**Be The Sunshine** Sunshine Rodgers,2022-08-22 The one difficulty with having the name Sunshine is that people expect me to be well sunshine all the time I have learned over time to embrace the Sunshine ness that is my name Yes I may not always be joyful or exuberant all the time but I have learned that if I rely on my friends my family and my faith I can conquer each day head on and live every moment with an expectation of goodness And that s what I wanted to share in this book Be the Sunshine It s not a book about how to be happy or seven ways to stay positive These pages are about being yourself showing the world your true colors and being mindful of the moment These chapters contain personal stories so that we all can experience love and joy for ourselves as well as shining that light on those around us So just follow my voice When it comes to being the sunshine well I know the way

*That's Rich: the Rise and Fall of the BC Liberals* Judi Tyabji,2024-09-09 In the unpredictable tangle of British Columbian politics people and the parties they represent can appear ascend and then vanish in notoriety or irrelevance all before your eyes The pi ce de r sistance Truth doesn t have to factor into it A scandalous narrative has the power to control public perception This is untangled in the story of Rich Coleman and the BC Liberals Coleman was in the hot seat for twenty four years In his time he was called everything from Wyatt Earp to a knuckle dragger a criminal to a hero The truth of course is always more complicated than the sound bites and his story deserves more accuracy than the news stories gave it Through Coleman s eyes you ll have a close look at the highs and lows of the BC Liberals political journey You ll also see the painstaking critical work behind the scenes while the province was distracted by controversies Coleman s work restructured

institutions and built a new BC industry Whatever you think of the BC Liberals you will have to admit it's quite the story and Rich Coleman will surprise you if you give him the chance *Rich Enough a tale of the times* Hannah Farnham Sawyer Lee, 2022-09-16 In *Rich Enough a Tale of the Times* by Hannah Farnham Sawyer Lee readers are immersed in a gripping narrative that explores themes of social class wealth and morality in 19th century America Lee's literary style is characterized by detailed descriptions and complex characters that draw readers into the world of the wealthy elite and struggling working class This novel is a prime example of American realism addressing societal issues through a compelling storyline The contrast between the opulence of the upper class and the hardships faced by the lower class is expertly portrayed offering a thought provoking reflection on the inequalities of the time Hannah Farnham Sawyer Lee a prominent feminist and social reformer drew inspiration from her own experiences and observations of society to write *Rich Enough* Her dedication to advocating for women's rights and social justice shines through in the novel as she challenges the conventional roles and expectations placed on women in society Lee's background as an activist adds depth and authenticity to the themes explored in the book I highly recommend *Rich Enough a Tale of the Times* to readers interested in exploring the intricacies of class dynamics and social reform in 19th century America Lee's insightful commentary on the complexities of wealth and privilege makes this novel a compelling and relevant read for anyone interested in American literature and historical fiction

Rich Dad's Advisors: Guide to Investing In Gold and Silver Michael Maloney,2008-08-28 Throughout the ages many things have been used as currency livestock grains spices shells beads and now paper But only two things have ever been money gold and silver When paper money becomes too abundant and thus loses its value man always turns back to precious metals During these times there is always an enormous wealth transfer and it is within your power to transfer that wealth away from you or toward you Michael Maloney precious metals investment expert and historian founder and principal Gold Silver Inc The Advanced Guide to Investing Gold and Silver tells readers The essential history of economic cycles that make gold and silver the ultimate monetary standard How the U S government is driving inflation by diluting our money supply and weakening our purchasing power Why precious metals are one of the most profitable easiest and safest investments you can make Where when and how to invest your money and realize maximum returns no matter what the economy s state Essential advice on avoiding the middleman and taking control of your financial destiny by making your investments directly

**The Existence** Theodore Ihejieta,2018-12-21 The Existence By Theodore Ihejieta The Existence is a book of love and life that talks about the world as the existence of human beings and tells human beings to understand that the world is the love and the life It is a book of Planet Earth which the Planet Earth gave to the author because the author asked the Planet Earth for the book of the world The author is a human being who lost faith in God and called on Planet Earth to do work and save human beings from evil and death in the world This is a book of a human being who was challenged by evil and death in the world and the human being called on his existence for help and protection The author did not like to die in the world and told his existence that he did not want to die because the author believed that Planet Earth has the power to save human beings in the world The Existence is the faith the hope and the charity that God challenged human beings to find and tell the mountain of evil and death to move away from human beings

**Desert Cities** Michael F. Logan,2012-01-12 Phoenix is known as the Valley of the Sun while Tucson is referred to as The Old Pueblo These nicknames epitomize the difference in the public s perception of each city Phoenix continues to sprawl as one of America s largest and fastest growing cities Tucson has witnessed a slower rate of growth and has only one quarter of Phoenix s population This was not always the case Prior to 1920 Tucson had a larger population How did two cities with such close physical proximity and similar natural environments develop so

differently Desert Cities examines the environmental circumstances that led to the starkly divergent growth of these two cities Michael Logan traces this significant imbalance to two main factors water resources and cultural differences Both cities began as agricultural communities Phoenix had the advantage of a larger water supply the Salt River which has four and one half times the volume of Tucson s Santa Cruz River Because Phoenix had a larger river it received federal assistance in the early twentieth century for the Salt River project which provided water storage facilities Tucson received no federal aid Moreover a significant cultural difference existed Tucson though it became a U S possession in 1853 always had a sizable Hispanic population Phoenix was settled in the 1870s by Anglo pioneers who brought their visions of landscape development and commerce with them By examining the factors of watershed culture ethnicity terrain political favoritism economic development and history Desert Cities offers a comprehensive evaluation that illuminates the causes of growth disparity in two major southwestern cities and provides a model for the study of bi city resource competition
