Strange Deaths Of President Harding:

The Strange Deaths of President Harding Robert H. Ferrell, 1998-09-16 Rumors circulated of the president's death by poison either by his own hand or by that of his wife allegations of an illegitimate daughter were made and questions were raised concerning the extent of Harding's knowledge of the Teapot Dome scandal and of irregularities in the Veterans Bureau as well as his tolerance of a corrupt attorney general who was an Ohio political fixer Journalists and historians of the time added to his tarnished reputation by using sources that were easily available but inaccurate In *The Strange Deaths of President Harding* Ferrell lays out the facts behind these allegations for the reader to ponder *The Strange Death of President Harding* Gaston B. Means, 2001-09 Awesome inside track from the diaries of Gaston B Means and his the Department of Justice Investigations Means asserts that Harding was poisoned Mrs Harding employed Gaston Means as a private detective in 1921 Teapot Dome was breaking The scandal took its toll and by the spring of 1923 Harding was visibly distraught at what he regarded as the betrayal of his friends who were taking advantage of his kindness and lax administration He sought escape from Washington in mid June by taking a trip to Alaska with his wife and a large entourage On his way home at the end of July the president complained of abdominal pain but he seemed to rally as he rested at a San Francisco hotel On the evening of August 2 however as his wife read to him from a magazine Harding suddenly died from either a heart attack or stroke This book is full of cool insider and conspiracy stuff for lack of a better word The appendix lists a number of deaths suicides investigation notes a request by Mrs Harding that no death mask be made a few details on the death of General Sawyer died in the same mysterious manner as Harding who may or may not have been in Harding's death room etc The Teapot Dome Scandal also called The Oil Reserves or Elk Hills Scandal in American history was a scandal of the early 1920s surrounding the secret leasing of federal oil reserves by the Secretary of the Interior Albert B Fall After President Warren G Harding transferred supervision of the naval oil reserve lands from the Navy to the Department of the Interior in 1921 Fall secretly granted to Harry F Sinclair of the Mammoth Oil Company exclusive rights to the Teapot Dome Wyoming reserves April 7 1922 He granted similar rights to Edward L Doheny of Pan American Petroleum Company for the Elk Hills and Buena Vista Hills reserves in California 1921-22 In return for the leases Fall received large cash gifts and no interest loans When the affair became known Congress directed President Harding to cancel the leases the Supreme Court declared the leases fraudulent and ruled illegal Harding's transfer of authority to Fall Although the president himself was not implicated in the transactions that had followed the transfer the revelations of his associates misconduct took a severe toll on his health disillusioned and exhausted he died before the full extent of the wrongdoing had been determined In 1920 Harding won the presidency by the greatest popular vote margin to that time He died during his third year in office and was succeeded by Vice President Calvin Coolidge His brief administration accomplished little of lasting value however and soon after his death a series of scandals doomed the Harding presidency to be judged among the worst in American history

Banner Jr., 2019-07-02 Named a best book of the year by The Economist and Foreign Affairs A whole book devoted exclusively to the misconduct of American presidents and their responses to charges of misconduct is without precedent from the introduction to the 1974 edition by C Vann Woodward Pulitzer Prize winning Yale historian The historic 1974 report for the House Committee on the Judiciary updated for today by leading presidential historians In May 1974 as President Richard Nixon faced impeachment following the Watergate scandal the House Judiciary Committee commissioned a historical account of the misdeeds of past presidents The account compiled by leading presidential historians of the day reached back to George Washington s administration and was designed to provide a benchmark against which Nixon s misdeeds could be measured What the report found was that with the exception of William Henry Harrison who served less than a month every American president has been accused of misconduct James Buchanan was charged with rigging the election of 1856 Ulysses S Grant was reprimanded for not firing his corrupt staffer Orville Babcock in the Whiskey Ring bribery scandal and Franklin D Roosevelt s administration faced repeated charges of malfeasance in the Works Progress Administration Now as another president and his subordinates face an array of charges on a wide range of legal and constitutional offenses a group of presidential historians has come together under the leadership of James M Banner Jr one of the historians who contributed to the original report to bring the 1974 account up to date through Barack Obama s presidency Based on current scholarship this new material covers such well known episodes as Nixon s Watergate crisis Reagan s Iran Contra scandal Clinton s impeachment and George W Bush s

connection to the exposure of intelligence secrets But oft forgotten events also take the stage Carter s troubles with advisor Bert Lance Reagan s savings and loan crisis George H W Bush s nomination of Clarence Thomas to the Supreme Court and Obama s Solyndra loan controversy The only comprehensive study of American presidents misconduct and the ways in which chief executives and members of their official families have responded to the charges brought against them this new edition is designed to serve the same purpose as the original 1974 report to provide the historical context and metric against which the actions of the current administration may be assessed
