Studies In Ancient Yahwistic Poetry:

Studies in Ancient Yahwistic Poetry Frank Moore Cross, David Noel Freedman, 1997 This classic study of ancient Yahwistic poetry untangles some of the serious textual difficulties and linguistic obscurities that for many years have been a challenge to students of the Hebrew Bible **Studies in Ancient Yahwistic Poetry** Frank Moore Cross Jr., 2013-04

Exodus Thomas B. Dozeman, 2009-11-13 In this volume Thomas Dozeman presents a fresh translation of the Hebrew text of Exodus along with a careful interpretation of its central themes literary structure and history of composition He explores two related themes in the formation of the book of Exodus the identity of Yahweh the God of Israel and the authority of Moses the leader of the Israelite people Dozeman clarifies the multiple literary genres within the text identifies only two separate authors in the book s composition and highlights the rich insights that arise from the comparative study of the ancient Near Eastern literary tradition Also treating the influence of Exodus in the history of Jewish and Christian

interpretation Dozeman s comprehensive commentary will be welcomed by Old Testament scholars **Journal for the Evangelical Study of the Old Testament, 3.1** Stephen J. Andrews, 2014-08-15 Journal for the Evangelical Study of the Old Testament JESOT is a peer reviewed journal devoted to the academic and evangelical study of the Old Testament The journal seeks to fill a need in academia by providing a venue for high level scholarship on the Old Testament from an evangelical standpoint The journal is not affiliated with any particular academic institution and with an international editorial board open access format and multi language submissions JESOT cultivates and promotes Old Testament scholarship in the evangelical global community The journal differs from many evangelical journals in that it seeks to publish current academic research in the areas of ancient Near Eastern backgrounds Dead Sea Scrolls Rabbinics Linguistics Septuagint Research Methodology Literary Analysis Exegesis Text Criticism and Theology as they pertain only to the Old Testament JESOT also includes up to date book reviews on various academic studies of the Old Testament **Images of Egypt in Early Biblical Literature**

Stephen C. Russell, 2009 This book suggests a regional paradigm for understanding the development of the traditions about Egypt and the exodus in the Hebrew Bible It offers fresh readings of the golden calf stories in 1 Kgs 12 25 33 and Exod 32 the Balaam oracles in Num 22 24 and the Song of the Sea in Exod 15 1b 18 and from these paints a picture of the differing traditions about Egypt that circulated in Cisjordan Israel Transjordan Israel and Judah in the 8th century B C E and earlier In the north an exodus from Egypt was celebrated in the Bethel calf cult as a journey of Israelites from Egypt to Cisjordan without a detour eastward to Sinai This exodus was envisioned in military terms as suggested by the nature of the polemic in Exod 32 and the attribution of the exodus to the warrior Yahweh Israel s own deity In the east a tradition of deliverance from Egypt was celebrated rather than the idea of a journey and it was credited to El In the south Egypt was recognized as a major enemy whom Yahweh had defeated but the traditions there were not formulated in terms of an exodus While acknowledging the reshaping of these traditions in response to the exile Images of Egypt argues that they originated in the pre exilic period

and relate to Syro Palestinian history as it is otherwise known A Guide to Biblical Commentaries and Reference Works John F. Evans,2016-05-03 A Guide to Biblical Commentaries and Reference Works by John F Evans summarizes and briefly analyzes all recent and many older commentaries on each book of the Bible giving insightful comments on the approach of each commentary and its interpretive usefulness especially for evangelical interpreters of the Bible A Guide to Biblical Commentaries and Reference Works is essentially an annotated bibliography of hundreds of commentators More scholarly books receive a longer more detailed treatment than do lay commentaries and highly recommended commentaries have their author s names in bold The author keeps up on the publication of commentaries and intends to update this book every three to four years *Understanding Dan* Mark Walter Bartusch,2003-06-01 This book investigates the Dan Danite tradition in the Hebrew Bible to determine not only what the Bible tells us about Dan but also how far traditions about the territory city ancestor and tribe may have influenced each other Bartusch argues that the political and theological interests reflected in the relatively late work of the Deuteronomistic Historian have cast a shadow over some earlier traditions and that by combining social science models and newer literary criticism with the more traditional historical critical methodologies the original meaning of the traditions of Dan may be recovered and clarified The conclusion of such a study is that the Hebrew Bible as a whole does not entirely support the negative portrayal of Dan in its later traditions *YHWH in the Wind(s)* Violet Chiswa Gandiya,2025-01-31 From interdisciplinary intertextual and comparative analytical perspectives this book engages with the epistemologies of the Global South and Global North to reveal a fresh insight into the image of YHWH in the guise of the phenomenal wind s and the purpose of this image in the biblical Hebrew tradition Therefore this book showcases YHWH appearing with the potent wind s to create and transform chaos into cosmic order at primal creation Likewise this discourse presents YHWH breaking into the historical and social realm in his various sociopolitical roles to destroy all forms of chaotic force by his bluster of wind s and to establish maintain or restore world social order founded on his rule of justice and righteousness This accounts for the view that all creation and order originate from YHWH and are maintained by YHWH s innate rules of ethical governance This fresh insight into the sights and sounds of YHWH asserting his rule in the dramaturgical wind s not only renders new meaning to biblical texts within their contexts but also offers a persuasive message and alluring theological reflections that can shape new discourses to engage and address contemporary theological and social issues of equity justice and harmony within YHWH s intended design of world and social order **The Word of the Lord Shall Go Forth** Carol L. Meyers,Michael Patrick O'Connor,1983 This volume contains fifty two essays composed in honor of David Noel Freedman and organized around the topics Hebrew Poetry and Prophecy The Prose of the Hebrew Bible History and Institutions of Israel Northwest Semitic Epigraphy and Other Perspectives A bibliography of the honoree is included **Psalms** Athalya Brenner-Idan,Gale A. Yee,2024-01-25 This unique volume on the Psalms is the final Hebrew Bible installment of the Texts Contexts series Each contribution provides a contextual reflection on a Psalm as chosen by the

contributor These contributions take account of the contributor's own personal context or the contexts of those around them providing readings that are varied in geographical and linguistic scope that reflect on pressing themes such as immigration diversity race marginalized voices such as those of adults with learning disabilities and postcolonialism Scholars also reflect on their own contexts of research and education Taken together the contributions to this volume provide a sort of contextual commentary on the Psalms gathering a wide range of voices and reflecting a diverse range of cultural afterlives of the Psalms

The Dynamics of Biblical Parallelism Adele Berlin, 2007-12-18 Understanding of biblical poetry is enhanced by the study of its structure In this book Adele Berlin analyzes parallelism a major feature of Hebrew poetry from a linguistic perspective This new edition of Berlin's study features an additional chapter The Range of Biblical Metaphors in Smikhut by late Russian linguist Lida Knorina Berlin calls this addition innovative and instructive to those who value the linguistic analysis of poetry It is a fitting coda to Berlin's adept analysis Teaching Through Song in Antiquity Matthew E.

Gordley, 2011 While scholars of antiquity have long spoken of didactic hymns no single volume has defined or explored this phenomenon across cultural boundaries in antiquity In this monograph Matthew E Gordley provides a broad definition of didactic hymnody and examines how didactic hymns functioned at the intersection of historical circumstances and the needs of a given community to perceive itself and its place in the cosmos and to respond accordingly Comparing the use of didactic hymnody in a variety of traditions this study illuminates the multifaceted ways that ancient hymns and psalms contributed to processes of communal formation among the human audiences that participated in the praise either as hearers or active participants The author finds that in Greek Roman Jewish and Christian contexts many hymns and prayers served a didactic role fostering the ongoing development of a sense of identity within particular communities **World History**

students educators researchers and interested general readers a means of navigating the broad sweep of history unlike any ever published *Psalm Structures* Paul R. Raabe,1990-11-01 This study identifies and describes the basic building blocks of a biblical psalm the levels of colon verse strophe and stanza In this study eleven psalms have been chosen with stanzas that are clearly demarcated by the presence of refrains Seven of these are analysed thoroughly Psalms 42 43 46 49 56 57 59 and another four more briefly Psalms 39 67 80 99 This is a timely and closely argued statement of the importance of integrating structure and content in one s interpretation of a psalm **1 and 2 Samuel** Ronald F. Youngblood,2017-03-07 Continuing a Gold Medallion Award winning legacy the completely revised Expositor s Bible Commentary puts world class biblical scholarship in your hands A staple for students teachers and pastors worldwide The Expositor s Bible Commentary EBC offers comprehensive yet succinct commentary from scholars committed to the authority of the Holy Scriptures The EBC uses the New International Version of the Bible but the contributors work from the original Hebrew and Greek languages and refer to other translations when useful Each section of the commentary includes An introduction background information a short bibliography and an outline An overview of Scripture to illuminate the big picture The complete NIV text Extensive commentary Notes on textual questions key words and concepts Reflections to give expanded thoughts on important issues The series features 56 contributors who Believe in the divine inspiration complete trustworthiness and full authority of the Bible Have demonstrated proficiency in the biblical book that is their specialty Are committed to the church and the pastoral dimension of biblical interpretation Represent geographical and denominational diversity Use a balanced and respectful approach toward marked differences of opinion Write from an evangelical viewpoint For insightful exposition thoughtful discussion and ease of use look no further than The Expositor s Bible Commentary **The Origin of Israelite Zion Theology** Antti Laato,2018-08-23 In this examination of Zion theology and how it arises in the book of Psalms Antti Laato s starting point is that the Hebrew Bible is the product of the exilic and postexilic times which nonetheless contains older traditions that have played a significant role in the development of the text Laato seeks out these older mythical traditions related to Zion using a comparative methodology and looking at Biblical traditions alongside Ugaritic texts and other ancient Near Eastern material As such Laato provides a historical background for Zion theology which he can apply more broadly to the Psalms In addition Laato argues that Zion related theology in the Psalms is closely related to two events recounted in the Hebrew Bible First the architectural details of the Temple of Solomon 1 Kings 6 7 which can be compared with older mythical Zion related traditions Second the religious traditions related to the reigns of David and Solomon such as the Ark Narrative which ends with David s transfer of the Ark to Jerusalem 2 Sam 6 From this Laato builds an argument for a possible setting in Jerusalem at the time of David and Solomon for the Zion theology that emerges in the Psalms The Aramaic of Daniel in the Light of Old Aramaic Zdravko Stefanovic,1992-03-01 The author examines a number of the published Old Aramaic inscriptions and compares them with the Aramaic of Daniel according to a broad based set of criteria

detailed literary grammatical and lexicographical comparisons build a cumulative case for questioning both the unified character of Old Aramaic and the supposedly late character of numerous features in Old Aramaic The author thus contributes to the discussion of whether Old Aramaic texts can be used for understanding the Aramaic of Daniel on the one hand while contributing to an evaluation of the debate concerning the origin of the Aramaic of Daniel on the other

Studies In Ancient Yahwistic Poetry Introduction

In today's digital age, the availability of Studies In Ancient Yahwistic Poetry books and manuals for download has revolutionized the way we access information. Gone are the days of physically flipping through pages and carrying heavy textbooks or manuals. With just a few clicks, we can now access a wealth of knowledge from the comfort of our own homes or on the go. This article will explore the advantages of Studies In Ancient Yahwistic Poetry books and manuals for download, along with some popular platforms that offer these resources. One of the significant advantages of Studies In Ancient Yahwistic Poetry books and manuals for download is the cost-saving aspect. Traditional books and manuals can be costly, especially if you need to purchase several of them for educational or professional purposes. By accessing Studies In Ancient Yahwistic Poetry versions, you eliminate the need to spend money on physical copies. This not only saves you money but also reduces the environmental impact associated with book production and transportation. Furthermore, Studies In Ancient Yahwistic Poetry books and manuals for download are incredibly convenient. With just a computer or smartphone and an internet connection, you can access a vast library of resources on any subject imaginable. Whether you're a student looking for textbooks, a professional seeking industry-specific manuals, or someone interested in self-improvement, these digital resources provide an efficient and accessible means of acquiring knowledge. Moreover, PDF books and manuals offer a range of benefits compared to other digital formats. PDF files are designed to retain their formatting regardless of the device used to open them. This ensures that the content appears exactly as intended by the author, with no loss of formatting or missing graphics. Additionally, PDF files can be easily annotated, bookmarked, and searched for specific terms, making them highly practical for studying or referencing. When it comes to accessing Studies In Ancient Yahwistic Poetry books and manuals, several platforms offer an extensive collection of resources. One such platform is Project Gutenberg, a nonprofit organization that provides over 60,000 free eBooks. These books are primarily in the public domain, meaning they can be freely distributed and downloaded. Project Gutenberg offers a wide range of classic literature, making it an excellent resource for literature enthusiasts. Another popular platform for Studies In Ancient Yahwistic Poetry books and manuals is Open Library. Open Library is an initiative of the Internet Archive, a non-profit organization dedicated to digitizing cultural artifacts and making them accessible to the public. Open Library hosts millions of books, including both public domain works and contemporary titles. It also allows users to borrow digital copies of certain books for a limited period, similar to a library lending system. Additionally, many universities and educational institutions have their own digital libraries that provide free access to PDF books and manuals. These libraries often offer academic texts, research papers, and technical manuals, making them invaluable resources for students and researchers. Some notable examples include MIT OpenCourseWare,

which offers free access to course materials from the Massachusetts Institute of Technology, and the Digital Public Library of America, which provides a vast collection of digitized books and historical documents. In conclusion, Studies In Ancient Yahwistic Poetry books and manuals for download have transformed the way we access information. They provide a cost-effective and convenient means of acquiring knowledge, offering the ability to access a vast library of resources at our fingertips.
