Studies In Dogmatics General Revelation:

General Revelation G. C. Berkouwer, 1955-05-31 This is a print on demand book and is therefore non returnable Asserting that there is no more significant question in the whole of theology than that of the nature and reality of revelation Berkouwer examines this question along with the claims of natural theology and the radical character of the history of religion since the nineteenth century **General Revelation** Gerrit Cornelis Berkouwer, 1955 *General Revelation* G. C. Berkouwer, 1971

A Theology for the Church Dr. Daniel L. Akin, 2014-06-01 The revised edition of *A Theology for the Church* retains its original structure organized under these traditional theological categories revelation God humanity Christ the Holy Spirit salvation the church and last things Each chapter within these sections contains answers to the following four questions What does the Bible say What has the church believed How does it all fit together How does this doctrine impact the church today Contributions from leading Baptist thinkers R Albert Mohler Jr Paige Patterson and Mark Dever among others will also appeal to the broader evangelical community Included in this revision are new chapters on theological method from a missional perspective Bruce Ashford and Keith Whitfield and theology of creation providence and Sabbath that engages current research in science and philosophy Chad Owen Brand Chapters on special revelation David Dockery and human nature John Hammett have also been updated Biblical Apologetics Clifford B. McManis, 2013-07-26 The book you are holding in your hands is perhaps the simplest most straightforward summary and how to guide for presuppositional apologetics now in print It is both informative and practically helpful I believe you will find it an extremely useful tool whether you are an professor at the seminary level seeking supplemental reading material or just a simple lay person looking for practical answers Pastor McManis writes with crisp clarity in a way that is certain to give you fresh insight into what Scripture teaches about the defense of the Christian faith I wish this book had been available when I was studying apologetics in seminary John MacArthur Pastor Teacher Grace Community Church President of The Masters College and Seminary Cliff has rescued the discipline from the elite circle of the intelligentsia and returned it as a biblical theology of truth communication to the common people i e to all believers This volume will be of great help in the restoration of the practicality of biblical apologetics as it was exemplified in the early Church Hopefully today's readers will be able to understand and put into practice the true nature of Peters command in 1 Peter 3 15 as it is strategically situated in its defining context George J Zemek Academic Dean The Expositors Seminary Jupiter Florida A Church Wide Enough for Everyone Steven H. Propp, 2018-02-03 Robert Schaeffer and Douglas West are best friends living in Oklahoma in 1963 when they discover that they both sense a calling to become ministers in a mainline Christian denomination But from seminary and their early years in ministry to their golden years looking back on what it takes to lead a congregation a stimulating sometimes puzzling yet often inspirational world of theological controversies and congregational concerns would unfold for these two men of God *A Church Wide Enough for Everyone* follows these two men on their journey to demonstrate the

continuing relevance of the Christian faith in a postmodern world After moving to Berkeley California to attend college and seminary they have little time to ponder the vast social changes taking place before they immediately enter into intensive critical study of the Bible and Christian theology And as Robert is then thrust into the ordained ministry with his wife Faye both men must in their own ways face the political cultural and ideological pressures of each passing decade responding to challenges from both within the church and from outsiders Are mainline churches and Christian theology dead Or might they be revitalized in the current century A Church Wide Enough for Everyone and the inspired journeys of two ministers offers a window into how this revitalization and new understanding is possible *Christian Theology* Adam Harwood, 2022-10-19

The church has been entrusted with God's revelation and to steward the word of truth we must confess the Bible's teaching with clarity and conviction Adam Harwood's *Christian Theology* is both biblically faithful and historically informed providing a fresh synthesis of the essential doctrines of the faith Writing from a Baptist perspective Harwood brings fresh insights that many systematic theologies lack With readable prose suggestions for further study and discussion questions *Christian Theology* will equip students and pastors to clarify and articulate what they believe and why *Evangelicalism and Karl Barth* Phillip R. Thorne, 1995-01-01 This long standing series provides the guild of religion scholars a venue for publishing aimed primarily at colleagues It includes scholarly monographs revised dissertations Festschriften conference papers and translations of ancient and medieval documents Works cover the sub disciplines of biblical studies history of Christianity history of religion theology and ethics Festschriften for Karl Barth Donald W Dayton James Luther Mays Margaret R Miles and Walter Wink are among the seventy five volumes that have been published Contributors include C K Barrett Francois Bovon Paul S Chung Marie Helene Davies Frederick Herzog Ben F Meyer Pamela Ann Moeller Rudolf Pesch D Z Phillips Rudolf Schnackenburgm Eduard Schweizer John Vissers *Ex Auditu - Volume 23* Klyne Snodgrass, 2008-04-01 *Ex Auditu* began as the journal incorporating the papers of the Fredrick Neumann Symposium of Princeton Theological Seminary After the first four volumes the journal began publishing the papers from the North Park Symposium on the Theological Interpretation of Scripture The intent from the first has been to provide a forum for doing interdisciplinary theology from a biblical perspective for the benefit of the Church Each annual publication focuses on a topic crucial to the life of today's Church Additionally each issue contains an annotated bibliography and a sermon which makes it a practical guide for pastors

Yost,2020-12-30 In the spirit of Cyril Barber s classic work from the 1970s The Minister s Library and the author s 2017 book The Pastor s Library Robert Yost provides the same expert guidance now for a lay audience Finally laypersons who desire to study the Bible have an invaluable resource for the acquisition of research tools as well as general Christian reading From general reference works such as Bible atlases and concordances commentaries devotional works and theological studies to Christian biography and fiction this book is a trustworthy guide through the multiplicity of books that just seem to keep rolling off the presses Overwhelmed by the proliferation of Christian books on the shelves This handy guide is the book for you *The Word Became Flesh* David Graham Griffin,2016-05-16 Is following Jesus natural Many would say no but this book argues yes Saying no suggests that grace and human nature are alternate moral categories Saying yes implies that our humanity is gracious in origin capacity and intent Much of this discussion hangs on what is meant by nature and natural and this book explores these ideas creationly and christologically Part One considers natural law as commonly found in the classical Christian tradition Part Two explores the radical christological tradition of Anabaptism Part Three then proposes the two nature christology of the Chalcedonian definition as a theological resource enabling their reconciliation The Chalcedonianism of the modern Barth and the ancient Maximus the Confessor are appropriated along with scientific theology of T F Torrance and Nancey Murphy If Chalcedon correctly affirms Jesus s humanity as being homoousios one nature with our humanity created like Adam s through the eternal Spirit then Jesus s life was natural proper to its created intent And as his divine nature was homoousios with the Father s nature he is the human expression of the divine Word which gives creation its contingent moral rationality As such the life of Jesus Anabaptists concern is morally normative for all humanity natural law s concern *Berkouwer's Doctrine of Election* Alvin L. Baker,1981 **Christian Philosophy A-Z** Daniel Hill,2006-07-21 A handy guide to the major figures and issues in Christian philosophy from Augustine to the present This volume covers a broad historical sweep and takes into account those non Christian philosophers that have had a great impact on the Christian tradition However it concentrates on the issues that perplex Christian philosophers as they seek to think

through their faith in a philosophical way and their philosophical beliefs in the light of their faith Examples of the topics discussed are the question of whether and how God knows the future whether we actually know that God exists and what Athens has to do with Jerusalem The leaders of the recent revival of Christian analytic philosophy especially Alvin Plantinga Nicholas Wolterstorff William Alston and Robert Adams are also included *Contours of the Kuyperian Tradition* Craig G. Bartholomew, 2017-03-21 Abraham Kuyper was a remarkable figure in the modern age pastor theologian politician journalist and educator His writings launched what is known as Dutch neo Calvinism Widely known but little read Kuyper is now receiving the global recognition that his influential thought deserves in this introduction by Craig Bartholomew [Sit on Our Hands, or Stand on Our Feet?](#) Roger Philip Abbott, 2013-01-07 The aim of *Sit on Our Hands or Stand on Our Feet* is not to present a theology that explains disasters In fact there is no such theology Nor is this work primarily for those who are responded to it is not part of the theological grab bag that Christian responders carry with them to use for the benefit of casualties It is more a part of the Christian s engaged practical theological apprenticeship prior to and during a response This book represents the role of the practical theologian who empowers the church community s legitimation and contribution in disaster response and who encourages individual Christians whose calling into particularly relevant professions whose natural skills and or professional training could find them placed in a major incident responding status paid or voluntary doing their work as unto the Lord It is a serious must read for any Christians who have hearts heavy with compassion but who are not sure what to do or why when disaster strikes **Thriving in Babylon** David B. Capes, J. Daryl Charles, 2011-01-01 This delightfully multifaceted volume comprised of thoughtful essays by an esteemed array of cultural critics probes the intersection of Christian faith and culture to honor the memory of A J Chip Conyers a remarkably ecumenical Christian scholar and cultural warrior whose premature death in 2004 cut short a remarkable career in teaching and writing As those who knew him can attest Conyers lived his life at the intersection of Christian theology and cultural concern with a singular blend of astuteness gracefulness and Christian conviction This festschrift as esteemed theologian and Conyers s mentor Jurgen Moltmann indicates in the foreword is intended to mirror Conyers s own commitment to incisive cultural criticism and theological faithfulness in the mold of the great tradition This is no small achievement even for so venerable a cast of scholars as the contributors to this volume as Conyers crossed interdisciplinary boundaries in a day of escalating hyper specialization with the greatest of ease He was comfortable discussing contemporary church life or the christological controversy of the patristic era Heideggerian hermeneutics or human dignity and the imago Dei faith and the Enlightenment or the fatherhood of God Catholic substance or Protestant reform Yet Conyers always did this through the lens of historic Christian orthodoxy Though he was a most incisive student of culture in a most refreshing way he steered clear of being co opted by the currents of culture Neither retreating into pious devotionism nor opting for the theologically unreflective activism that has become so chic in our post consensus climate he embodied a theological perspective that

blends responsible cultural engagement with eschatological hope The reader is sure to encounter the same blend in this festschrift and to come away both challenged and edified toward fulfilling the message and hope of Conyers life and work to faithfully thrive in Babylon
