Studies In Jewish Jurisprudence Edited And With Introduction By Edward M Gershfield:

Studies in Jewish Jurisprudence Edward M. Gershfield,1971 **Torah Through Time** Shai Cherry,2010-01-01 This book provides a highly readable engaging introduction to Jewish biblical interpretation Jewish Book World Cherry has analyzed the biblical commentary of some of the renowned Jewish scholars of the last 2 000 years The result is a work of excellent scholarship and imagination Booklist Cherry shows how the Torah functions as literature that is fluid compelling and persistently generative of new meanings Christian Century Every commentator from the classical rabbi to the modern day scholar has brought his or her own worldview with all of its assumptions to bear on the reading of holy text This relationship between the text itself and the reader s interpretation is the subject of Torah Through Time Shai Cherry traces the development of Jewish Bible commentary through three pivotal periods in Jewish history the rabbinic medieval and modern periods The result is a fascinating and accessible guide to how some of the world s leading Jewish commentators read the Bible Torah Through Time focuses on specific narrative sections of the Torah the creation of humanity the rivalry between Cain and Abel Korah s rebellion the claim of the daughters of Zelophehad and legal matters concerning Hebrew slavery Cherry closely examines several different commentaries for each of these source texts and in so doing he analyzes how each commentator resolves questions raised by the texts and asks if and how the commentator s own historical frame of reference his own time and place contributes to the resolution A chart at the end of each chapter provides a visual summary that helps the reader understand the many different elements at play **Studies in Jewish Jurisprudence** ,1971 Collection of monographs originally published in various periodicals **A History of the Mishnaic Law of Damages, Part 4** Jacob Neusner,2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship [A History of the Mishnaic Law of Damages, Part Four](#) Jacob Neusner,2023-11-27 The history of Jews from the period of the Second Temple to the rise of Islam **How Jewish Laws and Customs Develop Over Time** James N Gershfield,2023-06-01 How

have Jewish laws developed over the last 1 000 years How do Jewish laws develop differently than those in other legal systems How do Jewish customs relate to Jewish laws When do Jewish customs take on the force of law How do Jewish customs start and how do they stop Is there such a thing as a good custom or a bad custom These questions are considered and answered in this very approachable book based on a lecture given by the late Rabbi Edward M Gershfield in the early 1970 s Many examples are given to illustrate the points made in this easy to understand lecture which will appeal to anyone who is interested in understanding the unique nature of Jewish laws and customs and how they have developed over time Rabbi Gershfield was a Professor of Talmud and Rabbinics at the Jewish Theological Seminary JTS for over four decades in the latter half of the twentieth century He received his Rabbinical ordination at JTS in 1958 and received a DPhil degree from Oxford University on Comparative Roman and Jewish Law in 1965 He served as a member of the Committee on Jewish Law and Standards of the Rabbinical Assembly in New York City Rabbi Gershfield passed away in 2019 An introduction by the editor is included as well as a glossary of Jewish and legal terms

A History of the Mishnaic Law of Damages, Part 3 Jacob Neusner,2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship

A History of the Mishnaic Law of Damages, Volume 3: Baba Batra, Sanhedrin, Makkot Jacob Neusner,2024-03-11 The history of Jews from the period of the Second Temple to the rise of Islam

A History of the Mishnaic Law of Damages, Part 2 Jacob Neusner,2007-04-01 The history of Jews from the period of the Second Temple to the rise of Islam From A History of the Mishnaic Law of Appointed Times Part 1 This volume introduces the sources of Judaism in late antiquity to scholars in adjacent fields such as the study of the Old and New Testaments Ancient History the ancient Near East and the history of religion In two volumes leading American Israeli and European specialists in the history literature theology and archaeology of Judaism offer factual answers to the two questions that the study of any religion in ancient times must raise The first is what are the sources written and in material culture that inform us about that religion The second is how have we to

understand those sources in reconstructing the history of various Judaic systems in antiquity The chapters set forth in simple statements intelligible to non specialists the facts which the sources provide Because of the nature of the subject and acute interest in it the specialists also raise some questions particular to the study of Judaism dealing with its historical relationship with nascent Christianity in New Testament times The work forms the starting point for the study of all the principal questions concerning Judaism in late antiquity and sets forth the most current critical results of scholarship

A History of the Mishnaic Law of Damages, Part Two Jacob Neusner, 2023-11-27 The history of Jews from the period of the Second Temple to the rise of Islam *Conservative Judaism*, 1993 **Studies in Jewish Jurisprudence** Edward M.

Gershfield, 1971 **Current Publications in Legal and Related Fields**, 1971 **And the Sages Did Not Know** Sarra Lev, 2024-01-02 This book explores the question How did the rabbis of the first two centuries CE approach bodies that are born with variant genitals bodies that they could not identify as definitely male or female The rabbis had constructed a system in which every behavior was governed by one's sex gender posing a conundrum both for people who did not fit into that model and for the rabbinic enterprise itself Despite this their texts contain dozens of references to intersex And the Sages Did Not Know examines the rabbis' legal texts and concludes that they had multiple approaches to intersex people Sarra Lev analyzes seven different rabbinic responses to this conflict of their own making Through their rulings on how intersex people should conduct themselves in multiple circumstances the early rabbis treat intersex people as unidentifiable males or females as indeterminate as male as non gendered as sui generis as part male part female as a sustainable paradox and finally as a way for them to think about gender having nothing to do with intersex people themselves This is the first such work that concentrates primarily on the potential effects of these rabbinic texts on intersex persons themselves rather than focusing on what the texts offer readers whose interest is rabbinic approaches to sex and gender or gender diversity Although the rabbinic texts do not include the voices of known intersex people these materials do offer us a window into how one small group of people approached intersex bodies and how those approaches were both similar to and different from those we recognize today *A History of the Mishnaic Law of Damages: Shebuot, Eduyot, Abodah Zarah, Abot, Horayot, translation and explanation* Jacob Neusner, 1985 *A History of the Mishnaic Law of Damages* Jacob Neusner, 1983

Criminal Justice Ronald Pennock, John W. Chapman, 1985-03-01 This the twenty seventh volume in the annual series of publications by the American Society for Political and Legal Philosophy features a number of distinguished contributors addressing the topic of criminal justice Part I considers The Moral and Metaphysical Sources of the Criminal Law with contributions by Michael S Moore Lawrence Rosen and Martin Shapiro The four chapters in Part II all relate more or less directly to the issue of retribution with papers by Hugo Adam Bedau Michael Davis Jeffrie G Murphy and R B Brandt In the following part Dennis F Thompson Christopher D Stone and Susan Wolf deal with the special problem of criminal responsibility in government one of great importance in modern society The fourth and final part echoing the topic of

NOMOS XXIV Ethics Economics and the Law addresses the economic theory of crime The section includes contributions by Alvin K Klevorick Richard A Posner Jules L Coleman and Stephen J Schulhofer A valuable bibliography on criminal justice by Andrew C Blamar concludes this volume of NOMOS **Creating an Ethical Jewish Life** Byron L .Sherwin,Seymour, Cohen,2000-12-04 The classic texts of Jewish ethical literature works little known to most of us now available for personal study This one of a kind book brings Jewish ethical literature from ancient and medieval worlds straight into our twenty first century lives **Catalog of Copyright Entries. Third Series** Library of Congress. Copyright Office,1973 [A History of the Mishnaic Law of Damages: Baba mesia](#) Jacob Neusner,1983
