Sell,2020-08-12 Reproduction of the original Bible Studies in the Life of Paul by Henry T Sell *Reading the Letter to Titus in Light of Crete* Michael Robertson,2023-11-20 This volume argues that Titus s invocation of Crete affected the ways early readers developed their identities Using archaeological data classical writings and early Christian documents he describes multiple traditions that circulated on Crete and throughout the Roman Empire concerning Cretan Zeus Cretan social structure and Cretan Judaism He then uses these traditions to interpret Titus and explain how the letter would intersect with and affect readers identities Because readers had differing conceptions of Crete based on their location and access to and evaluation of Cretan traditions readers would have developed their identities in multiple conflictual even contradictory ways *Studies On The Paratextual Features Of Early New Testament Manuscripts*

One Flesh Joe Fogle, 2007-05-05 On the sixth day of creation God formed Adam from the dust of the earth God then formed Eve from Adam's side From this day forward man was to leave his father and mother and cleave to his wife The two are joined together by God in a permanent one flesh relationship After man fell the sins of adultery fornication polygamy and divorce altered God's intention for marriage This was true of those both outside and inside God's covenant community By the time the Lord Jesus Christ came in the flesh the traditions of Judaism had either changed or nullified God's command for marriage The Lord Jesus Christ came and stated God's original intent for marriage 1 Permanence The husband and wife are one flesh They are permanently joined in a covenant relationship for life No person has the legal or moral authority to end what God has joined together No sin or legal document can dissolve the one flesh bond 2 Forgiveness This is Christ's emphasis in dealing with sin When one spouse fails the love of Christ compels the other to forgive Hardness of heart is the cause of unforgiveness and results in divorce Because of the biblical teachings of Jesus and Paul the early church held to the permanence of marriage Over the centuries Christ's commands on the permanence of marriage have been either changed or nullified They have been replaced with the traditions of men In theory Christians are taught that they may divorce and remarry if their spouse commits adultery or deserts them In practice many evangelical Christians are divorcing and remarrying for almost any reason The Lord Jesus Christ taught God's original intentions regarding forgiveness and divorce The Word of God has not changed What God has joined together let no man separate Mark 10:9

Representing God Méadhbh McIvor, 2020-10-06 Over the past two decades increasing numbers of Britons possessing Christian views and beliefs have taken to the courts to enforce what are framed as religious rights under both European and domestic legislation These cases typically involve Christians who have been penalized for seeking faith-based exemptions from their conditions of employment e.g. Christian registrars who claim a conscientious objection to registering the marriages or civil partnerships of same sex couples or employees who ask for exceptions to uniform policies that forbid the visible wearing of religious jewellery crosses and crucifixes Observers of American politics and culture will be familiar with the view that devout Christians are victims of secular intolerance American right wing evangelical groups have launched well funded legal challenges to federal and state laws with a view to establishing opt out or conscientious objection provisions of the sort noted above Some of these cases will be heard by the U.S. Supreme Court soon The American connection to the English controversies is direct as the legal activism of English lobby organizations such as the Christian Legal Centre CLC is inspired by American conservative legal strategies and CLC also receives donations from American

sources Although it should be noted that most of CLC s donor base is English This is an especially delicate matter in England a country which maintains an established Church but which remains wary of those who do God in public This book is an ethnographic investigation of this contemporary issue and is based on the author s two years of ethnographic research split between a conservative Christian lobby group CLC and a conservative evangelical church in London The author reveals that evangelicals on the ground are deeply ambivalent about the impact of this legal theology Although some wholeheartedly support the legal battles waged by organizations like CLC and see them as essential for allowing them to discharge their missionary obligations others are concerned about the possible negative consequences of using secular law as a vehicle for their faith and the potential damage such legal strategies might do to their efforts to spread the Gospel

Exegetical Crossroads Georges Tamer, Regina Grundmann, Assaad Elias Kattan, Karl Pinggéra, 2017-12-18 The art of interpreting Holy Scriptures flourished throughout the culturally heterogeneous pre modern Orient among Jews Christians and Muslims Different ways of interpretation developed within each religion not without considering the others How were the interactions and how productive were they for the further development of these traditions Have there been blurred spaces of scholarly activity that transcended sectarian borders What was the role played by mutual influences in profiling the own tradition against the others These and other related questions are critically treated in the present volume

Benefaction and Patronage in Leadership Nathan Nzyoka Joshua, 2018-11-30 Since antiquity many have come to view benefaction and patronage in a negative light largely due to the increasingly immoral motives of those involved in systems that can be exploitative or corrupt Dr Nathan Joshua provides a counter to this perception and instead draws attention to the goodness of godly benefaction and patronage from an African Christian perspective Dr Joshua gives a detailed historical analysis of the Pastoral Epistles in the social context of benefaction and patronage in the first century AD while offering a comparative study on how to carefully apply the values of benefaction and patronage in light of Paul s perspective in the Pastoral Epistles in Christian life and leadership This is a valuable resource addressing the need for leadership with integrity and challenging the negative outlook surrounding

Scheeren, 2024-03-07 In Acts we see the harrowing exploits of Peter and Paul The book itself was penned by a Gentile physician by the name of Luke It is of interest to note that Paul and Luke two of the most articulate intelligent and highly educated men of their time together account for 60% of the New Testament In these pages we clearly see the coming and indwelling of the Holy Spirit as well as the explosive power and influence of the Gospel Gordon Haresign internationally known author professor speaker and Chairman of the Board of Directors of Scripture Union speaking about the Dynamic Bible Studies series produced by Scheeren has said These are among the finest if not the finest inductive Bible studies available today I strongly endorse them This sentiment was echoed by Dr Dilo Paul a materials scientist who said I love these studies as they guide me through finding the answers to questions that arise during Bible study from the Bible itself Dr Richard Freeman Vice President of Chosen People Ministries said I have found Fred Scheeren's Bible study material to be quite thorough as well as extremely insightful I have used it as a resource myself in preparing Bible studies for group study and for my own personal study of the Bible I recommend it highly to others Steve White Ph D author and International Director of 21C International said Fred hits a great blend of commentary historical context and practical application The study questions are clear thought provoking and relevant I could easily recommend this for either individual or group study Robert T Mason former executive at an international firm and in his second career as a pastor said Fred has done it again He has a great way of opening up and explaining the Word of God
