 mankind is near Some say that financial turmoil is part of the process along with global warming warfare and the spread of
 mass psychosis Children are fed drugs to keep them calm nations are invaded by their neighbors the climate is changing all
 around us celebrities become our gods and materialism is the new mantra But what is the real truth Is there an answer to all
 this If our material lives are making us happier then why so many self help books films and philosophies It can t be denied
 that the times are changing Every day sees new challenges for our species while we cause mayhem and madness on an
 unbelievable scale But there is a ratio to it all a rhyme and reason behind everything that we do and everything that affects
 us Ancient Code is a collection of 20 fascinating essays from today s top authors and researchers which takes a look at the
 Ancient Code our relationship with it and how it relates to 2012 You will learn about a power that was first hidden and then
 lost over time Many have sought to rediscover it in order to wield it selfishly Like mad magicians seeking to rule the world

men of renown have fleetingly seen the incredible nature of this Code but all too often they have missed the point The Ancient Code needs no material gain no hatred warfare or drugs because YOU are the key to the Code Featuring Brian Allan Jack Allis Kala Ambrose Nick Ashron Philip Coppens Robert Feather Philip Gardiner Dr Mitchell E Gibson Andrew Gough Jasmine Gould Dan Green Dr John Jay Harper June Elleni Lane Janice Manning Marshall Masters Brian Mayne Steve Mitchell Nick Pope Dennis Price and Colin Wilson *Zeitgeist: The Movie Exposed* Joel McDurmon,2008 **End Times to 2019** David Montaigne,2013-01-09 Does the end of the Mayan Calendar start the countdown to Judgment Day Biblical and historical researcher David Montaigne concludes that this is the case He says that the end of the Mayan Long Count is the official start of the Bible s seven year tribulation both were focused on the same astronomical events that occur from 2012 to 2019 The world as we know it will be gone by 2020 Texts from ancient India tell us about great cycles of destruction The Egyptians told the same basic story with different names The Maya reveal another version of the story and were very clear about the timing of events from December 2012 to 2019 Your average American is no expert on these cultures but most people do have a Bible at home and the clearest details on what is about to happen can be found in the Bible if you don t let someone else tell you which parts you should focus on No this isn t what you were taught in Sunday school Religious leaders guide us between the raindrops of curious comments in the Bible We are discouraged from focusing on the parts they say we weren t meant to understand But if we stop glossing over these important passages we will understand a flood of details about the End Times Our leaders are not ignorant of these events The elite already know what is about to happen and they have made preparations most rational people would not believe because evidence is suppressed to avoid chaos They want us to remain ignorant or at least to believe that the details are secrets that cannot be known But the coming events and their timing are not secrets Years ago this book s publication would not have been tolerated by those in power But by now it doesn t matter much their plans are not going to be interfered with at this point Your plans however can still be formulated if you make the choice to understand Topics include Bible Prophecy Matthew 24 36 Knowing the hour and the day The Mayan Calendar and Mythology Pole Shifts Galactic Superwaves Ancient Egypt Ancient India World Mythology The Georgia Guidestones The real Star of Bethlehem and the exact birthday of Christ Calculating the Second Coming and Judgment Day more *Blind Faith* Morn Du Toit,2008-02-16 Blind Faith is a book written by an ex Christian on a personal journey to find the light and truth in a world of darkness and deceitfulness It takes the reader on a shocking but revealing journey through the Bible and the Christian religion With sound facts science and common sense the Christian bible and religion is systematically analyzed and dissected This book exposes the truth about our God his son Jesus and the Christian dogma With this book debunking Christianity has reached a new level of simplicity and ease **Solving the Mystery of Babylon the Great** Edward Hendrie,2011-03-11 Attorney and Christian researcher Edward Hendrie investigates and reveals one of the greatest exposes of all time a book you don t want to miss Solving the Mystery of Babylon the Great is packed with

documentation Never before have the crypto Jews who seized the reins of power in Rome been put under such intense scrutiny

Texe Marrs Power of Prophecy People have wondered and debated for centuries about the identity of the mysterious Babylon the Great in the book of Revelation Solving the Mystery of BABYLON THE GREAT examines the historical evidence in light of the scriptures and solves the mystery The evidence leads to the ineluctable conclusion is that the Roman Catholic Church was established by crypto Jews as a false Christian front for a Judaic Babylonian religion That religion is the nucleus of a world conspiracy against man and God That is not a soft conspiracy theory based upon speculation but rather the hard truth based upon authoritative evidence which is documented in this book Texe Marrs explains in his foreword to the book Who is Mystery Babylon What is the meaning of the sinister symbols found in these passages Which city is being described as the great city so full of sin and decadence and who are its citizens Why do the woman and beast of Revelation seek the destruction of the holy people the saints and martyrs of Jesus What does it all mean for you and me today Solving the Mystery of Babylon the Great answers these questions and more Edward Hendrie s discoveries are not based on prejudice but on solid evidence aligned forthrightly with the whole counsel of God He does not condone nor will he be a part of any project in which Bible verses are taken out of context or in which scriptures are twisted to mean what they do not say Again and again you will find that Mr Hendrie documents his assertions backing up what he says with historical facts and proofs Most important is that he buttresses his findings with scriptural understanding The foundation for his research is sturdy because it is based on the bedrock of God s unshakeable Word
