Studies In Discipleship:

Being a Disciple Kay Arthur, Tom Hart, Jane Hart, 2009-07-21 This brand new Bible study series from beloved Bible teacher Kay Arthur and the teaching staff of Precept Ministries tackles important issues in brief easy to grasp lessons you can benefit from personally or as part of a small group Each book in the series includes six 40 minute studies designed to draw you into God's Word through basic inductive Bible study As Kay explains Rather than simply reading or listening to what others say about a subject you are going to see for yourself what God says about it Join one of the world s most respected Bible teachers in a study that will revolutionize your thinking and your life What is the difference between a true follower of Jesus Christ and others who merely call themselves Christian Kay Arthur and Tom and Jane Hart point the way to clear answers in this instructive study of what Jesus had to say about the subject Through these eye opening inductive studies of passages from the Gospels you can better understand the distinctive marks of a disciple of Christ and how to make sure they are true of your own life Join Kay Arthur in exploring what it means to count the cost deny yourself and follow Christ **Disciplemaking** Judy Streeter, 2012-01-05 For a person of faith life can be a smorgasbord of choices often described as exciting opportunities Conferences seminars classes book studies CD s retreats videos workshops and need specific Bible studies abound all designed to encourage spiritual growth But are Christians truly grounded in the bedrock of doctrine that supports and enriches their faith Can they explain what they believe Are they equipped so they can teach others Do they have any cultural impact at all In these post Christian times Judy Streeter encourages a return to the example of Jesus Christ while He was on earth His primary plan was to disciple a few men It was where He invested most of His time knowing that the continuation of His teachings rested on their shoulders The combination of good instruction plus accountability within a small group makes for a fertile environment where solid growth can occur Convinced that the church needs this kind of dynamic to nurture its own and to withstand the influences of a secular culture Judy makes a strong case for the importance and effectiveness of obeying Christ's command to go and make disciples Beginning with the convicting principles of Scripture and moving into a clear definition of discipleship this book is doctrinally solid yet practical and obviously written by someone who has spent years doing what is recommended **Nurturing a Passion for Prayer** Professor of European Politics Department of European Studies Michael Smith, Michael M. Smith, 2000-02-15 Prayer is communication with the Creator of the Universe Develop this spiritual discipline to deepen your relationship with God

Morris, 2020-03-31 Each congregation has a unique spiritual attack mission field Several tools for developing disciples and for engaging in discipleship are available to churches however the resources assume that the churches using them are similar to the church that created them With Gospel Discipleship individuals and churches learn how to engage in self reflection which then defines a path that fits their context The discipleship path for each individual disciple is assessed and determined through the Gospel Discipleship Participant Guide while this Gospel Discipleship Congregation Guide guides the implemntation of the program and assesses the discipleship path for the congregation as a whole Therefore the program leader s needs the congregation guide while individual participants need their own participant guide With Gospel Discipleship churches can identify a pathway for discipleship applied from one of the four Gospel storytellers Matthew Mark Luke and John Each had a distinct approach to discipleship which can be applied to a given church s identity vision and mission As disciples are encouraged by the church to step beyond the door and engage the needs of people they can be sent forth confidently with an awareness of personal unique gifts and insights into the actual mission field where they participate with God in changing the world Small Group Ralph Gonzales, 2020-03-06 Small group meetings are the central strategy of disciple making Discipleship can t even really take place if you re not meeting with those whom you re discipling or the person discipling you at some point in a small group setting Sunday school and other classes at church are important and we all have need of them but small groups are unique in their method to achieve many discipleship goals The personal touch exampleship fellowship counseling accountability teaching learning God's Word praying together and opportunity for disciples to teach what they have learned are all things to equip disciples to become mature and to eventually be sent out to start their own small group Other benefits include worshipping with other believers in a smaller more personal setting community and getting to know other believers It s also an outreach tool Small groups are a place to invite people to learn about God Some of the most fruitful soul winning ministries in the world have a strong small group ministry Therefore the need for more small groups is huge In this workbook there are thirty Bible studies to help you start a small group or give you new material to teach at the small group you already lead The studies are easy to use and touch on very important topics to help everyone in the small group grow in their walk

with God **Disciples and Discipleship** Ernest Best, 1986 The Moral Life According to Mark M. John-Patrick O'Connor, 2022-04-21 M John Patrick O Connor proposes that in contrast to recent contemporary scholarship that rarely focuses on the ethical implications of discipleship and Christology Mark's Gospel as our earliest life of Jesus presents a theological description of the moral life Arguing for Mark's ethical validity in comparison to Matthew and Luke O Connor begins with an analysis of the moral environment of ancient biographies exploring what types of Jewish and Greco Romanic conceptions of morality found their way into Hellenistic biographies Turning to the Gospel's own examples of morality O Connor examines moral accountability according to Mark including moral reasoning the nature of a world in conflict and accountability in both God's family and to God's authority. He then turns to images of the accountable self including an analysis of virtues and virtuous practices within the Gospel O Connor concludes with the personification of evil human responsibility punitive consequences and evil s role in Mark s moral landscape Discipleship Discoveries John R. Bond, 1995 First Principles Tom Jones, Randy McKean, 1996-06-01 The Concept of Disciple in Matthew's Gospel, as Reflected in the Use of the Term "Mathetes" Michael J. Wilkins, 2014-04-03
