Florence Bretelle-Estabet,2010-06-16 How do Documents Become Sources Perspectives from Asia and Science Florence Bretelle Estabet From Documents to Sources in Historiography The present volume develops a specific type of critical analysis of the written documents that have become historians sources For reasons that will be explained later the history of science in Asia has been taken as a framework However the issue addressed is general in scope It emerged from reflections on a problem that may seem common to historians why among the huge mass of written documents available to historians some have been well studied while others have been dismissed or ignored The question of historical sources and their unequal use in historiography is not new Which documents have been used and favored as historical sources by historians has been a key historiographical issue that has occupied a large space in the historical production of the last four decades in France at least The Egyptian Hermes Garth Fowden,1993-06-21 Sage scientist and sorcerer Hermes Trismegistus was the culture hero of Hellenistic and Roman Egypt A human according to some who had lived about the time of Moses but now indisputably a god he was credited with the authorship of numerous books on magic and the supernatural alchemy astrology theology and philosophy Until the early seventeenth century few doubted the attribution Even when unmasked Hermes

remained a byword for the arcane Historians of ancient philosophy have puzzled much over the origins of his mystical teachings but this is the first investigation of the Hermetic milieu by a social historian Starting from the complex fusions and tensions that molded Graeco Egyptian culture and in particular Hermetism during the centuries after Alexander Garth Fowden goes on to argue that the technical and philosophical Hermetica apparently so different might be seen as aspects of a single way of Hermes This assumption that philosophy and religion even cult bring one eventually to the same goal was typically late antique and guaranteed the Hermetica a far flung readership even among Christians The focus and conclusion of this study is an assault on the problem of the social milieu of Hermetism
