Wayne Gunn, 2016-02-04 Examining the development of gay American fiction and providing an essential reading list this
literary survey covers 257 works novels novellas a graphic story cycle and a narrative poem in which gay and bisexual male

Living the Truth in Love grew out of the desire to provide answers to the questions posed in the Lineamenta for the Synod on
Marriage of 2015 in Rome How can the Christian community give pastoral attention to families with persons with
homosexual tendencies What are the responses that in light of cultural sensitivities are considered to be most appropriate
While avoiding any unjust discrimination how can such persons receive pastoral care in these situations in light of the Gospel
How can God's will be proposed to them in their situation 40 People who want to be instruments of Christ's love to those who
experience same sex attraction among them our children brothers and sisters aunts and uncles parents friends and
coworkers seek guidance on how best to do so We need to listen to the stories of those who experience SSA and the stories of
those who have accompanied them on their journeys We also need to ground our responses in a genuine Christian
understanding of the human person and of human sexuality More and more of those who have left the gay life style are
telling their stories stories that disclose that engaging in homosexual sexual acts has not delivered the happiness sought
Fortunately for many there is a second chapter to the story a beautiful story of falling in love with Jesus and his Church of
finding an ennobling understanding of the truth of the human person Their journeys and transformations have often been
facilitated by family members and friends counselors and spiritual directors who have been affirming and accepting of those
who experience same sex attraction without approving all their choices Those who courageously face the realities of their
lives and resolutely make the changes necessary a process generally involving a significant amount of suffering prayer
commitment to the sacraments and a refashioning of relationships eventually find peace not misery in accepting the Church's
teaching on sexuality In their willingness to undergo conversions of many kinds and in their desire to seek holiness and live
lives of complete self giving they become witnesses of the saving power of Jesus love and the graces he bestows on those who

love him This volume includes essays that lay out the Christian view of the human person and of human sexuality essays that challenge the bifurcation of sexualities into heterosexual and homosexual Topics include an explanation of the meaning of the word disorder a discussion of the therapeutic power of friendship and an application of St Pope John Paul II s personalism to the question of same sex attraction Psychologists and counselors explain various ways of affirming those who experience SSA and of leading them to experience the power of Christ s healing love Several of those who experience SSA tell their touching and inspiring stories
