein großer Mann, der die Bank vertrieben hat, doch ist die Bank nicht so einfach, wie es scheint. Der Sheriff ist ein großer Mann, der die Bank vertrieben hat, doch ist die Bank nicht so einfach, wie es scheint.

George Roy Hill erzählt die schicksalhafte Geschichte mit viel Humor, Leidenschaft und einer grandiosen Kameraführung. Paul Newman und Robert Redford waren die populärsten Stars der 1970er und 1980er, die in diesem Film eine großartige Leistung erbrachten.

The Quick, the Dead and

the Revived Joseph Maddrey, 2016-06-22 For well more than a century Western films have embodied the United States most fundamental doctrine expansionism and depicted in a uniquely American way the archetypal battle between good and evil Westerns also depict a country defined and re defined by complex crises World War II transformed the genre as well as the nation s identity Since then Hollywood filmmakers have been fighting America s ideological wars onscreen by translating modern day politics into the timeless mythology of the Old West This book surveys the most iconic and influential Westerns examines Hollywood stars and their political stripes and reveals the familiar Western tropes which became elements in popular action science fiction and horror films This then sets the stage for the Western revival of the 1990s and a period of reinvention in the 21st century Instructors considering this book for use in a course may request an examination copy here

Bargaining for Eden Stephen Trimble, 2008-07-28 While open spaces in America are rapidly being destroyed as a result of greed hubris and neglect Stephen Trimble s *Bargaining for Eden* is a powerful call for us to more earnestly consider our solemn obligations as stewards of the Earth Combining remarkable investigative research with his skills as a poignant essayist Trimble has favored us with an extraordinary account that inspires as it challenges our values our commitment to action and our sense of connection with place community and the essence of who we are as inhabitants of this wondrous planet Rocky Anderson Former Mayor of Salt Lake City From Hetch Hetchy to Glen Canyon we mourn the sacred places in the west that have been bargained away for the American dream Stephen Trimble eloquently shows that these are not just conflicts over land but choices over which American dream we pursue as a nation What moves us to act What do we really value How shall we live together In this mature and poignant book Trimble urges passion and self awareness and reminds us that no conflict arises totally outside of oneself all of the things we fear in others may be possible in ourselves Peter Forbes Director Center for Whole Communities With this masterwork Stephen Trimble has given us the most reasoned and moving account of how and why the West becomes developed and its lands fragmented Rather than merely pointing the finger at developers or passive staffers in federal agencies he places the development issue in a larger cultural context asking us all to be full participants in the choices about how our lands and waters are ultimately managed As wise as it is heartbreaking Trimble s story challenges us to sign on to supporting a new ethics of land use in the West that will keep such tragedies from occurring so frequently in the future Gary Nabhan author of *Renewing America s*

Food Traditions and Cultures of Habitat With Bargaining for Eden Stephen Trimble has given us both a piece of dogged investigative journalism and a soul searching confessional The shocking largely unreported story of Earl Holding and the Snowbasin land swap becomes in Trimble s heartfelt prose a metaphor for the way land is used and abused in the West But Stephen doesn t stop with the expos He weaves it into a thoughtful and thought provoking reverie on man s place in an increasingly threatened landscape We are all part of the problem And he writes hopefully we can with honest effort become part of the solution Peter Shelton author of Climb to Conquer The Untold Story of WWII s 10th Mountain Division Ski Troops Make no mistake Bargaining for Eden is a brave and important book It s a page turner of a story about powerful men unspeakable wealth and Olympic gold medal mountains But it s also a Jungle in the tradition of Upton Sinclair a disturbing story of how politics and capitalism worked hand in hand against the common good and our commonweal of wildlands If we are ever to learn how to live on the land and at the same time protect its heart maybe we can start here in Trimble s beloved Utah mountains Kathleen Dean Moore author of The Pine Island Paradox

What a Man's Gotta Do Anthony Easthope,2013-06-17 What is masculinity Drawing on psychoanalysis and an understanding of ideology Easthope shows how the masculine myth forces men to try to be masculine and only masculine denying their feminine side In an original contribution to the understanding of gender he analyzes masculinity as it is represented in a wide range of mass media films television newspapers pop music and pop novels Why are two men in a John Wayne western more concerned with each other than with the women in their lives Is aggressive male banter a sign that men hate or love each other Why does a jealous man always have to see his rival Written in lively witty and accessible style What a Man s Gotta Do is certain to become controversial but essential reading
