Sunrises And Songs Reading And Writing Poetry In An Elementary Classroom:

Sunrises and Songs Amy A. McClure, Peggy Harrison, Sheryl Reed, 1990 This work explores the process that two elementary school teachers went through in order to teach poetry to 48 children in their multi age rural classroom *Using Poetry Across the Curriculum* Barbara Chatton, 2010-01-13 This comprehensive listing and discussion of poetic works supports the standards of all areas of the curriculum helping librarians and teachers working with kindergarten through middle school students This second edition of *Using Poetry Across the Curriculum Learning to Love Language* offers a comprehensive list of poetry anthologies poetic picture books and poetic prose works in a wide variety of subject areas While it maintains the original edition's focus on ideas and resource lists for integration of poetry into all areas of the curriculum it is thoroughly revised to cover current issues in education and the wealth of new poetry books available The book is organized by subject areas commonly taught in elementary and middle schools and within these by the national standards in each area Numerous examples of poetry and poetic prose that can be used to help students understand and appreciate aspects of the standard are listed A sampling of units that arise from groups of works writing and performance ideas and links across the curriculum is also included While many teaching ideas and topics provide references to the standards they meet this title is unique in starting with those standards and making links across them *Children Writing Poems* Janine Certo, 2017-10-10 This volume demonstrates how the social and instructional worlds that children inhabit influence their poetry writing and performances Drawing on rich vignettes of students from different racial ethnic and linguistic backgrounds it describes and analyzes the work of eight to ten year old U S students involved in a month long poetry unit *Children Writing Poems* outlines the value of a poetic functional approach to help children convey a poem's meaning and mood and expresses the need for educators to scaffold children's oral readings and performances over time **Classroom Events Through Poetry** Larry Swartz, 1993 Grade level 1 2 3 4 5 6 7 e p i t **Poetry Aloud Here!** Sylvia M. Vardell, 2006-02-20 From choosing a poem and developing presentations that will keep the audience captivated to using promotional displays and materials *Poetry Aloud Here* takes the reader through all the steps of introducing poetry for children *Life in Language Immersion Classrooms* Elizabeth Buchter Bernhardt, 1992 This volume chronicles a project that involved the staff and principals in the midwestern United States in collaboration with a team of educational researchers Included as chapters are qualitative studies of immersion teachers analyses of the use of drama and children's literature and discussions of staff preparation and maintenance for immersion schooling **Project Zero Frameworks for Early Childhood Education: Project Spectrum : early learning activities** Howard Gardner, David Henry Feldman, Mara Krechevsky, Jie-Qi Chen, 1998-11-13 The groundbreaking work of Harvard University psychologist Howard Gardner on multiple intelligences and Tufts University psychologist David Henry Feldman on nonuniversal development is fast becoming the standard by which children's intelligence and cognitive development is understood In this landmark three volume set Mara Krechevsky and her colleagues

at Project Zero make these insights available for both teachers and scholars alike This curriculum resource provides enriching activities in a wide variety of disciplines including mechanics and construction movement and music

Children's Literature in the Elementary School Charlotte S. Huck,1997 *Cullinan and Galda's Literature and the Child* Lee Galda,Bernice E. Cullinan,2002 CD ROM contains Link to dynamic database driven Website *Poetry People* Sylvia M. Vardell,2007-06-30 Dr Sylvia Vardell s new children s poetry reference book provides a comprehensive introduction to more than 60 contemporary young people s poets Focusing primarily on those who are still actively writing today the author includes poets appropriate for young children through young adults Each entry features brief biographical information highlights selected poetry books authored showcases awards won notes related Web sites and provides suggestions for making connections programming ideas related books and activities The book is ideal for librarians who serve children and young adults as well as for teachers and others who work with children and young adults Beginning with Arnold Adoff the list of poets is both impressive and informative A sample Francisco Alarcon Aileen Fisher Douglas Florian Nikki Giovanni Kristine O Connell George Jane Yolen Eloise Greenfield John Ciardi and many more **Essentials of Children's Literature** Carol Lynch-Brown,Carl M. Tomlinson,1999 The sixth edition Essentials of Children s Literature offers a concise straightforward presentation of children s literature that engages students and motivates them to share literature with children Written with a comprehensive facts only approach this lucid resource offers an abundance of examples to illustrate how to use children s literature in the classroom **Teaching and Learning Literature with Children and Young Adults** ,1995 **The Horn Book Guide to Children's and Young Adult Books** ,2008

Integrated Language Arts in the Elementary School Susan Jane Tchudi,1994 Integrated Language Arts in the Elementary School reflects many of the most important recent developments in language arts teaching both in the United States and internationally In keeping with current theory and research in children s language learning the text emphasizes the view that the language areas should not be isolated into separate areas of study but should be integrated with an emphasis on whole meaningful experiences that absorb and engage students **Essentials of Children's Literature** Carl M. Tomlinson,Carol Lynch-Brown,1995 The sixth edition Essentials of Children s Literature offers a concise straightforward presentation of children s literature that engages students and motivates them to share literature with children Written with a comprehensive facts only approach this lucid resource offers an abundance of examples to illustrate how to use children s literature in the classroom Creating Literacy Instruction for All Children Thomas G. Gunning,2000 Creating Literacy Instruction for All Children is a comprehensive practical text that provides its readers with step by step guidance for teaching all major aspects of reading and writing Gunning s text helps students discover approaches and techniques that fit teachers personal styles and situations It aims to present as fairly completely and clearly as possible the major methods and strategies shown to be successful in research and practice The text features sample lessons for virtually every major literacy skill

strategy and offers numerous reinforcement suggestions and generous listings of materials With two updated chapters on word analysis skills strategies the text continues to give teachers the information and techniques they need to implement a systematic and functional program of word analysis that is integrated with students reading and writing The text also presents the theory behind the methods so students will be free to choose adapt and or construct their own approaches as they create literacy instruction This edition endorses the viewpoint that a well prepared classroom teacher is capable of effectively instructing most struggling readers and writers

Children's Literature in the Classroom Janet Hickman, Susan Ingrid Hepler, Bernice E. Cullinan, 1994

English/language Arts Curriculum Resource Handbook, 1992

Creating Reading Instruction for All Children Thomas G. Gunning, 1996 This book will not tell you how to teach reading Teaching reading is in large measure a matter of making choices Should you use basal readers or children s books or both Should you teach children to read whole words or to sound out words letter by letter or both Should you have three reading groups or four or no groups There are no right answers to these questions The answers depend on your personal philosophy your interpretation of the research the level at which you are teaching the kinds of students you are teaching community preferences and the nature of your school or school district s reading program

Literature and the Child Bernice E. Cullinan, Lee Galda, 1998 With a slender design and appealing art Cullinan and Galda present a thought provoking discussion on how children can read to respond read to learn and read to enjoy This text provides evaluation criteria for selecting superior children s books rather than listing thousands of titles and synopses Booklists direct readers to quality literature and extended discussions of selected titles demonstrate the selection criteria Multicultural literature is discussed throughout the text with a separate chapter on more specific multicultural issues Numerous teaching ideas many of which are contributed by classroom teachers provide practical applications This is a book for teachers stressing the use of good books in a literature based curriculum
