Richard Simon Critical History of the Text of the New Testament Andrew W.R. Hunwick, 2013-02-15 In *Critical History of the Text of the New Testament* 17th century Oratorian Richard Simon 1638 1712 father of modern biblical criticism surveys the genuineness accuracy authority and reliability of all then known sources of the New Testament He makes rigorous objective and expert use of a staggering quantity of material relating to the text Greek and Latin manuscripts early versions quotations from the Old Testament in the New from the Church Fathers and other commentators of all periods Though in his day Simon was contradicted opposed persecuted and silenced it is precisely because three centuries ago he dared to be different and because of his knowledge and his scrupulously scientific approach that his work deserves to reach a wider audience

Bible History Old Testament New Updated Edition Alfred Edersheim, 1994-09-01 In this enduring classic Alfred Edersheim explores the broad sweep of Old Testament history He brings to his work his immense learning and familiarity with Judaism as well as his love for Scripture and his desire for every Christian to know and understand the story of God's redemptive work in history This new edition of Edersheim's classic features the following improvements Entirely reset in a modern and easy to read typeface Complete and unabridged in one volume Arabic numbers replace roman numerals New maps to provide for richer understanding In writing it *Bible History Old Testament* I have primarily had in view those who teach and those who learn whether in the school or in the family But my scope has also been wider I have wished to furnish what may be useful for reading in the family what indeed may in some measure serve the place of a popular exposition of the sacred history More than this I hope it may likewise prove a book to
