Mary Higgins Clark Linda De Roche, 2011-03-21 This incisive exploration probes the relationship between the novels of bestselling author Mary Higgins Clark and the key events and influences of her life In her 2002 memoir *Kitchen Privileges* Mary Higgins Clark shared the details of her life with her readers but she offered little significant reflection on those details For that readers must look to her fiction where her themes characters and subjects suggest her responses to her life experiences Mary Higgins Clark *Life and Letters* provides readers with an analysis of these connections in a volume that should increase their understanding and

appreciation of the author and her work Focusing on subjects associated with the literary elements of representative Clark novels Linda De Roche explores the relationship between the life of this bestselling author and the books that have won her legions of fans for more than a quarter century Themes and issues woven into Clark s fiction such as the role of the past in people s lives repercussions of violence and the concept of identity are considered while close critical readings uncover psychological feminist and sociopolitical interpretations that will delight fans and inform scholars **Stowaway Angel** Cheryl St. John,2012 Charlie McGraw never should have bought the angel book for his precocious daughter Because then Meredith wouldn t be convinced that getting a new mommy was as simple as having an angel sprinkle him with her miracle dust And she never would have believed the beautiful blond haired woman who drove a truck called the Silver Angel was some treetop angel come to life Starla Richards was no angel but try telling that to a five year old who was so starved for a mother s love that she d stowed away on Starla s rig Or convincing herself that miracles just didn t happen to ordinary people when Starla found herself snowbound with a handsome caring widower and his adorable daughter **Stowaway Joe** Shute,2024-04-11 A NEW SCIENTIST NON FICTION BOOK OF THE YEAR A cultural and social history of the rat examining how one creature achieved total world domination and has inspired such love and loathing Rats are creatures which inspire fear and fascination in equal measure Their lives are more closely entwined with humans than any other animal but they remain the most misunderstood of all species No animal has sacrificed more in the pursuit of human health but also been so resolutely blamed for spreading plague and pestilence No animal has been so determinedly targeted by humans and still managed to survive and thrive in our midst No animal is so often derided as being vicious and cunning but possesses such a rich inner life In Stowaway Joe Shute explores our complex and often contradictory relationship with the rat He travels the world from sub Saharan Africa to the Rocky Mountains and visits some of the most rodent infested cities on earth to unpick the myths we tell ourselves about rats and investigate the unexplored secrets of their own extraordinary lives He examines the way in which rats have shaped human history and meets cutting edge researchers harnessing the power of rat intelligence to achieve incredible results He explores the hidden world they inhabit beneath our feet as well as their role in natural ecosystems And through his own pet rats he discovers the close emotional bonds they form with humans when given the chance Ultimately this is a book which questions what the lives of rats reveal to us about our own and whether there might be a better way to live alongside our ancient enemies in the modern age **Stowaway Suzi** John Green,2018-09-24 A deeply flawed man finds his greatest love in the remote hills of Northern Arizona Together they face mortal dangers and struggle to survive as they watch the world they know fall into red ruin Much later he must decide if he can accept another type of love as a culture in a different form evolves Two centuries later his descendant finds an unlikely love amidst enemies who have come to destroy the fragile society that remains An apocalyptic story laced with love and deep friendships often crossing cultural and racial lines Adventure action and touch of mysticism round out a sweeping epic Stowaway, and
