Life Is Short ? Art Is Shorter David Shields, Elizabeth Cooperman, 2015-04-20 Life Is Short Art Is Shorter is not just the first anthology to gather both mini essays and short short stories readers writers and teachers will get will get an anthology a course s worth of writing exercises a rally for compression concision and velocity in an increasingly digital post religious age and a meditation on the brevity of human existence 1 We are mortal beings 2 There is no god 3 We live in a digital culture 4 Art is related to the body and to the culture 5 Art should reflect these things 6 Brevity rules The book s 40 contributors include Donald Barthelme Kate Chopin Lydia Davis Annie Dillard Jonathan Safran Foer Barry Hannah Amy Hempel Jamaica Kincaid Wayne Koestenbaum Anne Lamott Daphne Merkin Rick Moody Dinty W Moore George Orwell Jayne Anne Phillips George Saunders Lauren Slater James Tate and Paul Theroux *Not Safe, but Good (vol. 1)* Bret Lott, 2007-07-08 In C S Lewis s classic *The Lion The Witch and the Wardrobe* Lucy asks if Aslan the lion is safe It is quickly clarified that Aslan is not safe but he is good That concept serves as the foundation for this collection of short stories While written from a Christian worldview our goal isn t comfort food for Christians or G rated stories that offer simplistic lessons Instead we re serving up stories sharpened by faith Stories that will engage challenge entertain and stretch the reader These stories aren t necessarily safe but without question they are good From Homer Hickam the best selling author of *Rocket Boys* which later became the movie *October Sky* to editor and contributing best selling author Bret Lott this collection spans a talented community writing an eclectic blend of fiction These stories will take you on a journey filled with lightheartedness profundity hilarity tragedy and ultimately hope

Fakes David Shields, Matthew Vollmer, 2025-04-25 Contemporary short stories enacting giddy witty revenge on the documents that define and dominate our lives In our bureaucratized culture we re inundated by documents itineraries instruction manuals permit forms primers letters of complaint end of year reports accidentally forwarded email traffic updates ad infinitum David Shields and Matthew Vollmer both writers and professors have gathered forty short fictions that they ve found to be seriously hilarious and irresistibly teachable in both writing and literature courses counterfeit texts that capture the barely suppressed frustration and yearning that percolate just below the surface of most official documents The innovative stories collected in *Fakes* including ones by Ron Carlson a personal ad Amy Hempel a complaint to the parking department Rick Moody Works Cited and Lydia Davis a letter to a funeral parlor trace the increasingly blurry line between fact and fiction and exemplify a crucial form for the twenty first century

The Best Christian Short Stories Bret Lott, 2006-07-02 The first volume in a collection of contemporary fiction that combines the artistry of critically acclaimed writers with a clear Christian worldview From Homer Hickam the best selling author of *Rocket Boys* which later became the movie *October Sky* to editor and contributing best selling author Bret Lott this collection spans a talented community writing an eclectic blend of fiction Each piece stands alone as stellar fiction And each piece confronts us with who we are and forces us to look deeply at the human condition From the dirt lanes of North Africa to the suburbs of

California exuding lightheartedness and profundity hilarity and tragedy these stories will take you on a fresh and entertaining journey Perfect in Their Art Robert Hedin, Michael Waters, 2003 Since Homer boxing has been fertile ground for poets The boxer as tragic hero archetype seems to have particular power in the poems collected here fatally flawed champs like Jack Johnson and Sonny Liston are poetic subjects at least as often as Joe Louis and Ali *British Museum Catalogue of printed Books* ,1895 **New Stories from the South 1993** Shannon Ravenel, 1993-01-01 Stories by writers with Southern backgrounds deal with the modern problems of life in the South **Never Say Boo to a Ghost** John Foster, 2003 John Foster and Korky Paul's phenomenally successful poetry partnership began over 10 years ago with the publication of this book The combination of John's inspired witty selection of poems with Korky's crazily imaginative and anarchic illustrations has proved exceptionally popular Features a fantastic range of poets including Jack Prelutsky Tony Bradman Adrian Henri Ian Serraillier and Judith Nicholls The mixture of funny poems and zany illustrations makes this book a great way to introduce young children to poetry **Someone I Like** ,2000 Sisters brothers teachers parents grandparents best friends everyone must learn about and live in relationships from an early age In this fine anthology of poems compiled by poet Judith Nicholls all kinds of human relationships are explored sometimes comically sometimes poignantly Poems by Gwendolyn Brooks Charlotte Zolotow Langston Hughes Eloise Greenfield and many other well known and less familiar writers fill the beautifully illustrated pages with wit and soul Giovanni Manna's china ink and watercolor paintings have an unusual appealing feel and perfectly complement each poem whether it was written in China in the first century B C or last year at a computer in a New York apartment building Common themes such as new sibling ambivalence fights among friends and aging grandparents are covered as well as imaginary playmates and overly kissy aunts Rhythm and rhyme lilting musical verses readers do not need to be poetry aficionados to fall in love with this marvelous collection As in this poem by Andrew Collett about a teacher telling stories to her class these poems take us far away We all sit in silence we just sit and stare for when teacher tells us stories she makes us feel we're there AGES 4 and up *Obsession* Carolyn Beard Whitlow, Marilyn Krysl, 2014-03-04 The sestina of medieval French origin is a complex poetic form of 39 lines six sestets and a three line envoy in which the six end words teleutons of the lines of the first sestet stanza are repeated in a specific order as teleutons in the five succeeding sestets In the envoy the six teleutons are again picked up one of them being buried in and one finishing each line Because of the complexity of the form the sestina fell out of favor with poets for several decades However a twenty first century revival of the form is underway This is the first anthology of sestinas that showcases both traditional and innovative examples of the form by modern and contemporary poets award winners and emerging writers alike Organized by such themes as Americana Art Love and Sex and Memory Contemplation Retrospection and Death the collection also includes sestinas with irregular teleutons and unconventional sestinas An evocative introduction by Marilyn Krysl acquaints readers with the form The volume concludes with useful indexes of first lines and teleutons increasing access to the poems beyond
