Studies In Female Sexuality Forum Studies In Sexual Behaviour:

Studies in Female Sexuality Sandra McDermott,1970 **Sexualities: Making a sociology of sexualities** Kenneth Plummer,2002 Volume 3 Difference and Diversity of Sexualities This section examines the politics power and critique of sexual categories including bisexuality sex addiction prostitution and sadomasochism *National Library of Medicine Current Catalog* National Library of Medicine (U.S.),1971 First multi year cumulation covers six years 1965 70 Handbook of the New Sexuality Studies Steven Seidman,Nancy Fischer,Chet Meeks,2007-03-12 As the field of sexuality studies has become a growth area in academia and classes on sexuality studies are incorporated into various disciplines the expanding book market has been filled with specialist oriented texts which are often theoretically focused and contain too many summaries for an undergraduate audience Addressing this imbalance this key new volume presents the field of sexuality in an accessible and engaging way for undergraduates Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of this emerging field Its central premise is to explore the social character of sexuality the role of social differences such as race or nationality in creating sexual variation and the ways sex is entangled in relations of power and inequality Through this novel approach the field of sexuality is considered for the first time in multicultural global and comparative terms and from a truly social perspective This important volume consists of over fifty short and original essays on the key topics and themes in sexuality studies and interviews with twelve leading scholars in the field which convey some of the most innovative work being done Each contribution clearly conveys the latest research with examples Ideal for students of gender and sexuality studies this topical and timely volume will be an invaluable resource to all those with an interest in sexuality studies **Psychological Perspectives on Sexual Problems** Jane M. Ussher,Christine D. Baker,1993 The regulation of sexuality and the careful distinction between normality and abnormality has a long and checkered history with psychologists at the forefront of this debate Yet any attempt to identify a simple and unitary psychology of sexual problems inevitably becomes the focus of a great deal of criticism particularly from the disciplines of psychoanalysis and feminism The aim of Psychological Perspectives on Sexual Problems is both to provoke and to promote a glasnost between those whose work directly involves research and intervention in the arena of sexuality and those who would deconstruct criticize and reframe any understanding of sexuality outside of the dominant discourse of psychology The contributors examine the psychological theories associated with sexuality and sexual problems and at the same time present examples of positive and empowering practice with groups of individuals whose sexuality is often ignored or marginalized These individuals include those with learning difficulties or physical disabilities sex offenders gay men with AIDS and women with eating disorders Psychological Perspectives on Sexual Problems is the first text to integrate critical theory and current clinical practice in an attempt to arrive at a revolutionary approach to the psychology of sexuality **Introducing the New Sexuality Studies** Steven Seidman,Nancy L.

Fischer, Chet Meeks, 2011-02-25 Breaking new ground both substantively and stylistically this book offers students academics and researchers an accessible engaging introduction and overview of the emerging field of sexuality studies *Catalog of Copyright Entries. Third Series* Library of Congress. Copyright Office, 1973 *Women Studies Abstracts*, 1984 *forum for inter-american research Vol 5* Wilfried Raussert, 2023-07-20 Volume 5 of 6 of the complete premium print version of journal forum for inter american research fiar which is the official electronic journal of the International Association of Inter American Studies IAS fiar was established by the American Studies Program at Bielefeld University in 2008 We foster a dialogic and interdisciplinary approach to the study of the Americas fiar is a peer reviewed online journal Articles in this journal undergo a double blind review process and are published in English French Portuguese and Spanish **Research Handbook on Multiculturalism** Geoffrey Brahm Levey, 2025-03-12 This Research Handbook presents a comprehensive assessment of multiculturalism in political theory and practice from an international perspective Geoffrey Brahm Levey brings together 30 leading experts from around the world to assess the current state of the field charting lines of inquiry for further research *Routledge Companion to Sports History* S. W. Pope, John Nauright, 2009-12-17 This book describes how the field of sports history has matured dramatically over the past decade and expands on what this means for sports historians today The specially commissioned essays addressing a range of thematic and regional contexts that make up this companion make it a uniquely valuable resource **Consent** Laurie James-Hawkins, Róisín Ryan-Flood, 2023-11-30 This book considers the concept of consent in different contexts with the aim of exploring the nuances of what consent means to different people and in different situations While it is generally agreed that consent is a fluid concept legal and social attempts to explain its meaning often centre on overly simplistic narrow and binary definitions viewing consent as something that occurs at a specific point in time This book examines the nuances of consent and how it is enacted and re enacted in different settings including online spaces and across time Consent is most often connected to the idea of sexual assault and is often viewed as a straight forward concept and one that can be easily explained Yet there is confusion among the public as well as among academics and professionals as to what consent truly is and even the degree to which individuals conceptualise and act on their own ideas about consent within their own lives Topics covered include consent in digital and online interactions consent in education consent in legal settings and the legal boundaries of consent and consent in sexual situations including sex under the influence of substances BDSM and kinky sex This book will appeal to students and scholars interested in issues of consent from the social sciences gender theory feminist studies law psychology public health and sexuality studies *Handbook on Sex, Gender and Health* M. Sivakami, Anjana Bhushan, Sabina Faiz Rashid, Kausar S. Khan, 2025-01-27 This Handbook is the first of its kind addressing gender issues in health in five countries of the South Asian Region namely Bangladesh India Pakistan and Sri Lanka Adopting a social determinant of health perspective and an intersectionality and diversity lens the Handbook illustrates the multi layered complexities of gender health and well being

from the diverse perspectives and lived experiences in different South Asian countries It includes studies on under researched and often invisible marginalized populations such as LGBTQI populations urban poor persons living with disability migrant and conflict affected populations It represents the voices of the elderly adolescents and young people It goes beyond analyzing the problem of gender inequities in health and present examples of gender transformative policies programmes and social movement action It is an essential resource for researchers policy makers students in public health and community based organizations involved in research policies or programs related to sex work public health social justice and gender based violence

The Pursuit of Happiness Bianca C. Williams, 2018-02-08 In *The Pursuit of Happiness* Bianca C Williams traces the experiences of African American women as they travel to Jamaica where they address the perils and disappointments of American racism by looking for intimacy happiness and a connection to their racial identities Through their encounters with Jamaican online communities and their participation in trips organized by Girlfriend Tours International the women construct notions of racial sexual and emotional belonging by forming relationships with Jamaican men and other girlfriends These relationships allow the women to exercise agency and find happiness in ways that resist the damaging intersections of racism and patriarchy in the United States However while the women require a spiritual and virtual connection to Jamaica in order to live happily in the United States their notion of happiness relies on travel which requires leveraging their national privilege as American citizens Williams's theorization of emotional transnationalism and the construction of affect across diasporic distance attends to the connections between race gender and affect while highlighting how affective relationships mark nationalized and gendered power differentials within the African diaspora

The Intimate Lives of Disabled People Kirsty Liddiard, 2017-12-01 Disabled people are routinely assumed to lack the capabilities and capacities to embody and experience sexuality and desire as well as the agency to love and be loved by others and build their own families if they so choose Centring on the sexual intimate and erotic lives of disabled people this book presents a rare opportunity to understand and ask critical questions about such widely held assumptions In essence this book is a collection of sexual stories told by disabled people on their own terms and in their own ways Stories that shed light on areas of disability love and life that are typically overlooked and ignored A sociological analysis of these stories reveals the creative ways in which disabled people manage and negotiate their sexual and intimate lives in contexts where these are habitually denied In its calls for disabled people's sexual and intimate citizenship stories are drawn upon as the means to create social change and build more radically inclusive sexual cultures In this ground breaking feminist critical disability studies text *The Intimate Lives of Disabled People* introduces and contributes to contemporary debates around disability sexuality and intimacy in the 21st century Its arguments are relevant and accessible to researchers academics and students across a wide range of disciplines such as sociology gender studies psychology social work and philosophy as well as disabled people their families and allies and the professionals who work with and for them

Sex Surveyed, 1949-1994 Liz

Stanley, 2014-10-13 First published in 1995 This book provides the only feminist overview of the development of both the mainstream and the feminist variant of the survey as a means of investigating sexual attitude and behaviour Illuminating reading for the general reader essential for students on Sexuality Methodology Women's Studies and British Modern Social History courses and key text for all Sociologists Women Who Buy Sex Sarah Kingston, Natalie Hammond, Scarlett Redman, 2020-05-10 Drawing on empirical data from women who pay for sexual services and those who provide services to women this ground breaking study is the first of its kind in the UK detailing the experiences of women who pay for sex in an explicit direct prearranged way Unlike previous research on clients which has predominantly focused on men who buy sex or women who engage in romance tourism in places such as the Caribbean this innovative research offers new and original insights into the demand side of commercial sex Too often it is assumed that only men pay for sex from women or other men Women are assumed to be service providers and are unimaginable as clients This book therefore offers a radical departure from existing scholarship on commercial sex In addition the book examines the experiences of couples who pay for commercial sex a client group that has received scant investigation The book explores women's reasons for their engagement in commercial sex services their backgrounds and characteristics their strategies for remaining safe and managing potential risks as well as their sexual health strategies The nature of sexual service bookings with women clients is also examined exploring the types of services women seek the places where bookings occur and the fees they pay Finally the experiences of men women and trans sex workers who provide sexual services to women are examined By drawing on our unique data and comparing it to the literature on men clients we present our theory Converging Sexualities We argue that commercial sex is a site of behavioural convergence and that women clients are behaving in ways that could be described as masculine or feminine Our study therefore offers new ways to understand sexuality This book will be of interest to researchers in the field of sexuality sex work and women's behaviour Human Sexuality Vern L. Bullough, Bonnie Bullough, 2014-01-14 First Published in 1994 The purpose of an encyclopedia is to gather in one place information that otherwise would be difficult to find Bring together a collection of articles that are authoritative and reflect a variety of viewpoints The contributors come from a wide range of disciplines from nursing to medicine from biology to history and include sociologists psychologists anthropologists political scientists literary specialists academics and non academics clinicians and teachers researchers and generalists **Sexually Aggressive Women** Peter B. Anderson, Cindy Struckman-Johnson, 1998-06-22 Working from a range of theoretical perspectives contributors to this text challenge prevailing stereotypes of women as passive or resistant participants in heterosexual interaction and men as initiators or aggressors Like men the book proposes many women are clearly interested in sex and some are sexually aggressive Bringing attention to ethical political and conceptual questions surrounding this area of inquiry the volume offers insights that seek to enhance clinical work and set directions for future research It should be of interest to all scholars and students of psychology sociology human sexuality and gender studies as

well as mental health professionals in a range of settings The Wrong Prescription for Women Maureen C. McHugh, Joan C. Chrisler, 2015-07-14 This groundbreaking book challenges the medicalized approach to women's experiences including menstruation pregnancy and menopause and suggests that there are better ways for women to cope with real issues they may face Before any woman diets douches botoxes reduces reconstructs or fills a prescription for antidepressants statins hormones menstrual suppressants or diet pills she should read this book Contesting common medical practice the book addresses the many aspects of women's lives that have been targeted as deficient in order to support the billion dollar profits of the medical pharmacological industry and suggests alternatives to these remedies The contributors psychologists sociologists and health experts are also gender experts and feminist scholars who recognize the ways in which gender is an important aspect of the human experience In this eye opening work they challenge the marketing and science that increasingly render women's bodies and experiences as a series of symptoms diseases and dysfunctions that require treatment by medical professionals who prescribe pharmaceutical and surgical interventions Each article in the book addresses the marketing of a specific condition that has been constructed in a way that convinces a woman that her body is inadequate or her experience and behavior are not good enough Among the topics addressed are menstruation menopause pregnancy post partum adjustment sexual desire weight body dissatisfaction moodiness depression grief and anxiety
