Story Power Compelling Illustrations For Preaching And Teaching:

Story Power! James A. Feehan, 1994 **Sower's Seeds of Encouragement** Brian Cavanaugh, 1998 Stories that offer hope humor and healing in dealing with everyday life There are numerous sources of inspiration here for Lent and Easter sermons 1001 Illustrations That Connect Craig Brian Larson, Phyllis Ten Elshof, 2009-01-06 Every preacher teacher or writer knows the value of a good illustration in helping connect the truth of the passage with the congregation or class and how hard it is to come up with good illustrations week after week This book contains the cream of the crop 1001 illustrations carefully selected from among thousands on Christianity Today International's popular website PreachingToday.com These illustrations are proven memorable and illuminating As the saying goes they will preach And they're fresh all written within the past seven years Of course the best illustrations are no good if you can't find the right one These illustrations have been arranged according to twelve master topics each divided into several subtopics Further they've been indexed according both to Bible references and to 500 keywords A searchable CD ROM is included allowing you to get the illustration into your lesson or sermon with ease The Sower's Seeds Brian Cavanaugh T. O. R., 2004 For over a decade the Sower's Seeds books have been a wonderful resource for teachers preachers and anyone who has to speak in front of an audience Now author Brian Cavanaugh has revised and expanded his original volume with twenty new stories for old fans as well as a whole new audience He includes stories of inspiration warmth and insight arranged around numerous universal themes ranging from awareness compassion perseverance and wisdom to such unusual themes as baseball Thomas Edison hospitality and risk taking While the majority of stories are anonymous there are some attributed to well known names like Zig Ziglar Mickey Mantle and Theodore Roosevelt Years before there was Chicken Soup Sower's Seeds was making readers laugh cry and come away with a warm heart The newest book like the others in the series is ideal both for quiet inspiration and for handy on the run fun This is storytelling at its best **Using Illustrations to Preach with Power (Revised Edition)** Bryan Chapell, 2001-04-04 If the apostle Paul had not punctuated his words with images of the armor of God or the racecourse would we so easily remember his instruction The march on Washington might have become nothing more than a ragged hike across a majestic mall if Martin Luther King Jr had not led us through a dream and onto a mountaintop Such is the power of illustrations They contain a hidden dynamic of living that captures our attention and furthers our understanding in a way that no other sermonic tool can match Can they be overused and their purpose abused Yes and by many they are But to eliminate them completely would be unwise maintains Bryan Chapell Instead he responds to those concerns by reviewing the theory behind illustrations sharing why they're important and demonstrating how you can use them effectively in your biblical preaching This book clearly affirms that illustrations are integral to powerful preaching not because they entertain but because they expand and deepen applications in the lives of your listeners They infuse your words with life without comprising the message making the truth of the Word ring clearly in people's hearts long after your sermon is done
